Car Smashed, Hit by Truck

Intersection at Oakland And North Main Is Scene of Collision

(Photo on Page One)

A car and dump truck collided about 5 o'clock last night at the intersection of North Main and Oakland streets. Damage was reported minor to the truck but extensive to the car. Patrolman John Thurner investigated and made no arrests. No one was injured.

The car, a 1949 Cadillac convertible club coupe, owned by the Johnson Motors of West Hartford and driven by George Hutchinson of 2 Lemay street, West Hartford, was proceeding south on Oakland street, according to the report. Robert H. Klotzer, 19, of Rockville, was going east on North Main street. Hutchinson stopped before cutting across traffic at Apel place to go on towards Burnham street. Klotzer rounded the bend and did not see the stopped car because his vision was blocked by another vehicle. He applied his brakes but couldn't avoid the impact. Estimated speed was 20 miles per hour and neither vehicle was pushed very far.

Damages to the Klotzer truck were confined to the right front fender while the right front of the Hutchinson car was smashed and required Dillon's wrecker to tow it away.

Start Erecting Steel Towers

Work has been started on the erection of transmission towers at the Connecticut Power company's new sub-station on Olcott street. The galvanized steel is being handled by a large crane.

The 8,000 kilowatt sub-station will handle two new transmission lines which will run over rights of way to East Hartford and connect with Hartford Electric Light company lines to the South Meadow generating station in Hartford. The local plant is expected to be completed and operating by October 1.

The station is being built on a nine and a half acre plot formerly owned by Wilbur T. Little and will cover about four acres. The rest of the land is being landscaped. A one-story cinder block and brick building has been erected close to the Olcott street entrance.

The large residential growth here in the past few years has made the project necessary. The sub-station is designed to improve and enlarge electric service and insure an adequate power supply for many years.

Plan Transfer Of Employees

Group of Manchester Electric Workers to Go To Middletown

A few of the office employees of the Manchester division of the Connecticut Power company at 773 Main street will be transferred as of Oct. 1 to the company's Middletown offices for the purpose of combining the billing and part of the bookkeeping operation, it was learned today.

The transfer will not effect a major change, and the few employees involved have been given advance notice of the plan.

The Manchester office will still be maintained and local customers will continue to pay their bills here, but the accounts will be handled at the Middletown office.

Blaik Admits Point Recruited Gridders

Academy Head States Army Case

Maj. Gen. Frederick A. Irving, superintendent of the U. S. Military Academy, glances as he addresses newsmen in his office at West Point, N. Y. Gen. Irving told interviewers that any of the 90 censured cadets who admit classroom cheating will be given a chance to resign with a clean record. The news conference was the first held by the General since the scandal, biggest in academy history, broke last Friday.

West Point, N. Y., Aug. 8 (AP)—Head football Coach Earl H. Blaik said today that West Point yearly recruits a percentage of its football team from the nations high schools.

"If we did not do that," he said, "we would be unable to have any athletes in West Point able to play a normal schedule."

Blaik's statement came in the midst of a controversy over dismissal of 90 cadets, including most of the football squad, for cribbing in classroom examinations.

It followed a report quoting Donald MacDonald, Flint, Mich., high school star, that the academy attempted to recruit him.

Denies High Pressure

Blaik denied, however, that any of the high school boys were highpressured to enter the academy. Many of them, he said, themselves contact West Point and ask for an opportunity to enter.

Of 24 boys given such an opportunity this spring, Blaik went on, only seven of them were able to pass stiff entrance examinations, and only five of them actually entered the academy in July.

The Chicago Tribune had quoted MacDonald as saying he had a five-week expense-paid vacation at the academy this summer and other football prospects and potential players had informal talks with Blaik.

In Flint, however, MacDonald said the story was a "misrepresentation of facts."

Blaik said in his statement:

"Young Mr. MacDonald has informed my office that remarks made by him were garbled to such

German Reds Storm Border

1,000 Battle to Reach Youth Peace Festival; West Counters East

Munich, Germany, Aug. 8—(AP)—About 1,000 West German Communist youth armed with clubs and brass knuckles stormed the East German border today in an effort to reach the "World Youth Peace Festival" in Berlin, West Germans announced today. Most of them were turned back.

The youths concentrated at several points north of Bamberg and battled police who barred their way across the frontier, the police announcement said.

Four persons were injured, including one Communist youth who was shot in the leg by a policeman.

Police detained 404 of the youths and 246 of them are still under arrest. An undetermined number crossed the border into Soviet East Germany.

Two Bound Over In Shooting-Theft

Avon, Aug. 8—(AP)—Charged with robbery with violence and assault with intent to kill two men were bound over to the Superior Court in bonds of $15,000 each by the Avon town court last night.

Joseph A. Taschner, 20, of Farmington, and Robert M. Beers of Hollis, N. Y. both pleaded innocent to the charges.

Police captured the pair at gunpoint July 28, after a holdup in Buddy's Snack Bar here during which Mrs. Idella Brown, the proprietor was shot in the stomach.

Both men were said by police to be AWOL (absent without official leave) from Camp Atterbury, Ind., since July 7.

In addition to the robbery and assault counts Taschner and Beers are charged with the theft of three automobiles and with breaking and entering, theft and defrauding a service station.

Virginia's strong Democratic organization, headed by U. S. Senator Byrd, suffered at least two setbacks in important State Senate races in yesterday's primary election.

And down in Mississippi two old-timers and a political newcomer were locked in battle today for two berths in the run-off Democratic primary for governor.

Unofficial returns from more than a third of the state's 1,782 precincts gave former Gov. White 18,479; Ross Barnett, the newcomer, 18,105 and Lt. Gov. Sam Lumpkin, 16,908.

Just a shade behind them was Wall Doxey, Jr., with 16,855 votes.

In both elections, nomination is tantamount to election.

Virginia's anti - organization wing scored one victory in the heavy industrial district in the Newport News shipbuilding area.

Democrat Case Is Dismissed

Washington, Aug. 8—(AP)—Congress received an unofficial estimate today that the war in Korea already has cost the U. S. $5,000,000,000 and may cost at least that much more by next June 30.

That is in addition to the cost in American men killed, wounded or missing in action.

The estimate came from Rep. Mahon (D., Tex.) as the House started debate on a record peacetime $56,062,405,890 military budget for the fiscal year ending next June 30.

Mahon, chairman of an appropriations subcommittee which drafted the bill, told a reporter that while his estimates were "not authentic", they were based on the best information available to Congress. The cost up to last June 30, he said, was about $5,000,000,000 and the estimated cost for the year ending next June 30 "will be around $4,500,000,000 if the Korean action continues without expansion.

The pending bill does not include the cost of the Korean campaign for this fiscal year, an additional measure being planned to finance that.

Mahon's statement was interpreted generally as a bid to Congress not to make any major reductions in the bill because of the gravity of the international situation and the necessity of building up American defenses. The appropriations committee already has cut $1,542,608,500 from the amount requested by President Truman. A Senate appropriations subcommittee is holding hearings on a similar bill.

No further major cuts are expected when the House starts amending its bill tomorrow. However, many members favor an amendment to limit the future use of American troops for General Eisenhower's Western European Defense army. A move to impose such a limitation in the draft bill last April failed by only five votes.

The Senate has passed a resolution saying that no additional troops commitments should be made for the Atlantic Pact army without Congressional approval. The resolution has been shelved by the House Foreign Affairs committee and apparently the only way the House can express itself on the subject is through amendments to military bills.

About half of the money in the pending bill is for the purchase of air-cooled military hardware—air-

N. C. Blaze Loss Set At Million

Wilson, N. C., Aug. 8.—(AP)—A spectacular fire swept through a section of this east central North Carolina city of 22,000 early today, destroying one large tobacco warehouse and damaging several other buildings.

City Building Inspector B. L. Hedgepeth estimated damage at one million dollars.

The centre brick warehouse No. 1, with 166,000 square feet of floor space, was a total loss. It was the largest warehouse in this tobacco center.

The cause of the blaze, discovered shortly after 2 a. m. (EST), has not been determined.

Nabs 6 More Reds; FBI Score Now 51

By THE ASSOCIATED PRESS

The FBI snared another batch of alleged American Communists yesterday, promised more arrests, but said there would be "no hysteria, no mass raids, no roundup of thousands."

The latest roundup netted five more Communist leaders in New York, Baltimore and Cleveland. A sixth person, described by the FBI as an attorney for the Red party, was arrested in Baltimore.

All six were charged with plotting to advocate violent overthrow of the U. S. government. This same accusation was leveled against 11 convicted top-run Communists last year. It was also used against 24 more indicted Reds now awaiting trial.

Hunt Eight Others

Federal agents currently are pressing a hunt for four of the convicted and four of the other defendants.

Those arrested early today and yesterday were:

In Baltimore—George A. Meyers, 38, chairman and organizer in the party's District 4 (Baltimore) headquarters; Roy Wood, 36, Washington, D. C., party chairman; and the attorney, Maurice Louis Braverman, 35, of Baltimore.

In Cleveland—Regina Frankfeld, 41, of Cleveland, a former organizer in Baltimore.

In New York—Dorothy Rose Rose Blumberg, 47, of Brooklyn, former treasurer of the party's 4th district, and Philip Frankfeld, 44, party organizer in Cleveland, apprehended as he boarded a plane for the Ohio city.

The FBI, which announced Braverman's arrest early today, pointed out that he has never publicly admitted affiliation with the party but that he allegedly is the official attorney for the party's Baltimore headquarters.

Charge UN Is Stalling Truce Talk

Tokyo, Aug. 8—(AP)—Red radios remained silent tonight on the United Nations demand for fresh guarantees of neutrality at the site of Korean armistice talks.

Allied negotiators returned to Korea during the day, ready to resume cease-fire talks if and when Communist commanders pledge the Kaesong neutral zone will be kept inviolable.

But neither the Peiping nor Pyongyang radios mentioned tonight the new demand of Gen. Matthew B. Ridgway, U. N. commander, first broadcast at 1:30 p. m. Tuesday (10:30 p. m. Monday EST).

Instead—32 hours later—the Chinese Red radio at Peiping featured a report the Red commanders still were waiting for Ridgway's reply to a Communist message dispatched Monday morning.

Report Assurances

The Peiping broadcast said the letter, entrusted to an American liaison officer, contained assurances from North Korean Gen. Nam Il Sung and Gen. Peng Tehhuai that the Kaesong neutrality pledge would be observed.

The apparently was the Red message which Ridgway acknowledged Tuesday in his demand for a new Red pledge they would keep their word.

The monitoring agency in Tokyo said the Red radio broadcast the story in English, Chinese and Japanese. It was featured as a top new items, said to have been written by a Red correspondent at Kaesong.

Waited Tuesday

The Peiping broadcast said the Chinese and North Korean ceasefire delegation waited at Kaesong Tuesday for the U.N. negotiators, but "the latter failed to arrive."

Vice Adm. C. Turner Joy led the four American delegates back to the Allied headquarters from top secret conference with the U.N. commander in Tokyo.

Brig. Gen. William P. Nuckols, delegation spokesman, said the order to resume the interrupted

Strike Threatens Output of Copper

Salt Lake City, Utah, Aug. 8—(AP)—A strike which could cut off an estimated 95 per cent of United States copper production was voted early today for not later than Aug. 20.

The metal trades councils representing all AFL unions in the copper industry, took the action at meeting here.

Council spokesmen said the walkout would hit the big four of copper—Kennecott Copper Corp., Anaconda Copper Mining Co., Phelps-Dodge Copper Co. and American Smelting and Refining Co.

The move nearly duplicates, but with a definite time limit, the recent vote of the Independent Inter-

Red Propaganda Gains In Exchange of Notes

By EDDY GILMORE

Moscow, Aug. 8—(AP)—Moscow's press today published fully the exchange of statements between the United States and the Soviet Union expressing friendship between the two peoples. Moscow can be expected to press its campaign for a five-power peace pact, and to interpret its rejection by the U. S. as turning down of the whole idea of friendship.

The Moscow proposal calls for a pact among Britain, France, the U.S.S.R., the United States and Communist China. For a long time the Soviet Union has been pleading for this as a means of lessening international tension. The United States does not recognize the Communist government of the Peoples Republic of China.

Get Wide Display

The press and radio of the U.S.S.R. now have given almost the entire Soviet population of 200,000,000 an opportunity to become acquainted with the exchange of messages—(1) President Truman's letter commending a Congressional resolution of friendship for the Soviet people and (2) the reply of Nikolai M. Shvernik, President of the Supreme Soviet, the U.S.S.R.'s legislature. The texts were broadcast and were given wide display in the newspapers.

Izvestia, the Soviet government newspaper, in an editorial on the exchange, commenting that forces of "international reaction" now

Heat Wave Broils Texas, Hits Crops

Dallas, Tex., Aug. 8—(AP)—A blistering heat wave with a rising death toll continued without relief for Texas today.

No prospects of rain deepened the gloom of farmers faced with withering crops.

City officials in many cities begged residents to save dwindling water supplies for fire fighting and essential home uses. Lawns and flowers turned brown in tens-

Question Four In Slaying of Two Mobsters

questioned in four gangland slayings here—those of Benjamin (Bugsy) Siegel, Harry (Hooky) Rothman, Neddie Herbert and lawyer Samuel Rummel, who was gambler Mickey Cohen's "mouthpiece." Cohen recently was convicted of income tax evasion.

Capt. Robert A. Lohrman, head of the homicide bureau, said James Frantianno, a former Cohen associate, and London have given "unsatisfactory" explanations of their movements Monday. He said they admitted being with Brancato and Trombino that day, but last saw them at 3 p. m.

Lohrman said Warren Fratianno has given no explanation at all for his whereabouts at the time of the killings, and that Lazes, although offering an alibi, has not convinced his questioners.

In sharp contrast to the handling of some of southern California's gangster shooting cases of other years, police moved fast in rounding up four suspects yesterday.

Block Release of Four

Chief Parker and Dist. Atty. Ernest Roll forestalled the release of the quartet on writs of habeas corpus by appearing in the chamber of presiding Judge Thomas J. Cunningham of the Criminal Master Calendar Court and asking for high bail to deter their release at least for many hours.

The four suspects were taken to different jails for questioning.

Police said Trombino was questioned in Hollywood's Sunset Strip slayings of Rothman and Herbert. The latter was fired upon from ambush as he walked with several persons, Cohen among them. Cohen was wounded.

In reconstructing Monday night's killings, police said that Trombino and Brancato were shot by someone from the rear seat of their 1948 green Oldsmobile, bearing a Missouri license plate. Two bullets entered the back of Trombino's head and one killed Brancato.

An autopsy surgeon removed the bullet slugs and said they are in good condition and that ballistics experts can determine the rifling.

CD Firemen Enjoy Outing

Over 80 members of the Civilian Defense Auxiliary Fire department attended the picnic affair held last night at Police Chief Herman Schendel's home. Hot-dogs, hamburgers and corn were roasted at Chief Schendel's fireplace. Don Willis showed moving pictures of the recent Civilian Defense display at Mt. Nebo.

Members wish to thank Chief Schendel for inviting them to use his facilities for the event.

Slate Hearing On Fireworks

Directors to Seek Public Opinion on Proposed Ban in Open Session

A public hearing will be held Tuesday, Sept. 18 on a proposed ordinance that would ban private discharge of fireworks in Manchester. The Board of Directors set the hearing date at its meeting last night.

The fireworks ban was proposed by Director Katherine Bourne and Town Counsel John D. LaBelle was requested to draw up an ordinance for consideration by the directors. The ordinance was presented last night.

Directors Walter Mahoney and Ray S. Warren spoke against the proposed ban, stating that the people should decide whether or not they want to stop fireworks here.

Mahoney was particularly vigorous in his opposition and said the directors shouldn't call a public hearing. The initiative, he claimed, should come from the people and not from the directors. He compared the proposed ordinance with the Sunday sale question in which a petition urging Sunday sale was presented the board.

A fireworks ban, he asserted, would be "interfering with the American way of life . . . I believe people are capable of taking care of their own children." The ordinance would have no teeth, he added, because a child cannot be prosecuted.

Chairman Harold A. Turkington pointed out that the public hearing will give the directors an opportunity to find out what public sentiment is on the issue.

McCarthy to Name Loyalty Probe 29

(Continued from Page One)

will make those names public without my having named them on the Senate floor."

All of the three declined to give him such assurance. A spokesman for the Associated Press said:

"The Associated Press will make no commitment of any kind to Senator McCarthy. The AP's responsibility is to report the news if and when it happens."

Similar attitudes were taken by the United Press and International News Service.

Reporters for the Associated Press, the United Press and International News Service told the Senator any statements he offered would be handled on the same basis as other news, but they would give him no advance commitments.

McCarthy said he had suspected no such assurances as he wanted would be given. He said he recognized the danger of libel suits if names were used without the privilege of Congressional immunity.

A member of Congress cannot be sued for anything he says on the floor of the Senate or House. Also newspapers are entirely free to report what is said there. However, legal action can be brought against a member of Congress for defamatory statements made without this "Congressional immunity" and newspapers can be sued for publishing such statements.

McCarthy said the stand by the AP, UP and INS, "demonstrates how empty and silly is this claim that you shouldn't give statements on the Senate floor under immunity."

McCarthy Case In Committee

(Continued from Page One)

McCarthy; Senator Wherry (Neb.), the GOP leader, and Senator Jenner (R., Ind.).

The committee granted McCarthy "not more than 10 days" to file a minority report. McCarthy said he hopes Wherry and Jenner will join him in that.

Voting to send the report on to the Senate were two Republican Senators, Hendrickson (N. J.) and Margaret Chase Smith (Me.), and these Democrats: Hayden (Ariz.), Gillette (Iowa), Green (R. I.), Clements (Ky.), Monroney (Okla.) Hennings (Mo.) and Benton (Conn.)

Senator Lodge (R., Mass.), remaining committeeman, was not present.

Gillette is chairman of the five-member privileges and elections subcommittee which made the report. Hayden, as chairman of the full committee, turned over to Gillette the resolution by Benton which aims at ousting McCarthy from the Senate.

Gillette told reporters it would be "considerable time" before his group could take any action on the Benton-McCarthy matter. Benton has said he is eager to have public hearings as quickly as possible.

Wherry, as GOP floor leader, has charged the move against McCarthy was inspired by the Democratic National committee to "take the heat" off its own chairman.

The Democratic committee called that "completely untrue."

A Senate expenditures investigating subcommittee voted yesterday to look into charges that William M. Boyle Jr., the Democratic national chairman, had attempted to influence government loans or contracts.

Boyle has denied the charges and said after a White House conference Monday he will remain as chairman until the 1952 party Presidential nominating convention.

Chairman Hoey said the investigating subcommittee would send representatives to St. Louis to collect evidence if necessary. The St. Louis Post-Dispatch has charged Boyle got $8,000 in fees from a printing company which received an RFC loan.

Boyle had said he did legal work for the firm prior to his appointment as party chairman. He denied he exercised any influence in connection with a loan.

Zoning Rules Go in Effect

Commission Announces Regulations to Control Vernon Building

Rockville, Aug. 8—(Special)—The Zoning Commission of the Vernon Fire District which is composed of the following members, James A. Vandervoort, Wallace H. Thrall, William H. Russell, Gordon Gibson and Olar V. Erlandson have announced the following zoning regulations which will become effective August 9, 1951—

Section 1, Districts. There shall be but one zone for the entire Vernon Fire District; Section 2, Existing Uses. Nothing in these regulations shall affect the existing uses of any building or premises as they exist on the effective date of these regulations. The lawful use of a building or premises may be continued although such use does not conform to the provisions of these regulations; Section 3, Minimum Lot Size. The minimum size of any building shall be 13,500 square feet of area, with a minimum lot frontage of ninety feet; Section 4, Minimum House size. No dwelling shall have a ground floor living area of less than 380 square feet—For purposes of this section, living area does not include any private garage, open porch or breezeway.

Section 5, Restriction of Building. No building shall be built within 15 feet of any property line; Section 6, Restriction of Septic Tanks. No septic tank, cess pool or field lateral shall be installed within 75 feet of any well, nor within 15 feet of any property line; Section 7. Validity. Should any section or provision of these regulations be declared by a court of competent jurisdiction to be invalid, such decision shall not affect the validity of these regulations as a whole, nor any part thereof, other than the part so decided to be invalid; Section 8, Interpretation. The provisions of these regulations shall be held to be minimum requirements adopted for the promotion of the public health, safety or general welfare.

Legion Auxiliary

The August meeting of the American Legion Auxiliary will be held this evening at eight o'clock in the G.A.R. Hall. Delegates to the recent Department convention held in Bridgeport will give a report of the activities which took place there and plans will be completed for the installation of the recently elected officers.

Picnic Tonight

Burpee Woman's Relief Corps will hold a picnic this evening at the summer cottage of Mrs. Ida Weber on Tolland avenue. A pot luck supper will be served at six o'clock and members are asked to bring their own dishes.

Plans will be completed for the outing at Ocean beach on Saturday, August 11. The bus will leave the Town hall at 9:30 a. m. Mrs. Leroy Ludwig is in charge of the reservations.

To Present Humorist

The Congregational B'nai Israel will present Emil Cohen, Jewish-American Humorist in a program Thursday evening at the Recreation hall at 54 Talcott avenue. Mr. Cohen appeared most successfully last winter at the Grossinger Dancoast Hotel in Miami, Florida.

Petition Approved

Although it was expected that there might be opposition to the use of the lots at 172-174 Union street for a used car lot by Charles Gill no one appeared at the hearing held by the Motor Vehicle department Tuesday evening. Mayor Frederick Berger was present and Mr. Gill gave a statement in regard to his plans for the use of the land. Following the statement, Edward B. Pratt, chief of the division of dealers and repairers approved the petition. The hearing lasted but five minutes.

Romaco Club

The Romaco Club will meet this evening at eight o'clock with Mr. and Mrs. Albert Miffitt of the Hartford turnpike.

Jobless Rate At Decrease

Hiring of 20 new employes in a local textile firm resulted in local unemployment decreasing by 5.5 per cent here last week. Total unemployed claims filed were 396, including 258 females. Sixty-six were initial claims while 330 were continued.

Plant shutdowns for vacations resulted in a rise of unemployment claims in the state. The total last week was 25,029. Initial claims increased over the previous week.

Layoffs and part time schedules due to lack of work were reported in textiles, needletrades, hats, woolens, machinery, sewing machine parts, tappings, bearings, condensers, plastics and toys.

Vacation shutdowns were reported in chains, electrical appliances, hardware, thermos bottles, brushes and machine tools. Layoffs were reported in metal goods because of material shortage.

29 Local Firms Gird For Defense

Manchester has 29 industries which stand ready to supply the nation with products, parts and pieces it may need in girding for defense, according to information compiled by the State Development Commission. These local firms employ a total of 3,845.

Connecticut has 2,866 of these industries and employ 342,492 people. These firms are spread among 127 of the state's 169 towns. Figures for other cities in this area are: Hartford, 230 firms employing 26,110; Glastonbury, 12 and 437; East Hartford, 36 and 23,105; and East Windsor, four and 525.

The biggest number of manufacturers able and anxious to help with the defense job are located in Fairfield County although those in Hartford County have the greatest number of employees. New Haven County is second both in the number of plants and employees.

Its figures, the development agency said, are based on industrial listings in the "Register of War Production Facilities in Connecticut" which it recently compiled. The 346-page volume is already in use by armed forces procurement agencies and many prime contractors in the northeast. It is aimed primarily at aiding small plants to get defense contracts.

The commission pointed out that as of the end of April industries in the state had been awarded $968,965,000 in prime contracts or 5.7 per cent of the nation's total. This put Connecticut fifth among the states, with only New York, California, Michigan and Ohio having greater amounts of defense work. In March, Connecticut was in sixth place but went ahead of Illinois a month later.

Warning Test Friday Night

Statewide Air Raid Alarm to Be Sounded At 7 p. m. Aug. 10

Hartford, August 8—Willis H. Romer, Chief of Air Warning Service for the State Office of Civil Defense, announced today that Connecticut will hold its third statewide air raid warning test on Friday, August 10 at 7 p. m.

This will be the statewide tests held during April and June were successful in achieving their purposes.

The main purpose for this test is to keep the public familiar with the Air Raid Warning audible signals but some local directors may take advantage of the test to determine the adequacy of sirens, horns or whistles installed since the last test, or to conduct Local Civil Defense exercises.

All local Directors of Civil Defense have arranged to have the "Red Alert" sounded in their area at 7:00 p. m. Eastern Daylight Saving Time, on Friday, August 10, 1951. The "White" or "All Clear" will be sounded in each town at a time chosen by the local Director of Civil Defense.

So that there will be no misunderstanding of what the "Red Alert" audible signal and the "White" or "All Clear" audible signal consists of, the following is a report of the official bulletin on the national civil air raid warning audible signals:

"Red Alert—The public warning signal of an impending air raid will consist of fluctuating or warning sounds of varying pitch by sirens, or a series of short blasts by horns, whistles or bells, for three minutes duration.

"White or All Clear—The All Clear will be a series of three steady one-minute blasts by sirens, horns, whistles or bells, interrupted by silent periods of two minutes each."

Directors Plan Joint Meeting

A joint meeting of the Town Planning Commission, Zoning Board of Appeals, Development Commission and the Board of Directors will be held on Sept. 11 to discuss the several capital improvements recommended by the planning commission, the directors decided last night.

The presence of the various bodies will facilitate the discussion, it was decided. Director Katherine Bourn said that all interested groups should attend or have representatives attend the meeting.

Elect Pagani 8th's Director

Swamps Hibbard in Special Election Last Night By 5 to 1 Majority

The contest for director in the Eighth School District brought out a record attendance of 213 votes at the special meeting held at the Hollister Street school last night. Dante Pagani was elected over Walter Hibbard by one of the most decisive victories in the district in many years. The tally was Pagani 170, Hibbard 34—necessary votes to elect 107, giving Mr. Pagani 72 votes more than the two-thirds necessary to elect and, over a 5 to 1 majority.

The meeting was called to order at 7:30 by President Ray Warren, and Judge Raymond A. Johnson was nominated by Leon A. Thorp to be moderator of the meeting. His choice was unanimous.

Judge Johnson read the call for the meeting and proceeded to call for nominations. Pagani, the successful candidate was nominated by George H. Hibbard was nominated by Howard Smith.

Carriages with bodies suspended on straps appeared in Europe early in the 1400s.

Refuses Boyce Move to Quit

Hathaway Reprimanded By Mayor Turkington For Publicity Method

The Board of Directors last night refused to accept the resignation of Robert J. Boyce from the Manchester Housing authority and gave him a vote of confidence which, in effect, was a slap on the wrist to Director Boyce.

The directors also tabled action on a letter from Fred T. Hilsh, Jr., in which he rejected the reappointment to the authority.

Boyce's resignation followed a charge by Director Hathaway that he former has not attended a meeting of the housing authority since last October. Hathaway had he matter placed on the agenda of last night's meeting for discussion. Boyce, who is secretary of the Manchester Savings and Loan Association, said his absence was due to business duties.

The wrist-slapping took more concrete form when Director Harold A. Turkington, chairman, criticized the method by which Hathaway had handled the matter, pointing out that many leading citizens are giving considerable time to non-paying jobs for the town. Turkington said the information concerning Boyce's non-attendance at meetings could have been obtained without subjecting him to "newspaper critiquism."

Mentioned Previously

Hathaway answered that he had mentioned the matter of non-attendance on the authority at a meeting four weeks ago and that he brought the matter up again when Boyce continued to be absent from meetings. He pointed out that he had not questioned Boyce's ability but whether the latter was able to do a good job while not attending meetings.

Turkington stated that Boyce "may be persuaded to continue" in the housing post if the board didn't accept his resignation.

Secretary John H. Lappen read two letters from Boyce. One was dated July 23, and contained Boyce's resignation because it is "almost impossible for me to attend" regular meetings. He expresses appreciation for the "honor bestowed upon me."

In a second letter, dated Aug. 7, Boyce deals further with his absence from the monthly meetings. He notes that the "absence has not been caused because of lack of interest but rather to my business duties which have required my attention especially during the first week of the month. I had hoped that this situation would have ended before this, if not I would have resigned some time ago." (Meetings are held the first Monday of each month.)

Duty Not Shirked

He adds that "my absence from the regular meetings of the board has not in any way affected the operation of the authority as far as the interests of the Town of Manchester are concerned." He states that "I have not shirked my duty to the extent that some of the insinuations might indicate."

At the outset of the discussion, Director T. J. Crockett expressed reluctance to accept the resignation because the "Housing Authority needs a man of Boyce's ability. He lauded Boyce's work on the authority, as did several other directors. Walter Mahoney said Boyce had requested a change in the meeting night of the housing group but that no action was taken because the members felt his efficiency as a member of the authority was not hurt by non-attendance.

The "vote of confidence" motion carried 8-1 with Hathaway opposed.

In regard to Blish, Director Ray S. Warren suggested that "we find out why he has changed his mind before we accept his resignation."

JOBLESS CLAIMS UP

Hartford, Aug. (AP)—An increase in claims for unemployment compensation has been reported by the State Labor department, which attributed most of the rise to vacation shutdowns in factories. Claims on file last week totaled 25,029, against 21,515 in the preceding week.

Unbelievably, Controversy

Whatever happened at West Point was actually less damaging to this nation than what has followed.

What has followed is that the matter has become a national controversy.

Unbelievably, there is argument about whether or not punishment of the offenders is justified.

Unbelievably, the culprits are being, defended and the disciplinary processes themselves attacked.

Unbelievably, it appears that there are two sides to the question.

All this is even more alarming than the violation of the West Point honor system.

If that violation had been discovered, and punished, and the nation had exhibited one sentiment toward it, the code itself would have been preserved. The best cure for such a thing is honest shame, on all hands.

But what this nation is now revealing to itself is that it is divided on the question of whether it really cares that the code has been violated, divided on the question of whether it should feel shame, divided on the morality involved, divided on whether or not the guilty should be punished. If we seem united on any one thing, that seems to be in our fear that football might be lost to West Point.

Football? What is football, when a code of honor lies trampled? The question of whether or not football will continue at West Point is, to be honest about it, the least important of all the questions raised by the matter. The important thing is whether or not there is going to be honesty at West Point. The important thing is whether or not there is going to be some respect for moral standards in the nation as a whole.

There was a time, and not so long ago, when the emergence of such a scandal at West Point would have found this nation with its head bowed in shame and sorrow. There would have been shame and sorrow—but no argument, no controversy, no flood of alibis, no cheap attempt to turn the guilty into heroes, no questioning of the moral right or wrong involved.

What happened at West Point told us something regrettable about a certain number of cadets. The public sequel is telling us something equally disillusioning and tragic about the nation as a whole.

There is no legitimate controversy. There is only right and wrong. If to say that seems harsh and brutal, we can only say that in a better American time it would have sounded only just.

Ridgway's War of Nerves

Those who live in perpetual fear that the Communists will outbluff, out-maneuver, out-grab us in any negotiations with them can take good cheer from the conduct of General Ridgway in the Korea negotiations. He is conducting a war of nerves which is a brilliant imitation of the tactics we normally fear from the Communists. Those who think that such methods can lead to no good end, even when they seem the perfect response to Communist tactics, may be somewhat uneasy and worried. We may over-play the strategy involved.

In the negotiations at Kaesong, General Ridgway is assuming that the way to beat the Communist game is to excel in it himself. No war of nerves the Communists ever launched has anything on the war of nerves he is waging. No Communist talent for trying to transform one concession into another, for trying to expand an inch into a mile, for pressuring one sign of weakness or conciliation into additional dividends, could show much to Ridgway. The more the Communists yield, the tougher he becomes. He is fierce and swift in pouncing on the slightest advantage that comes his way.

If there is any one off balance, puzzled, disconcerted, demoralized in the Korean negotiations, it is not our side. It is the Communists, who usually like and aim to have us in such a mental condition.

Such toughness, like all toughness, carries its peril. The peril is that it may become intoxicated with itself, and assume that it can press on without limits of any kind. In short, it could wreck the negotiations themselves, just as Communist tactics of a similar nature have ruined past efforts at negotiation on many world problems. The war of nerves could be pressed to the point where it would leave only the battle of guns and blood holding the stage. It takes a fine hand to know when the danger point has been reached, and some slight relaxation of pressure is needed. And the object in the Korean negotiations is not primarily to give the Communists a big dose of their own medicine; it is to achieve peace. General Ridgway's application of pressure has been fascinating to watch; his own poise and talent for keeping the Communists psychologically off balance has been remarkable; still, one hopes he knows how to turn off the heat in time to save the omelette.

A Special Appeal

Out in Kansas the other day, a man took a shot at a Red Cross worker. Because his flood-battered family had received only springs and mattresses to sleep on—no bedsteads.

Thursday, Friday and Saturday the people of Manchester will, we hope, give the Red Cross something of a boost, a pat on the back, and a little special financial assistance, in recognition of the fact that it was able to get some kind of sleeping accommodation to a Kansas family so quickly, and in preparation for Red Cross work still to be done in the four-state flood area.

Some 200,000 people have been left homeless by the floods. The first task, now accomplished, has been to find them temporary, emergency accommodations. The next task, a harder and longer task, is to help them in the business of rehabilitating themselves permanently. They have to re-establish places to live.

That task, together with the emergency work already done, has imposed a special expense on the Red Cross national budget, which needs to be met, as the Red Cross hopes it will be met, in the first nation-wide emergency fund drive since the New England hurricane of 1938.

If you can spare something for this work, send your donation to the Red Cross, 953 Main street, Manchester.

A Lazy-Susan Climate

The Connecticut climate, as we keep saying, gets better and better every year. Each new season brings some new argument as to why it is foolish ever to leave Connecticut.

In the winter, our traditional loss is to Florida. But, for several seasons past, our Connecticut winter has provided its touches of weather so warm that any one who takes off for Florida takes off behind a blush.

It used to be that, in the summer, quite the other way, there would be some loss of Connecticut population to some bay in Maine. But, of late, the Connecticut climate has taken to spicing up its summers with a bracing touch of Maine. Do you like to need heavy blankets? Do you like to step out into a morning which borders on frost? Do you appreciate chilly evenings and noons in which the full August sun is welcome? If you do, no need to go to Maine. Connecticut has them too. And then, without your moving a suitcase or a muscle, Connecticut will transport you out of the Maine-like summer back to its own good August heat.

What formula offers more delight for less trouble than this for the best in all kinds of summer, just stay put in Connecticut!

Slate Meeting On Insurance

The town's Insurance committee will meet with the Board of Directors on Sept. 4 to discuss the possibility of insuring the town's insurance on a bid basis.

General Manager George H. Waddell told the directors last night that he has received an answer from officials in Berkley, Calif., in regard to their letting of insurance on a bid basis.

Director Melvin Hathaway has suggested that Manchester consider having its insurance handled by bids in that savings might be made and efficiency increased.

Russia Press Airs Friendship Notes

(Continued from Page One)

were striving to "confuse peoples with lies and to deceive them."

There never was much expectation that the United States would accept the idea of a peace pact which included the Communist Chinese.

Reports Rejection

However, with rejection of the proposal, the Soviet press may be expected to go to work on this vigorously and to tell the Soviet peoples that such rejection came out any expressions of American friendship for the Soviets. It would be difficult for the West in this case to counter this impression among the Russians. The West, although it sometimes does not seem to realize it, has little opportunity to influence public opinion in the Soviet Union.

The fact that the Soviet Press and radio published the exchange should not have been a surprise. The Soviets eventually will publish almost any kind of statement or proposal from the West if they are sure they can get publication of their answer abroad.

Every newspaper in Moscow—even the Teachers Gazette—gave over its whole second page to the full texts of the letter President Truman sent to Soviet President Nikolai Shvernik a month ago, the accompanying U. S. Congressional "friendship resolution," along with Shvernik's reply two days ago proposing a five-power peace pact. The second page of Soviet papers is reserved for foreign news.

Thirsting For War

"International reaction, thirsting for new war, strives to unite reactionary governments in order to confuse peoples with lies and deceive them," Izvestia commented in a separate editorial.

"They seek to present their aggressive policy as peaceful," said Izvestia, "and the peaceful policy of the U.S.S.R. and other peace loving countries as aggressive."

Publication of the exchange of messages followed broadcasts of their texts over Moscow radio last night. They were handled in much the same manner as were the critical comments by British Foreign Secretary Herbert Morrison and Pravda's rebuttal less than a week ago.

President Truman's letter, sent July 7, was addressed to Shvernik, who is chairman of the Presidium of the Supreme Soviet—a small group authorized to act for the Soviet parliament when it is not in session.

Connecticut Sponsors

Along with it went a resolution sponsored by Sen. Brien McMahon and Rep. Abraham A. Ribicoff, Connecticut Democrats, requesting the Soviet government to tell the Russian people that Americans "desire to live in friendship with all peoples."

Publication of the American messages was held up until Shvernik's reply was delivered Monday with a Soviet Presidium resolution proclaiming Russia's dedication to world peace.

Pravda, the Communist party organ, commented that the "Soviet government has never placed any barriers on friendly relations between the Soviet people and other people."

In their separate editorial comments on the exchange, neither Pravda nor Izvestia mentioned Mr. Truman or Mr. Shvernik or the resolutions of the two governments by name. But they both dealt with the general subjects covered by the messages and resolutions.

President Shvernik revived Russia's two-year-old proposal that the U. S., Britain, France, the Soviet Union and Communist China agree on a peace pact aimed at limiting world armament and prohibiting the manufacture of atomic weapons.

Through the broadcast last night and the publication today, it was virtually assured that nearly every adult among Russia's 200,000,000 people will have a chance to acquaint himself with President Truman's message pleading for removal of artificial barriers between the American and Russian people.

Roosevelt Mills Given Contract

New York, Aug. 8—A contract in connection with the defense program has been awarded to the Roosevelt Mills, Inc., knitting mills division, of Adams and Hilliard streets, Manchester, according to an announcement today by the Department of Defense.

The contract calls for the manufacture of high-neck sweaters for use as uniforms by the armed services. The contract was issued through the Navy Purchasing Office in New York.

Details as to the number of sweaters ordered were not furnished by the navy agency, which purchases most of the non-weapon articles used by the Navy and Marine Corps, through negotiated and low-bid contracts.

$281,068 ESTATE

New Haven, Aug. 8—(AP)—An estate of $281,068.87 was left by Dr. Lewis Thorne, 42-year-old New York psychiatrist who was shot to death October 8, 1950, in his home in Old Orchard road, North Haven, according to probate court records.

Theodore A. Trent-Lyon, 27, formerly of 94 Howe street, accused of Dr. Thorne's murder, is confined to the State hospital in Middletown for an indefinite period. He was committed last November by Superior Court Judge Thomas J. Malloy on recommendation of three court-appointed psychiatrists.

Chewing Wrigley's Spearmint Gum Freshens The Taste

When the mouth feels dry or the taste is stale, there's nothing more refreshing than a stick of delicious Wrigley's Spearmint Gum. Its lively, cooling, real spearmint flavor cools the mouth, freshens the taste and sweetens the breath. That is one reason Wrigley's Spearmint Chewing Gum has been a New England favorite for generations.

It is made by the Wrigley people, who pioneered the development of high quality chewing gum. Remember, too, Wrigley's Spearmint Gum is a thrifty treat. You get a package of five long-lasting sticks for a very small cost. Be sure to get the original Wrigley's Spearmint Chewing Gum. Look for the green spear on the package.

ipser Club Plans Picnic In Bolton

The Zipser club will hold its final picnic of the season on Sunday, August 26, at Sperry pond, Bolton. Music will be furnished by Ernest Gerghasky's Hartford orchestra, and a double male quartet from the Hartford Leiderkranz will sing. Transportation will be provided to and from the picnic grounds for those desiring it, and everyone is welcome.

At the monthly meeting of the club, August 8, it was voted to include the women at the yearly outing, the date of which is September 2 and the place, the Garden Grove. All members who intend to bring their wives should contact the steward of the club, Ernest F. Jacobs, at the clubhouse, 35 Brainard Place. The committee consists of John Adams, chairman; Chris Bauer, Frank Stahl, George Pallein, Otto Thier, Bill Kley, John Sibrins, Sr., and John Sibrins, Jr.

Miss Goodstine Given Shower

Miss Sylvia Goodstine, of 50 Holl street, was recently guest of honor at a miscellaneous shower given by her mother, Mrs. Israel Goodstine, and her sister in law, Mrs. Herman Goodstine, at the home of the latter, 94 Hamlin street. About forty guests were present.

The table was beautifully decorated with gladiolus by a cousin of Mrs. Herman Goodstine, Mrs. Irving Yoffa from Boston. A buffet luncheon was served, and the bride-to-be received many lovely gifts.

Miss Goodstine and Norman Hornstein of Brooklyn, N. Y., will be married on September 2.

peratures that have reached as high as 116 degrees.

The high temperature yesterday was 109 at Presidio in south Texas.

Dallas reported its 12th heat victim. During the current heat fatality. Houston has had three heat deaths and six more persons there were hospitalized.

Dallas city officials declared a water emergency and asked an end to sprinkling of lawns and water wastage. Police cars patrolled residential neighborhoods to stop lawn watering.

Fort Worth residents were asked to stop night watering of lawns to allow water reservoirs to refill.

Central Texas farms appeared hard hit from heat. McLennan County expects its shortest cotton crop since 1925, the last record-breaking drouth year.

Harris County, on the coast, reported great losses in pasture lands. Rangeland burned badly in the Pandhandle section.

At a terrace re-building demonstration near Marshall in East Texas it was found there was no moisture in the ground to a depth of 12 inches.

At Electra, in north central Texas where temperatures have been the highest, farmers said the extreme heat helped kill cotton insects—but the plants suffered also.

In Tom Green county of west Texas the cotton crop loss was estimated as high as six million bales. The situation was the same in Scurry county.

Livestock fared better in the heat, although many head are being shipped to greener pastures.

Besides inventing the telephone, Alexander Graham Bell perfected a form of wireless telephone using light waves.

Directors Approve State School Grant

A $123,000 state grant for the Bowers school was approved last night by the Board of Directors.

General Manager George H. Waddell said the money will be paid in 20 annual payments of $6,150, beginning on Oct. 1.

In other action, the report of the Salary committee was placed on the agenda for the next meeting. Director Walter Mahoney, chairman of the committee, said a final report should be ready at that time.

The feasibility of a salary raise for some and-or all town employees is being considered by the committee. Serving with Mahoney are Directors Ray S. Warren, John H. Lappen and Alden E. Bailey.

that I have feared this return of Fascism."

The vote followed week-long debate in both Senate and Chamber of Deputies on the Premier's new cabinet and the program he presented.

In it, De Gasperi affirmed that the government would continue to support the Atlantic pact, push agrarian and other social reforms, continue to defend the buying power of the lire and continue to oppose totalitarianism.

The Chamber of Deputies, where Christian Democrats hold 303 of the 570 seats, will vote on the government tomorrow and is expected to give it a bigger majority than did the Senate.

Strike Threatens Output of Copper

(Continued from Page One)

national Union of Mine, Mill and Smelter Workers.

Headquarters of this union in Denver announced on Monday an 85 per cent rank and file approval of strike action against the big four and some smaller firms.

The IUMMSW yesterday set a wage policy committee meeting for Aug. 15 and said discussions would include strike plans.

Union spokesmen here indicated both organizations would act in concert on the proposed strike. IUMMSW officials were unavailable for comment.

H. B. Douglas of the Metal Trades Council said the union hopes to set the strike date sooner than Aug. 20 if it can be worked out.

Douglas estimated 100,00 men would be idled by the AFL walkout.

Negotiations between the union and management have been underway since contracts lapsed July 1.

Union demands, released only Monday, call for more equalized wages involving: the doubling of present shift differentials of four, six and eight cents an hour, a uniform eight-hour day, plus broadening of insurance and welfare programs.

Industry officials say the union form eight-hour day demand amounts to paying the men for their lunch period.

Properties which would be affected by the strike include:

Kennecott—plants in Bingham, Utah; Ruth and McGill, Nev., and Santa Rita and Hurley, N. Mex.

Anaconda—Butte, Mont.; the Tintic district Utah County, Utah; Tooele, Utah, and Great Falls, Mont.

Phelps-Dodge—the Bisbee and Douglas areas of Arizona. American Smelting and Refining—the Garfield smelter in Utah, recently struck by CIO United Steelworkers and reopened on Presidential request pending the outcome of negotiations.

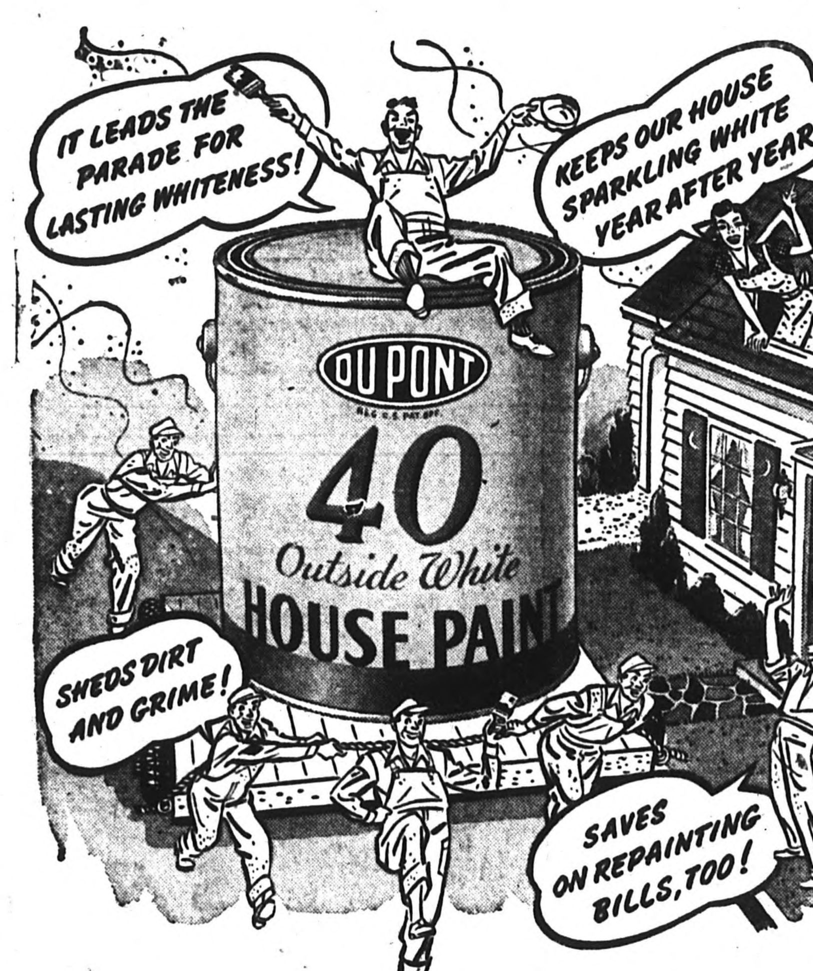
White at the start... and it stays white!
DU PONT HOUSE PAINT CLEANS ITSELF!



Dazzling white . . . year after year! That's how *your* house will look when you paint with Du Pont House Paint. It actually *cleans itself* . . . sheds dirt and dust with every heavy rain! Normally, this "Self-cleaning" process starts within a few months. However, excessive soot or heavy shade, or stains from metal surfaces such as copper screening, may interfere with or delay this process.

Treat *your* house to this long-lasting beauty.

Specify "Self-cleaning" Du Pont House Paint in white or popular tints. Your Du Pont dealer or painter will be glad to tell you how the "Self-cleaning" process works in your area. And where the surface is new wood or badly weathered paint, start with a coat of Du Pont House Paint Primer. It assures maximum adhesion of the finish coat.

Save the Surface and You Save All!

MAGNIFIED CROSS-SECTION SHOWS SELF-CLEANING PROCESS

1. All paints collect dust and dirt during the first few months.
2. With Du Pont House Paint, a fine white powder forms after a few months on surfaces exposed to sun and weather.
3. Rains wash off this powder—and with it, much of the accumulated dirt and grime.
4. Self-cleaning leaves surface clean and white . . . keeps it sparkling white for years. This cleaning process is gradual and does not adversely affect the long life of the paint.

Charge UN Is Stalling Truce Talk

(Continued from Page One)

negotiations would have to come from General Ridgway, even if Red leaders accept his terms.

The U. N. commander broke off talks after a company of armed Reds marched through the neutral zone. Top Red commanders said it was an accident.

Charge U. S. Violation

In his Tuesday message Ridgway demanded that the Communists promise not to allow any more of their armed soldiers to enter the neutral area. This zone extends in a five mile radius from the Kaesong site of armistice negotiations.

Up to the time U. N. negotiators returned to their advance camp, the Red radios in Peiping and Pyongyang had not mentioned the Ridgway message.

Instead, they accused American troops of violating the neutral zone.

Nuckols said Gen. Nam Il had made such a charge in armistice negotiations. Nuckols said liaison officers discussed the charge and it is subsequently investigated.

He said he did not know the result of the investigation.

Red radios accused U. N. troops of violating the neutral zone July 16 by attacks on Panmuchon, which they said was in the neutrality area. Allied maps show the town is six miles east of Kaesong, outside the zone.

Protest UN Planes

Communist broadcasts also protested UN war planes flew over the zone and warships bombarded Red "positions daily just beyond the neutral zone."

The broadcasts said UN action in breaking off negotiations was "exaggeration of a trifle" and proved the Communist contention Americans "deliberately intend to stall the talks."

The return of American cease-fire negotiators to Korea was an indication of conditional Allied readiness to resume cease-fire discussions.

U. S. Army engineers were rebuilding a washed out pontoon bridge across the Imjin river, used by U.N. convoys going to Kaesong. They expected to have it ready Thursday.

Four Details

General Nuckols said at least four, time-consuming details stand in the way of reopening armistice negotiations. They are:

1. The Red reply to General Ridgway.
2. Ridgway's instructions to his delegation to contact North Korean General Nam Il.
3. Actual contact of Nam by the delegation.
4. Acknowledgment by Nam.

The top Red commanders—North Korean Gen. Kum Il Sung and Chinese Gen. Peng Teh-huai—usually choose the early morning hours for the replies to U.N. communications. (This is roughly from 10 a.m. to 2 p.m. EST.)

A favorable reply Thursday would make it possible to resume talks Friday, exactly a month after negotiating teams first met.

German Reds Storm Border

(Continued from Page One)

Sponsors of the rally, to be held tomorrow night in West Berlin's biggest theater, extended special invitations to the Iron Curtain youth at the Communist festival across the sector border.

Tens of thousands of these youths have been defying Red police road blockades and the threat of arrest, and have been visiting West Berlin. The Red festival opened Sunday.

West Berlin authorities reported that 177 had formally asked for asylum in the West. Of these, 23 have been tentatively accepted. The western policy is to turn them back unless they can prove it is dangerous for them to return home. Hard-pressed Berlin is already overburdened with the normal flow of refugees from the east, and so is Allied West Germany.

In East Berlin the Communists tried hard to keep their two-week show going at a lively clip for the half million youngsters they had brought in.

They had a program of sports, dances, circuses and street shows.

But there still were thousands of the blue-shirted East German youth shuffling aimlessly about. And, more and more, they sneaked into Allied West Berlin for a look at something better.

2,000 Stranded

Vienna, Austria, Aug. 8—(AP)—French occupation authorities today left it up to the Austrian government how to send home 2,000 French and British Communist youths stranded in the French zone on their way to the Red Youth festival in Berlin.

The French decided against expelling the youths from Austria by force. They cut off their food and shelter and turned the matter over to Austrian jurisdiction. Austria would be within her rights to deport the youths since their three-day transit visas have expired

Obituary

Deaths

Philip E. Libbey

Mrs. Lila B. Hellenbrand of 13 Fulton Road was called to Whitefield, N. H., Saturday by the sudden death of her brother, Philip E. Libbey, a World War I veteran. The American Legion of Whitefield conducted the funeral service with full military honors.

He was a resident of Albany, N. Y., for several years, while employed as an engineer on the Grand Trunk railroad. He leaves two children and two granddaughters in Albany, and a son in Virginia who is with the Marines.

Mr. Libbey will be remembered by a number of Manchester people. He lived in the Odd Fellows building and was employed by the late Pierre Reese and G. E. Willis & Son, Inc.

June Building Report Made

Building permits for 30 dwellings at a total estimated cost of $360,675 were issued during June by the office of Building Inspector David Chambers, according to the monthly report submitted today to General Manager George H. Waddell. The bulk of the homes fell in the $11,000 to $12,000 category, and 11 of the permits were issued Green Manor Estates, Inc.

The report shows seven garage permits issued at a total estimated cost of $6,900, and 50 for alterations and additions totaling $48,785. Miscellaneous permits came to $26,850, bringing total building activity for July to $443,210.

In addition, 99 electrical permits, 57 plumbing, 85 heating and 88 oil burner permits were issued along with 55 certificates of occupancy.

Blaik Says Point Sought Gridders

(Continued from Page One)

an extent as to give an entirely erroneous impression.

"The facts in the case are these. Some months ago I received a letter from Duncan stating his interest in entering West Point. Upon investigation I found that he was a very high type of boy who was outstanding as an athlete and a leader in his school. . . .

"In order for high school boys such as Duncan to have a fair chance of passing the Academy's stiff entrance examination . . . it is necessary for them to take at least a short cram course prior to the date of the examination.

Possibility that fewer cadets would be dismissed than the 90 originally accused of cheating became clear yesterday as Senate investigators in Washington decided to keep hands off the case, at least for the present.

May Clear Some

Col. James B. Leer, the academy's public information officer, said that the screening board now in session might clear some of the 80 admitting cribbing.

It was explained that the screening board might find new explanations or extenuating circumstances that will acquit the cadets, although they admitted their guilt to an original special board that recommended the dismissals.

For those cadets not admitting cheating, the Department of the Army said in Washington that the academy superintendent would have to decide whether they were to be discharged administratively or be given courts martial.

Will Weigh Evidence

Maj. Gen., Frederick A. Irving, superintendent of the academy, indicated that the method finally used would depend on the evidence on hand.

If guilt is not established, he said, the charges will be dropped.

Irving held a news conference yesterday, setting at 80 the number of the accused cadets who have admitted their guilt. He also said that 29 cadets, in addition to the accused 90 had been investigated but were not charged, because of insufficient evidence.

The superintendent denied allegations by the cadets that they had been coerced into admitting their guilt. But a "committee of cadets concerned" promptly reiterated that "threats and intimidation" were used in the two-month probe.

In an unsigned statement, the cadets said they would be willing "to testify under oath in a closed session to the above stated facts."

Whether they referred to a Congressional inquiry was not clear. But in Washington several senators agreed there is little or nothing to investigate at "the Point."

Blaik said that 75 per cent of the cadets at West Point either have previous college training or else have had special cram courses which are a legitimate means of prepping for the academy.

Boys who come directly from high school, he went on, unless they are exceptionally brilliant have little chance of getting into West Point without some academic assistance.

Blaik said not all the 24 boys who were here this spring were potential football players. One specialized in hockey, he said, and one was a baseball player.

THE WILROSE SHOP in its very attractively designed new shop at 601 Main street, is showing a fascinating collection of FALL SUITS AND FALL COTTONS, which are the "must" type for college—and an asset to any wardrobe. Wool suits have sleek lines and new details in a variety of colors. There are unlined suits—so nice to wear as a dress in winter—of the smart small checks. The autumn cottons are in large or small plaids with exceptionally nice rich deep colors, accented with white or solid color collars. It's a pleasure to shop in such pleasant surroundings with the same friendly interest one has always found from Wilrose personnel.

NYLON PARACHUTE CLOTH in thirty-six inch width is an exceptional buy, while it lasts, at Cheney's. Slight irregularities can be easily avoided in making curtains or blouses of the shimmering fabric, available in plain white or in a white checked weave at only $.50 a yard at the CHENEY BROTHERS REMNANT SALESROOM.

For Sunday night supper serve cold salmon loaf with crisp potato sticks and creamed spinach. Add candied dill sticks as a zesty touch if you like.

A BIRTHSTONE RING is the appropriate birthday gift, and there are particularly handsome examples at MATHER'S AT THE CENTER. The tawny sardonyx for August-born gentlemen appears in a strikingly masculine setting. For August ladies, the delicate, greenish peridot sparkles in variously charmingly designed settings for children, misses, and grown-ups.

PLASTIC CURTAINS IN COTTAGE STYLE for a gay appearance and easy cleaning are reduced from the regular $1.49 to just $.79 a pair at the PARIS CURTAIN SHOP, 829 Main street, in red, blue, green or yellow accents.

The "ISLANDER" UKELELE, made popular by Arthur Godfrey on television, is available at a very special price at KEMP'S INC., 763 Main street. Having a uke makes a success of a gathering at home, on the beach, or at a party. And it's so easy to learn to play it. The price of only $5.98 includes an instruction book and Chord Master, plus a biography of Godfrey.

Squash Gourmet
(6 servings)

Three cups mashed squash or 2 packages quick-frozen squash, 2 eggs, slightly beaten, 1-2 cup thick sour cream, 1 1-2 teaspoons salt, 1-4 teaspoon pepper, 3-oz. can chopped broiled mushrooms.

Place squash in mixing bowl. Add eggs, sour cream, salt and pepper. Drain and add mushrooms, reserving broth for use in soup or gravy. Whip smooth with kitchen fork. Pour into greased 2-quart baking dish. Bake in moderate oven, 350 degrees F., until dry in center, about 1 1-2 hours.

Simple-To-Sew Slippers

2889

By Mrs. Anne Cabot

These comfortable slippers may be completed in just a couple of evenings. Trim them with fake pearls or novelty buttons, they are grand with the "stay at home lounging wardrobe."

Pattern No. 2889 contains tracing pattern for small, medium and large sizes; material requirements and complete making and finishing directions.

Send 25c in Coins, your name, address and the Pattern Number to Anne Cabot, The Manchester Evening Herald, 1150 Ave. Americas, New York 19, N. Y.

Needlework Fans—Anne Cabot's Big Album is here. Dozens of fascinating designs, gifts, decorations and special features .... Plus 4 gift patterns and directions. 25 cents.

STICK COLOGNES BY SHULTON are most attractively encased in white plastic tracery over color in the nice purse size selling for $1.00, plus tax, at the WELDON DRUG COMPANY. Fragrances include the delightful Old Spice, Dessert Flower, and Friendship Garden.

Do you wear your fluffy ruffles and mules in the kitchen? The fluffy ruffles may get caught on handles. The mules may trip you while you are carrying knives or kettles of hot water or grease.

TRAVEL-WISE ALARM CLOCKS, as shown at the DEWEY-RICHMAN COMPANY, 767 Main Street, are extremely convenient to own or to use as gifts for anyone who moves about or for a young person off to school. Made by reliable Westclox, the clock sits up handsomely or slides shut for safe, compact packing. It's $8.94, including federal tax, in ivory or mahogany finish.

BARGAINS IN TOILETRIES are practically always to be found at the PINE PHARMACY, 664 Center Street. Present examples include a free vial of Shakti with each bottle of Coty's cologne at $1.05; a free boudoir box for bobby pins with each set of useful deodorant pads at $.59; and a free nylon-bristle tooth brush with a tube of Pepsodent tooth paste.

"EASY-OFF" OVEN CLEANER does some dirty jobs for you with a big saving of effort. Just spread it with brush or cloth on begrimed oven, racks, or burners and let the harmless chemicals work for a couple of hours. Then wash it off with warm water. Good for iron, steel or porcelain enamel. Easy-Off costs $.98 at the JOHNSON PAINT COMPANY, 699 Main Street.

Very handsome floors in any of a great variety of color schemes are available from the huge stock of TOP-GRADE LINOLEUMS, ASPHALT TILE, and PLASTIC FLOOR COVERINGS which are displayed at the MANCHESTER FLOOR COVERING COMPANY at 721 Main Street. It's easy to express real individuality in styles of any period with the right floor for a particular purpose. Expert advice on the best choice and the personal supervision of the thoroughly experienced manager, Mr. Geyer, is yours for the asking. For the handy man who wants to lay his own, there are self-installing asphalt tiles, with complete instructions and tools, at $.07 a tile.

Iron your lingerie, except cotton, on the wrong side. Do the straps first, then the bodice and skirt of your slip, ironing with the straight of the fabric from the hemline up. Lace inserts and monograms stand up best when pressed over thick padding on the wrong side.

Lovely GIFTS OF SILVER are always available at MATHER'S AT THE CENTER. There are all sizes of trays, plates, and bowls for elegant hospitality; ashtrays, urns and silent butlers for good-looking smoking accessories; gorgeous flatware made by famous International, Wallace or Heirloom to make a distinctive table setting. Whatever one's budget, one can find silver to give lasting pleasure.

SMART ANKLETS are bargain-priced at Cheney's just now because not all sizes are available in every type and because the socks have slight irregularities—which do not impair their looks nor their wearing qualities. There's a wide variety of materials and colors—something at least for every taste. Regularly a $.59 quality, they are $.45 a pair or three pairs for $1.25 at the CHENEY BROTHERS REMNANT SALESROOM.

If your skin is marred by enlarged pores or blemishes, you might try a pantry beauty hint.

Mix one teaspoon of baking soda in one cup of warm water. Then, after your nightly face cleansing, dampen cotton squares with this solution and pat over troubled areas. Leave it on overnight to neutralize skin acids and soothe the skin.

For School Days Ahead

8748
6-14 yrs.

By Sue Burnett

It's sure to be a classroom favorite with young girls who like something pretty for school days. This simple style has dainty ruffling around the square neck, tiny buttons for the front closing.

Pattern No. 8748 is a sew-rite perforated pattern in sizes 6, 8, 10, 12 and 14 years, Size 8, 2½ yards of 39-inch; 1 yard machine made ruffling.

For this pattern send 30c in coins, your name, address, size desired, and the pattern number to Sue Burnett, The Manchester Evening Herald, 1150 Ave. Americas, New York 19, N. Y.

Send 25 cents today for the Fall and Winter Fashion. 48 pages of smart, easy to sew styles; interesting features; fashion news. Gift patterns printed inside the book.

WINTER COATS TO DELIGHT FEMININE TASTES at all ages are in stock at the MONTGOMERY WARD COMPANY—and subject to the Lay Away Plan of $1.00 down payment to hold the coat until fall. Nicely made coats for children, at $12.98 to $16.98, and for 'teenagers, at $16.98 to $24.75, include tweeds, warm checks, and solid colors of 100% wool. Many have zip-out linings and some are trimmed with simulated fur. The warm and useful storm coat in sizes 10 to 20, comes in a short length at $19.50 and full length at $25.00 to $39.98. They are cosily lined with alpaca and trimmed with handsome mouton collars in brown or gray. The smooth coat fabric comes in wine, green, gray and navy.

Quick Chocolate Cake-Pudding

Ingredients: 1-2 cup brown sugar (firmly packed), 1-2 cup white sugar, 1-4 cup cocoa, one 1-pound package devil's food cake mix, milk, 1 cup cold water.

Method: Stir sugars and cocoa together well in small bowl; set aside. Prepare cake batter according to directions on package, using 1-4 cup less milk than recipe calls for; turn into a greased 9x9x2 inch pan. Sprinkle sugar-cocoa mixture over top of batter; pour water over entire surface. Bake in moderate (375F.) oven for 35 minutes, or until done. Cut in squares and serve hot with the chocolate sauce that will be at bottom of pan; top with whipped cream. Makes 6 to 8 servings.

Note: This dessert should be served when freshly baked; it's not good for leftover eating.

FISHING REELS, getting hard to find for one's exact requirements, are well stocked, from a modest $1.95 reel to one meeting the most special demands, at the McINTOSH BOAT COMPANY at the north end of the Purnell Parking Lot, where all sorts of tackle and accessories for fishing and water transport are displayed.

PLASTIC DRAPES for living room or dining room, as recommended in the Home Furnishing page of the Sunday paper, are down in price from $1.98 to $1.19 at the PARIS CURTAIN SHOP. There are nine nice shades in an embossed pattern that's alike on both sides.

Strapless slips with built-in bras require frequent washing, for figure beauty as well as cleanliness. Elastic portions snug up again during each washing to give you maximum control. Enthusiastic sudsing also keeps perspiration from damaging rubber and fabric.

FRESH PEACH OR BLUEBERRY PIE and BLUEBERRY CUP CAKES are treats of the season which are delectably made at the PINE PASTRY SHOP, 660 Center Street. When the home-made flavor is available in all their breads and cakes, pies, and cookies, it's foolish to heat yourself and your kitchen.

COLOGNE STICKS — refreshing to use and nice for a small gift—are available in all the popular brands at the PINE PHARMACY, 664 Center Street, from $1.00 to $2.00, plus tax. The Old Spice, Desert Flower, or Friendship Garden fragrances come in purse-size sticks. Larger sizes come in Tussy, Lentheric, Tweed or Helena Rubenstein niceties.

It'll be easier to keep your clothesline clean if you coat them with shellac. Between-washing accumulations of dust can be whisked quickly off the slick surface with a cloth. Prepare for the shellacking by washing the line with mild soap in warm water. Rinse and allow it to dry thoroughly before you apply two thin applications of shellac. Each coat should be allowed to dry thoroughly.

THERE'S SOMETHING ABOUT NICE EAR RINGS! Something that enhances the facial contours and accents an outfit, whether tailored or dressy. Ear rings at MATHER'S AT THE CENTER can suit all purposes, from neat Sterling silver "studs" at $2.44, to ear rings set with pearls or stones of one's favorite color. Many can be matched in sets with pendant, pin, or bracelet for complete costuming.

SILKY SOFT "ORLON", the new Cheney fabric that keeps the best features of nylon-containing curtain material—and improves on them, is a delight to look at, to make up, and to launder. The forty-eight inch width hangs beautifully. It's selling at the very special price of $.75 a yard at the CHENEY BROTHERS REMNANT SALESROOM.

...he second major blow to organization Democrats fell in the Northern Virginia Senate district of Alexandria and Fairfax and Prince William counties. State Senator Andrew W. Clarke lost to John A. K. Donovan, 44-year old Fairfax attorney, by 101 votes, with unofficial returns complete.

In two other close fights, however, organization Democrats came through in close balloting.

In Mississippi all candidates pledged support to the States' Rights movement and to plans calling for modernization of the Negro school system.

The run-off will be held Aug. 28, with the two winners in yesterday's voting fighting it out.

No matter what last minute changes may be brought about when the official counts are all in, the Byrd forces in Virginia are certain to keep their grip on the General Assembly. All in all, 14 or 40 Senate seats and 37 of 100 House seats were at stake.

Tension Grows Over Kashmir

(Continued From Page One)

Pakistan was preparing for an invasion of Kashmir during the coming Indian-sponsored constituent assembly elections.

The Standard reported its information is that the attack will come earlier and will be coordinated wth attacks from east Pakistan designed to cut off India's northern state of Assam. East Pakistan is separated from the rest of Pakistan by a large section of northern India.

The newspaper also reported that Pakistani Air Force planes, infantry and artillery carried out two-day maneuvers along a 600 mile section of the frontier which borders on Assam. The maneuvers were said to be the biggest yet staged and were directed by top-ranking commanders including some foreigners.

Nabs 6 More Reds; FBI Score Now 51

(Continued from Page One)

that more arrests would follow. But he warned against hysteria.

Hoover indicated that the FBI is now working on third level Communists as he interrupted his vacation to give a news interview.

Yesterday's snare of alleged plotters was the fourth since the government first invoked the Smith act against the Communist party three years ago.

The first group included the 11 who were convicted and sentenced to prison terms of three to five years. A 12th defendant, William Z. Foster, titular head of the party, has not been tried, because of ill health.

After the U. S. Supreme Court upheld these convictions last June, the government moved against other Red officials. That same month 21 "second-stringers" were indicted in New York, then 12 more were accused in Los Angeles in July.

Four of the latest six arrested were held in bail last night. Frankfeld's bond was set at $100,000. Bond of $75,000 each was set for Mrs. Blumberg, Meyers, Wood, and Mrs. Frankfeld.

Bail was not immediately set for Braverman.

Candidate for Senate

The FBI said Frankfeld has worked for the party in various parts of the country since 1926. Officials said he spent a year in Moscow in the early 1930's attending courses at the Lenin school.

Frankfeld was the party's candidate for U. S. Senator from Massachusetts in 1940, the FBI said, and also worked in Baltimore.

Braverman, once was identified before a Congressional committee as a Communist by an undercover FBI agent.

He has represented a number of alleged Communists called to testify before the House Un-American Activities committee and was an attorney for Frankfeld and Meyers in a court case involving Maryland's loyalty oath law.

U. S. Commissioners set hearings for Meyers and Wood on August 22 in Baltimore, for Mrs. Blumberg and Frankfeld Friday in New York.

cover the bodies because the operation might cause other deaths.

The two Arctic xplorrs, Alain Joset of France, and Jens Jarl, Danish observer from the Greenland department, plunged into the crevice while riding an amphibium with caterpillar wheels.

Other members of the expedition soon reached the scene of the accident, but no attempts have been made to descend the mort than 300 feet deep crevice.

Bruun said there is no doubt the two explorers perished.

About Town

Mr. and Mrs. Albert L. Post and daughter, Cynthia have returned to their home on Green road after spending their vacation at West Brookfield, Mass.

Miss Louise I. Bunce of West Center street and Miss Helen Klotz of Dudley street, motored down to Atlantic City where they are spending a week.

Mr. and Mrs. William B. DeLong and children, Charlotte, Winnie and Dale have returned from Crystal Lake where for two weeks they occupied the "Big Sandy" cottage.

contemplation of the death and misery that would be incident to a global conflict involving the United States and Russia as the principal adversaries."

Mahon is chairman of an appropriations subcommittee in charge of military budgets. As such he is a recognized spokesman on military matters. His subcommittee conducted weeks of closed hearings before acting on the pending bill. During that time it quizzed top defense department leaders, both military and civilian.

"It is true," he said, that the United States becomes stronger "with every passing day," but the same probably is true of Russia.

"Who is so foolish," he asked, "ase to assume that the Communists are standing still?"

He said the world picture should be "somewhat clearer this fall," which he referred to as "the time of decision."

He predicted that additional money will be needed later this year to build up the Air Force and to strengthen the Navy's air arm and, "unless there is a decided change for the better," to increase our military forces beyond the presently planned 3,500,000 men.

Engagement

Driggs-Lockward

Local Sports Chatter

Roger Benson, Red Sox catcher, has handled 124 chances without being charged with an error in Little League play this season. Other catchers have fared well with Jimmy Bell of the Yankees guilty of but one miscue in 80 chances. Don Squatrito, husky backstopper for the Cards, also boasts an errorless streak with 53 chances to his credit.

Two of the biggest hitting surprises in the Little League this season have been Ike and Mike, Steve Cooper of the Red Sox and Mark Solomon of the Dodgers. Last season Cooper collected four hits in 37 official at bats for a .108 average. Solomon hit safely three times in 33 at bats a year ago for a .091 mark. Today, Cooper is batting .467 on 14 hits in 32 at bats while Solomon has 16 hits in 35 trips for a .457 mark.

Eddie Wojcik, Most Valuable Player, in the Little League last season, has been playing standout ball in the Alumni Little League this season with the First National Bank.

Plans are being made to purchase 800 tickets for the New York Yankee—Cleveland Indian game on Sunday, September 16 at Yankee Stadium by the local Knights of Columbus. Fran Mahoney is general chairman of the committee in charge. A special train will transport the fans to New York. Ticket reservations may be made with Mr. Mahoney.

Eddie Wierzbicki reports that all remaining games in Cheney Brothers Softball League will get underway at 6 o'clock. Deadline for starting games will be 6:15. More

Dinky Hohenthal cracked out four base hits in as many trips to the plate last night with the Little League Yankees and moved far out in front in the batting race. Dinky has collected 20 base hits in 35 at bats for a .571 mark. He entered last night's game against the Dodgers batting .516.

Rec Director John Hedlund led a group of 100 boys to Boston today to witness the major league baseball game at Fenway Park between the Red Sox and Philadelphia Athletics.

Rev. Cliff Simpson of the Center church witnessed last night's Little League baseball game at Memorial Field.

Al Martin, a member of the Little League Dodgers last summer, is a statistical wizard. The ex-pitcher can rattle off any percentage figure you desire without batting an eyelash.

Bill McGonigal reports that the Providence bus driver which carried the Rhode Island State baseball champs to Manchester last Sunday had to stop and ask four Manchester residents before anyone could tell him where the West Side Oval was located. The game was played at the Oval against Moodus. Is Manchester suffering from growing pains?

Hal Turkington will take over this desk until Monday while the writer spends a few days at the shore.

Jersey Joe On Stage

Camden, N. J., Aug. 8—(AP)—Jersey Joe Wolcott, who finally won the world's heavyweight boxing title after four luckless tries, is going to cash in on the pot of gold that the crown inevitably brings.

Next week the 37-year-old Negro champ starts an exhibition tour that will cover eight cities. Then he'll turn referee one night, and, maybe—if there's enough in it (Jersey Joe wants $30,000)—Walcott will team up with television comedian Milton Berle for a week in a Chicago theater.

Charles Keeney and Al Johnson joined forces to pitch the Little League Yankees to their third win in as many starts with a 9 to 5 win over the Dodgers last night at Memorial Field. Keeney pitched the first three frames, allowing no hits and no runs. Johnson twirled the last three chapters and gave up all five hits, good for five runs. Bobby Reynolds, slight left hander for the Dodgers, went all the way for the loss.

Reynolds got the first two men to face him in the first but three singles in succession netted two runs. Hohenthal, Pickral and Keeney doubled in a row for two more runs in the third. Three hits in the fourth accounted for three scores and the sixth frame found two runners denting the plate on four hits. Hohenthal strengthened his grip on the batting crown with four for four, two of the hits being doubles. Charlie Keeney had a perfect night at the plate with a single, double and triple in three trips.

The Dodgers couldn't do a thing with the slants of Keeney but two errors and a walk set up a Dodger run in the fourth off Johnson. Keeney pitched three innings of no hit, no run ball and Johnson got as far as Hagedorn in the sixth before giving up a hit. Three hits, a walk and an error produced three markers in the sixth.

Looking for New Coach

New York, Aug. 8—(AP)— Ted Collins, the owner of the New York Yanks' coachless football team, said today he has a list of nine men as prospective leaders for his eleven.

"But I'm in a ridiculous position," he moaned. "My entire team of 53 men is training at Ripon, Wis., and there's nobody to train them. Since yesterday, I've been trying to get hold of any one of nine different men. I haven't been ablet o but I've left messages. The first one who calls me back probably will get the job."

Fund Performer

Quent Hagedorn

Quent Hagedorn will be seen in action with the Little League Dodgers Friday night at Memorial Field against the Yankees. All proceeds from this regularly scheduled league game will be turned over to the Red Cross Flood Relief Fund.

Hagedorn, a two year veteran with the Dodgers, has been a sparkplug with Coach Jack Fraher's nine to date. He has played several infield positions and has also taken his turn on the mound.

Paris Curtain climbed into first place by a half game last night as it beat Green Manor 11 to 3 in five innings. The winners came from behind in the third frame to score four runs and take the lead for keeps.

Graham Holmes went all the way for the Curtain nine, giving up six hits, striking out five and walking four. The Estaters got to Holmes for three runs in the first two frames but from there on it was shutout ball with the Manor collecting three hits during the remainder of the game.

Holmes and Miller collected two hits apiece for Paris and Hippo Correnti connected for a four bagger. Both of Holmes' hits were doubles coming in the explosive third and fifth innings. Joe Thompson drove in five of the winners' runs while scoring two himself.

Tonight Silk City meets the Army and Navy Club in another league contest. Both clubs are hot on the trail of first place Paris Curtain and a victory for either clubs might spell the difference at this stage of the season. Game time is 6:15.

Problems Ironed Out

Chances of the last half of the Manchester Little League baseball season operating more smoothly are much brighter today now that President Sher Robb has grabbed the bull by the horns and straightened out all minor differences which arose during the first half of the campaign.

Sher should be publically complimented for the manner in which he conducted the recent special meeting of the Little League, attended by approximately fifty men and women including coaches managers, members of the managing personnel, mothers and fathers of the players, and interested supporters of Little League baseball.

The Little League prexy read a specially prepared three page typewritten letter to the gathering in hopes of straightening out any problems. Sher didn't pull any punches and, as a result, when the 90 minute meeting ended, everyone left the room feeling that his or her mission had been accomplished.

There have been problems galore this season. The biggest perhaps, being the fact that players' parents felt the coaches were not doing this or that according to Hoyle and openly spoke their piece to whoever wanted to listen. This practice not only hindered the coaches but the players as well. This matter was aired completely and to the satisfaction of all.

Then too, there were several outbursts by the coaches and managers during the first half of the season that didn't help matters any. Bitter feelings crept into the camps of the teams and this, as Sher pointed out, did not create a healthy situation for the league.

Troubles in Little League baseball has not only hit the Manchester league. Nearby leagues have been pestered with the same problems. Most, fortunately, have been able to overcome the difficulties and continue operations.

Attendance has taken a terrific dip at Memorial Field this season. Average crowd at a Little League offering last summer numbered several hundred. Outside of the opening game this season, not one game has found as many as 100 fans on deck. Naturally, collections have been far under the total accumulated a year ago. Little League baseball to date has been a losing proposition in Manchester.

With everyone officially connected with the league, plus the ardent supporters, mostly parents, ready to go all out, the second half of the local season is bound to be a success.

Indians May End Two Year Reign of the New York Yanks

Army Used High Pressure Methods to Get Gridders

Chicago, Aug. 8—(AP)—The Chi- Tribune, in a copywright ry from Flint, Mich., today said t "high pressure recruiting of tball players for West Point" s told by "one of the nation's standing high school athletics." The player was Duncan Macnald, 18, 180-pound quarterk, described by the Tribune iter, Jerry Ledonne, as one of most sought after athletics of ent years.

The Tribune said that "while rts, political and military cirs still reeled over the ordered missal of 90 cadets accused of bbing—including most of the my football squad—MacDonald d of a six-week, expense-paid ation at the academy this sumr.

"It was shared, he said, with 22 er star high school players m throughout the nation. The cation was calculated to put cDonald among West Point's tball players, he said, even ough at least four other large dwest universities were making ertures to him but without the lls West Point could offer."

The Tribune continued:

"Features of the vacation, MacDonald said, were chatty, informal k sessions with Col. Earl (Red) ik, head Army football coach, mbursed travel expenses; Of- s of an easy appointment to the demy, help from academy instuctors in passing entrance exinations, and—most important of all—draft free status while playing football at West Point.

"MacDonald said he never had had an interest in an Army career until he was entertained by Col. Blaik and his staff. Their sales talks, he said stressed the draft free status so much that he left Flint Northern high school, where he won nation-wide acclaim, in May, thus missing his own graduation ceremonies."

The Tribune quoted MacDonald as saying that he "liked the prospect of the draft free status." It said MacDonald related that representatives of the academy "made it easier for the 23 football players to pass the entrance examinations by showing them short cuts in answering questions and by giving them the tests which had been given the year before."

The Tribune said that although MacDonald passed the entrance examinations he decided not to enter the service academy. He said, however, that a Michigan alumnus learned of his return and offered him a regents' scholarship which he has accepted.

"Financially, I'd have been better off at West Point, because as a Cadet I would have been paid $936 a year," the Tribune quoted MacDonald. "But with this scandal I'm glad I decided not to go back."

Johnny Hopp will always remember his first day in the major leagues. On the same day his daughter, Terrill, was born.

Sixth Meeting Between Twi League Rivals Listed at West Side

Weather permitting, the British Americans will go against Pratt & Whitney in tonight's Twilight League game at the Oval at 6 o'clock. This will be the sixth meeting of the season between the clubs. P&W has clinched first place while the BA's are among three club shooting for one of two remaining berths in the playoffs. A win will insure the Maple Streeters of a position.

Rival coaches Johnny Rosar and Berube will send their strongest lineups into the fray. The ... of the league, Dick Foley be stationed at third for the BA's who will also count on Jimmy ... Cliff Keeney, Al Surowiec, Herm Corret and Bill Foley. Starting pitcher is expected to be Cal Llyes with Jack Scully in reserve.

The Airmen will counter with either Iggy Miller or Bob Andrews for mound chores with Tom Bergamini behind the plate. Joe Tripp, Sam Wylie, Lefty Jadziniak, Jackie May and Johnny Satagaj are slated for plenty of action.

Three ties were played before the teams came to a decision in their first two games. Scores were 2-2, 6-6, another 6-6 which was a protested game and then P&W captured both contests 9-4 and 10 to 5.

Garcia Hurls Tribe To Within Half Game

Athletics Tack Defeat On Sox at Boston; Phils Down Braves Twice; Yanks Idle

By Ralph Roden

The Cleveland Indians, favorites in many quarters to end the two year reign of the New York Yankees as American League champions, are nearing the make or break phase of the pennant race.

Following their current brief home stand, the Indians embark on a short road trip and then return home Aug. 20 for an 18 game stay that in all probability will decide their fate.

The Indians, trailing the pace-setting Yankees by a half game today, must clean up on their long home stand. It provides the Indians with their best opportunity to take command of the race for upon its completion they take off on a 16-game swing that includes stops in every other American League ball park. Pennants seldom are won on the road.

Observers believe that if the Indians can leave their home lot with a fairly comfortable lead they will be hard to overtake.

Mike Garcia, husky righthander, pitched the Indians to within a half game of the Yanks last night as he turned back the St. Louis Browns, 5-1, on a neat four-hitter. The Yanks were idle. In other American League games the third place Boston Red Sox bowed, 7-4, to the Philadelphia Athletics and the Chicago White Sox nipped the Detroit Tigers, 2-1, in 13 innings. The Red Sox now trail by 4½ games and the White Sox by 6½.

In the National League, the Philadelphia Phillies took a twi-night doubleheader from the Boston Braves, 3-1, and 1-0 in 15 innings, the Chicago Cubs downed the Cincinnati Reds, 4-1, and the St. Louis Cardinals swamped the Pittsburgh Pirates, 16-7. The New York Giants and Brooklyn Dodgers were rained out.

Loses Shutout

Garcia blanked the Browns on two scratch hits until the ninth when he lost his shutout. Garcia helped his own cause with a three run homer in the sixth. The victory was his 15th, the most he has ever won in the majors.

The A's came from behind to beat the Red Sox. They scored twice in the sixth on triples by Elmer Valo, Hank Majeski and a single by Wally Moses to take a 5-4 lead. The A's added single runs in the eighth and ninth to clinch it. Bob Hooper went the distance for the winners. Bobby Doerr drove in all of Boston's runs with a pair of doubles.

Rookie Jim Busby singled home Ed Robinson from second base with Chicago's winning run in the 13th at Detroit. Robinson homered for the other Chicago run in the second. Billy Pierce went all the way for Chicago to post his 11th victory. Ted Gray started for Detroit and was relieved in the 13th by Bob Cain who was charged with the loss.

Robin Roberts posted his 15th victory for the Phils in the opener against Boston. He allowed the Braves five hits. Dick Sisler singled home Richie Ashburn from second base with two out with the Phils' winning run in the 15th inning of the nightcap. Russ Meyer hurled the first ten innings for the Phils and Ken Heintzelman the final five. Johnny Sain, Bob Chipman and Warren Spahn divided the Boston pitching with Spahn the loser.

Big Bob Rush checked the Reds on four hits at Chicago. The Cubs tucked it away with three runs in the first inning off Willie Ramsdell. Hank Sauer featured the rally with a two-run homer.

The Cards pounded six Pirate pitchers for 21 hits with Peanuts Lowrey leading the attack with five safeties. The Cards scored seven runs in the first inning and added five more in the third to sew it up.

Legion Defeats Barons, 5 to 2

The American Legion defeated the Barons last night in a Rec Intermediate League game at Mt. Nebo, 5 to 2.

The Barons were held to one hit by Pete Maneggia. The game was called at the end of the fifth inning on account of rain.

Tonight the Brewers and West Side will meet at 6 o'clock.

21 Horse Field For Hambletonian

Goshen, N. Y., Aug. 8—(AP)—The 26th Hambletonian Stake, a record smasher in value of the purse and size of the field, will be staged today at Good Time Park, combining all the thrills of the world's premier harness race and the color of a country fair.

With no stickout contender developed through the early tuneups this season, a bulging field of 21 horses was entered for the event, two more than started in Titan Hanover's 1945 victory.

And there will be 21 hard bitten drivers of the grand circuit aiming at the big $95,263 purse, split six ways, with the winner hauling down $51,347 or 55 per cent.

A crowd of around 23,000 is expected to jam into Bill Cane's track, with post time for the first heat of the main event set for 2 p. m. (EST). The second heat is due at 3 p. m. with third and fourth heatsm at 4 and 5 p. m. if needed. The first horse to take two heats is the winner but many observers believe at least three heats will be required for the first time since Hoot Mon won after dropping the first dash to Rodney.

The Hayes Fair Acres Stable of Du Quoin, Ill., which sent Lusty Song out to grab the 1950 Hambletonian, is tabbed as the probable 7-2 favorite with its entry of Mighty Fine and Spennib.

W. R. Hayes, who operates the stable with his sons, drew the unenviablle No. 19 post for Mighty Fine, but then pulled the choice No. 1 slot out of the hat for Spennib.

Two highly refarded fillies, Betsy Volo and Scotch Rhythm, and the colt Great Hanover, a late comer in Hambletonian estimation, remain well up in the contention.

About Town

Mr. and Mrs. Peter Serra of North Bergen, N. J. announce the birth of a son, John Peter, on August 2. Mrs. Serra is the former Theresa Quaglia, daughter of Mrs. Palmina Guaglia and the late Domenico Quaglia, of 75½ Birch street.

Mrs. Helen Sadrozinski, of 167 West Center street, has just returned after spending a few days with her daughter and family, Mr. and Mrs. Patrick J. O'Leary of Auburn, N. Y. Mr. O'Leary is county agent of Cayuga County, N. Y.

Joyce Baker, daughter of Mr. and Mrs. Vance D. Baker of 15 Essex street, is spending three weeks at Camp Hemlocks, the camp operated by the Connecticut Society for Crippled Children and Adults, near Bridgeport.

Mrs. Margaret Jones of 27 Proctor road will grant the use of her home for the meeting of Lady Roberts lodge, Daughters of St. George this evening. Hostesses will be Miss Rachel Vickerman and Mrs. Louise Robinson.

Cards received from Rev. Fred R. Edgar, minister of the South Methodist church, indicate that the family is enjoying their leisurely trip to California, where they will visit with Mrs. Edgar's mother. Later they will proceed to McKinney, Texas, where Mr. Edgar's people live.

Francis R. Manner, son of Mr. and Mrs. F. R. Manner of 231 Hillstown Road, left by plane Monday evening, from Bradley Field, for San Francisco, where he will join the Far East Command. He was recently stationed at Camp Rucker, Ala., with the 136th Medium Tank Company of the 47th National Guard Division as a tank driver. Prior to his enlistment, February 7, 1951, he was a student at Manchester High school.

Mrs. Josephine Hills, of 25 Orchard street, will appear on the "Holiday club" broadcast, from 9:30 to 10 a. m. Thursday, August 16, over station WTIC. One of the best entries of the month in WTIC's current letter-writing contest on the subject "The Nicest Thing That Ever Happened to Me" was submitted by Mrs. Hills.

Charles Holman, son of Mr. and Mrs. Albert Holman of Vernon, will be in charge of the midweek prayer meeting this evening at 7:45 at the Church of the Nazarene. He is a student at the Eastern Nazarene College, Wollaston, Mass.

George G. Ashton of Ocean City, N. J., is visiting friends in town and will be here until Friday. Formerly organist and choir director of the South Methodist church, he left about a year ago to take up similar work with the First Methodist church in Ocean City.

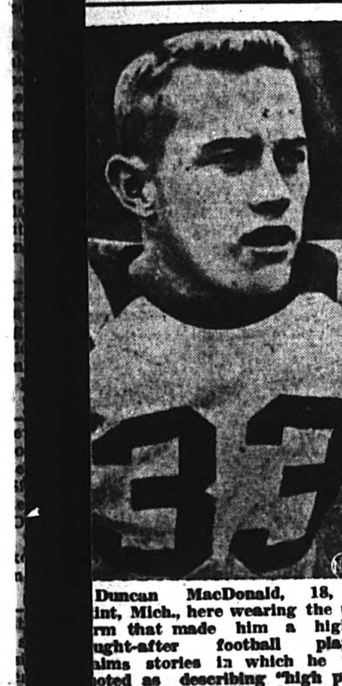
Army Captain Airs 'Squeal'

Induced?



Duncan MacDonald, 18, of Flint, Mich., here wearing the uniform that made him a highly-sought-after football player, claims stories in which he was quoted as describing "high pressure recruiting of football players at West Point" were "distortion of the truth and fact." West Point coach Earl Blaik admitted Macdonald was one of 23 high school stars who visited the Academy this summer. (NEA Telephoto).

West Point, N. Y., Aug. 9—(AP)—Harold Loehlein, captain-elect of Army's 1951 football team, said today he was forced, with the threat of prison, to "squeal" on his teammates in the exam-cribbing scandal at the U. S. Military Academy.

The Kimball, Minn., youth, one of 90 facing dismissal for violation of the academy's honor code, told his story in a by-line article written for the New York Journal American.

"They kept hammering at me," he related. "Even if I knew my rights, which I now know, I would have told my part in the cheating. But I wouldn't have told about the others. I didn't want to squeal on my teammates."

Checked 20 Names

Loehlein said he was handed a long sheet of paper by the examining colonel and told to check the names of those who cribbed.

"I checked 20 names," he said.

The football captain said he had been ushered into a large, bare conference room where three "grim-looking" lieutenant colonels sat behind a long wooden table.

He said he was asked to recite an oath and then he was asked point blank: "Did you crib?"

Lehlein said he answered "Yes." Then he was asked to tell all about it with this threat: "If you lie, that is a prison offense."

"I was getting flustered," the cadet said. "The three officers saw that and kept hammering at me. I didn't know what my rights were."

Not Notified Yet

Loehlein said he has not been notified yet that he is involved personally in the investigation."

"I am disappointed the authorities did not act more straightforwardly in releasing the information of our situation," he added in telling his own story.

Loehlein said some 40 cadets

New York, Aug. 9.—(AP)—Earl (Red) Blaik, head coach of Army's football team, entered a specially called press conference 45 minutes late today without indicating the nature of his announcement.

There have been rumors he planned to resign as a result of the exam-cribbing scandal at the U. S. Military Academy that reportedly has wrecked his 1951 football squad. But a source close to the head coach said he definitely would not quit.

SHIP BURNING AT SEA

Boston, Aug. 9—(AP)—The Coast Guard today reported distress messages from an unidentified craft which said it was burning southeast of Brenton Reef Lightship, at the entrance to Newport, R. I., harbor.

The Coast Guard said the yacht Aphrodite received the distress message at least 20 times but was unable to identify the call because of a weak signal and radio interference.

PEP SEEKS DIVORCE

Texas Toll 15 In Heat Wave

25 Points Report Temperatures of Over 100 —Presidio Mercury 114

Dallas, Tex., Aug. 9.—(AP)—Texas counted 15 persons dead today from the current heat wave that has scorched the state for almost two weeks. In at least four other deaths, heat was listed as a contributing cause.

Weather observers said there was only a little relief in sight.

Houston reported two deaths from heat strokes last night—Victor Emanuel Anderson, 51, and Mrs. Dorothy Good, 64.

More than 25 points yesterday reported temperatures of over 100 degrees, with the hottest spot being Presidio on the far-west border of the state. There the thermometer hit 114.

Thundershowers dropped temperatures sharply in parts of the South Plains—in west Texas—and

Warns of Malaria In Returned Vets

Atlanta, Aug. 9—(AP)—The U. S. Communicable Disease center today alerted doctors throughout the nation to the outbreak of malaria among returned Korean veterans.

The warning went out to 52 state and territorial health officers from Dr. R. A. Vonderlehr, medical director for the Public Health Service agency.

All malaria cases should be reported promptly to local public health officers, Vonderlehr warned, in order to maintain "the present freedom from epidemic malaria."

Whenever a malaria patient turns up in areas where anopheline mosquitoes are prevalent, health departments should apply long lasting insecticides to all houses

Deplores Neglect Of Young People

Ithaca, N. Y., Aug. 9—(AP)—The president of the World Assembly of Youth claims that democratic governments "neglect" their young people.

"Young people living in democratic countries are not receiving from governments and other institutions the support and help which they are entitled to expect," Maurice Sauve declared last night.

The Canadian said that "This neglect may, in years to come, prove to have been a great mistake."

Suave made his remarks in introducing Mrs. Eleanor Roosevelt

FBI Blasts Desperado To Death in Gun Duel

lder, Ala., Aug. 9.—(AP)—Billy avis, a 23-year-old desperado ho vowed he'd never be taken ve, was blasted to death last ght with a flaming pistol in his nd.

FBI agents who had tracked the nnessee prison parolee for near- a month surprised him at a rm home and shot him to death he grappled with a sheriff's puty.

Davis fired once from a .22 caler target pistol before falling th two bullets in his chest and one in his left arm, the FBI said.

Sheriff G. H. Noles of DeKalb county and FBI agent George D. King reported the death of the Columbia, Tenn., gunman.

Behind him lay four last violent days of reckless flight.

Davis had dodged and fought his way through Alabama, Georgia and Tennessee to a farm near this remote northeast Alabama community.

King said Davis came to the farm yesterday morning after a brush with Tennessee highway patrolmen at McMinnville, Tenn., late Tuesday night.

FBI agents accompanied by DeKalb Deputy Sheriff Gene Young came to the house about 10 o'clock last night. They found Davis asleep in a small room.

He roused himself as the agents entered the room, King said. When the FBI men told him to put up his hands, he snatched a pistol from beneath his pillow and grappled with Young.

"Everybody back up," Noles quoted the fugitive.

The FBI agents then opened fire.

Lopes Takes Oath As Portugal Head

Lisbon, Portugal, Aug. 9.—(AP)—Gen. Francisco Higinio Craviero Lopes took the oath of office as President of Portugal today in the National Assembly, after riding through the streets of the capital at the head of a military parade. Lopes, candidate of Premier Antonio de Oliveira Salazar's National Union party, was elected President in July to replace the late Antonio Oscar de Fragosa Carmona, who died in office.

Had Japan War Plans In Pacific

Washington, Aug. 9—(AP)—Japan's top investigating officer testified today the Russians knew a month before Pearl Harbor of the Japanese plan to strike at the United States and Britain in the Pacific.

The Houseun-American Activities committee drew this testimony from Mitsusada Yoshikawa, chief of the Special Investigating Bureau of the Japanese Attorney General's office.

The Congressional investigation of Pearl Harbor, made immediately after the war, never developed any indication that the Russians passed any friendly ford of warning to the United States although they were then getting lend-lease military supplies from this country.

It has been officially disclosed that the United States warned Moscow in advance that the Germans would attack Russia.

The House group and a Senate subcommittee were simultaneously holding separate hearings revolving about activities of a Soviet spy ring, headed by Richard Sorge, which operated in Japan before and during World War II.

Exposure Blocked

Before the Senators, May. Gen. Charles Willoughby testified he sought in 1949 to "unmask" the activities of members of this spy ring but was overruled by military authorities in Washington.

Yoshikawa testified that Sorge's spy apparatus sent a message to Moscow early in October, 1941, while U. S.-Japanese peace talks were going on in Washington. He quoted it as advising that "if America refuses to compromise by the middle of October, Japan will attack America, the Malay Countries, Singapore and Sumatra."

Willoughby, former military intelligence chief under Gen Douglas MacArthur, gave his testimony before the Senate Internal Security subcommittee. It is looking into the question of whether there have been subversive influences on U. S. foreign policy.

Climbers Reach Crashed Airliner on Peak

A plane carrying 21 members of the New Tribes Mission of Chico, Calif., crashed against rocky Mount Moran in the Grand Tetons last November, but because of deep snows, climbers couldn't scale the peak near Jackson, Wyo., until Aug. 6. Leaders examine the wreckage (lower left) while other climbers look down from an escarpment. No attempt was made to remove the bodies. Instead, last rites were conducted on the lofty mountain near Yellowstone Park. (AP Wirephoto).

GOP Leaders in House, Some Democrats for Cut in Ike's Forces

Bulletin!

Washington, Aug. 9—(AP)—Senator Connally (D-Tex) said today the United States may have to put more than six divisions of troops into the North Atlantic Defense Army in Europe.

Connally made that statement to reporters shortly after a meeting of the Senate Foreign Relations committee with Gen. Omar Bradley, chairman of the Joint Chiefs of Staff. However, he emphasized he was only giving his opinion.

Washington, Aug. 9—(AP)—Another troops-for-Europe fight developed in the House today over a $56,000,000,000 defense appropriation bill.

Italy House Gives Support To DeGasperi

Rome, Aug. 9—(AP)—Premier Alcide de Gasperi won a 291 to 175 vote of confidence today for his government in the Chamber of Deputies after a stormy session in which he denounced both Communists and Fascists. His fiery speech touched off a brief fist fight between Communists and Christian Democrats.

A brief but stormy battle of fists broke out after the Premier completed his address asking confidence in the seventh government he has headed since the war's end. Communist Fausto Gullo, apparently stung by the Christian Democratic Premier's remarks, rose and accused him of having "broken the moral unity of the Italian people in the moment of their liberation."

Denounces Charge

De Gasperi, angry, rose to denounce the charge. Members of his cabinet rose with him. At the same time Communist deputies advanced from their seats. Christian Democrats met them and fists flailed, but apparently nobody was hurt and the chair soon restored order.

De Gasperi, in his speech, vowed

House Foreign Affairs Also for Taking Program from Acheson

Washington, Aug. 9—(AP)—A House committee reportedly has agreed tentatively to lop $1,000,000,000 from President Truman's $8,500,000,000 foreign aid program and place the entire program under a new high-level official.

The decision—subject to possible reversal later—was reported last night by members of the House Foreign Affairs committee. Although some members were absent when the agreement was reached yesterday at a closed door session, those present said they didn't expect a reversal.

The committee plan would place both economic and military aid

Red Chiefs Ask UN to Renew Talk

Tokyo, Friday, Aug. 10—(AP)—A sharp message from the Communist command last night told Gen. Matthew B. Ridgway there would be no new violations of the Korean conference site "unless you should deliberately fabricate incidents as an excuse to terminate armistice negotiations."

The armistice talks have been suspended since Saturday on General Ridgway's complaint that armed Chinese Communist troops entered the supposedly neutral conference zone of Kaesong. The Reds promised Sunday not to let it happen again, but the Supreme United Nations commander demanded a firm guarantee before agreeing to resume the negotiations.

The Reds in turn have accused the Allies of violating the zone.

The latest Red reply, broadcast by the Peiping Radio late Thursday night, said Red guards again had been ordered to "adhere strictly" to the neutrality agreement around Kaesong.

Ask U N Renew Talks

It invited the Allied delegates to return to Kaesong.

However, it then raised the question of the Allies fabricating incidents.

It added, "On our part, we definitely will not terminate the negotiations rashly and irresponsibly without going through the procedural steps of protest, investigation, consultation and settlement should a similar failure on your part occur."

The Red reply, signed by Generals Kim Il Sung and Peng Teh-huai, was first broadcast in Chinese.

As translated into English by hearers in Tokyo, it omitted the "deliberately fabricate" angle and sounded generally much more polite in tone than the official English version which was heard a little later.

The English version is regarded as the official one, however. The U. N. command distributed it to correspondents.

29 Soldiers Hurt As Shell Misfires

Fort Campbell, Ky., Aug. 9—(AP)—An eight pound armor-piercing bazooka shell exploded prematurely on a firing range yesterday and injured 29 paratroopers.

Lt. Col. Reginald Jackson, public information officer, said four of the men were considered critically hurt. All are attached to F Company, Second Battalion, 503 Airborne Infantry Regiment.

Jackson said the 3.5 inch shell exploded during firing practice in the Roaring Springs area about 15 miles from the central part of the reservation.

Cub liaison planes were used to fly the injured to the base hospital where they were admitted for treatment. Their names were withheld.

Jackson said a board of officers will conduct an investigation. The explosion was the first major training accident this year at Fort Campbell, where both infantry and airborne soldiers are based.

Treasury Balance

Washington, Aug. 9—(AP)—The position of the Treasury Aug. 7: Net budget receipts, $273,490,616.58; budget expenditures, $294,235,789.53; Cash balance, $5,343,313,002.69.

Indicts 8 Cuba Treasury Ex-Aides

Havana, Cuba, Aug. 9—(AP)—A special investigating magistrate has indicted eight former Cuban treasury officials on charges of misappropriating about $36,000,000 from treasury funds.

Ex-President Ramon Grau San Martin and 10 others of his administration already have been indicted in the famous "Causa 82" (Case Number 82) in which the court is investigating charges they stole or misappropriated $174,000,000 in 1944-48. The eight were indicted yesterday under the same case, termed by government critics as the greatest in history.

Judge Jose Aureliano Viera Medina, special magistrate investigating the alleged frauds, said the charges against the eight included:

Misappropriation of more than $24,000,000 in funds from the Sugar Workers' Retirement fund;

Police Stymied In Slaying Case

Hollywood, Aug. 9.—(AP)—A police attempt to reenact the slaying of Tony Trombino and Tony Brancato using four suspects in the leading roles, apparently has failed to shed any new light on the gangland shooting.

N.Y.C. Crime Probe Opens Wednesday

Washington, Aug. 9.—(AP)—The Senate Crime committee announced today it will open hearings here next Wednesday into criminal conditions in New York City.

Chairman O'Conor (D., Md.), of the committee made the announcement at a hearing into underworld activities in Maryland.

The committee, he said, has decided to conduct the hearings here to allow committee members to keep in close touch with legislative matters. He gave no indication how long the hearings would continue.

Run-off Certain in Miss.; Byrd Forces Hold Va.

Jackson, Miss., Aug. 9.—(AP)—Mississippi's former Gov. Hugh White apparently is in the second Democratic primary Aug. 28, but who his opponent will be remains in doubt.

Unofficial, incomplete returns from the first primary on Tuesday give White 84,321 votes out of 367,652 ballots tabulated from 1,662 of the state's 1,782 precincts.

Eight candidates sought the four-year term of governor beginning in January, 1952. In one-party Mississippi, nomination in the Democratic primaries amounts to election.

Second place in the first primary remains a three-way toss-up, with Paul Johnson, Jr., holding a small lead.

Johnson had 77,812 votes; Lieut. Gov. Sam Lumpkin, 76,466; and Ross Barnett, 73,007.

About 20,000 votes remain to be tabulated.

Woman Candidate Out

Trailing in the race are the state's first woman candidate for governor, Mrs. Mary Cain, 22,928; Jesse Byrd, 19,613; Kelly Hammond, 7,142; and Jimmie Walker, 6,364.

There is no mathematical possibility of a candidate receiving a majority and a runoff is a certainty.

35,000 In Panic In Italy Quake

Teramo, Italy, Aug. 9—(AP)—Inhabitants of Teramo fled in panic last night when earth tremors shook this city of 35,000. They returned to their homes today.

Many had spent the night in the fields, their fright increased by a breakdown in the electric power. Only one person was reported injured.

Center of the quake, which was felt in a number of mountain towns and hamlets of central Italy, was said to be about 25 miles from Teramo, which is northeast of Rome and near the Adriatic coast.

Army Balks on Maximum Age for Military Service

Washington, Aug. 9.—(AP)—Secretray of the Army Pace advised Rep. Morano, (R., Conn.), today it is impossible now to establish a maximum age for active military service.

Morano asked for a ruling following announcement that the 43rd division—comprised of National Guard troops from Connecticut, Rhode Island and Vermont—will be sent to Europe.

He urged that older men and veterans of World War II be discharged or separated for service in this country. He also urged relief of men whose shipment overseas would cause hardship to their families.

Pace said that while establishment of age maximum had been considered "It has not been deemed advisable to attempt to take such action at this time in view of the military manpower situation."

The Secretary, commenting on hardship cases, said it is Army policy to release a soldier from active duty "when his service imposes unusual or more severe
