Correct Stationery

FOR PERSONAL CORRESPONDENCE.

It is said that a letter is a part of the writer's personality and reflects in a large degree his or her character; and to your distant friends indeed a letter is about the only means you have of showing what you are. In other words, a letter is practically the same thing as a personal call, and in both instances you want to put on your "best bib and tucker." We have correspondence stationery in a great variety of styles and prices and for use on all occasions. New designs and tints in box papers are constantly being received; and then we have tablets in linen, bond, and parchment papers, both ruled and unruled; as well as a select line of bulk papers in white and tints with envelopes to match. We can supply all your writing-desk requisites at prices that will be entirely satisfactory to yourself.

ABOUT TOWN.

Edward J. Barber is home from Yale college for the Easter vacation. Michael Williams, foreman of the packing department at the cracker factory, is in New York visiting friends.

The storm did not hinder the New York express from being on time this morning. It pulled into the Manchester station from Boston fully two minutes ahead of time.

A delegation of Manchester Masons went to Rockville Tuesday evening to witness the working of the third degree on Miner H. White, superintendent of the Vernon Woolen Mills.

The resignation of Miss Carrie Conly, as instructor of cooking in the Ninth district school, went into effect yesterday. She will be succeeded by Miss Clara Staples, of West Newton, Mass.

The two north end churches will unite in a Fast Day service at the North Congregational church this evening. Rev. O. T. Hatch will be present and speak.

Miss Kelly, of Willimantic, is spending a few days at the home of Helena Keating, on West Center street. Miss Kelly is a member of the senior class of the Windham high school and will graduate in June.

Rev. C. H. Barber received a telegram yesterday afternoon from Canton, South Dakota, announcing the birth of a son to Rev. and Mrs. George W. Hawkes. Mrs. Hawkes is daughter of Mr. and Mrs. C. H. Barber.

W. H. Church, bookkeeper for Nelson Morris & Co. for the past four months, is succeeded by W. L. Morse, of Brookton, Mass. Mr. Church has been promoted to have charge of the office for the same company at Lawrence, Mass.

The meeting of South Manchester Division, Sons of Temperance, will be held this evening at the home of Alexander M. Rogers, on Laurel street. Supper to be served at seven o'clock. Later in the evening the new officers are to be installed.

It seemed like Sunday at the north end today. Business was generally suspended. The Barber shops were closed all day and the grocery stores closed at noon. The Manchester post office closed at ten o'clock but will be open this evening from 6 to 8.

Orford Hose Company No. 3 had a supper of steamed clams after their regular meeting at their headquarters in the Park building last evening. Several invited guests were present and after supper, a pleasant hour was passed with speeches, songs and stories.

William Walsh has sold his residence at the corner of Linden and West Center streets to Mrs. Emma H. Norton, of Andover, who is to occupy it May 1st. Mr. Walsh is to move into his other house on the adjoining lot on Linden street now occupied by A. C. Russell.

C. G. Watkins, his wife and daughter, Florida, left yesterday for Norfolk, Virginia, going by the Old Dominion line of steamships. They will remain in Norfolk for a few days and expect to witness the launching of the battleship Virginia at Newport News on the 5th. They will then spend a few days in Washington and expect to be home by the last of next week.

Rev. O. T. Hatch returned from Conference Wednesday afternoon. He will go to Baltic tomorrow and preach at his new appointment Sunday. The appointment includes Versailles and he will have to preach two sermons every Sunday. He expects to move his family from Manchester next week. Mr. Taylor, Mr. Hatch's successor at the North Methodist church, will preach here Sunday.

Although there had been no fire recently to draw the attention of the public to the work of the firemen it should not be forgotten that the annual ball of the South Manchester Fire Department will take place Thursday evening of next week. The affair is in the hands of a committee made up of representatives of each of the five hose companies and the profits of the ball will be divided equally among the companies.

Some of the finest oranges ever seen in town are being retailed now by Aaron Johnson. They are from the Street groves at Ormond, Florida. The fruit is picked ripe, carefully packed and sent direct to Mr. Johnson from the grove by express. The oranges are large and heavy and full of sweet juice. Mr. Johnson is receiving from 80 to 90 boxes a week of this fruit and it is finding a ready sale. He sells by the box, half box or dozen.

Have your clothes made to order. We make suits from \$15 up; pants from \$5. P. McFarlane.
Nice line of home made candies, also Winthrop M. Baker's chocolates. Ready Ribbe's, next door to Post

GOING TO OREGON.

Selectman R. P. Bissell to Close Out His Manchester Interests and Make His Home in the West.

Robert P. Bissell this morning announced the fact that he is to leave town. He has offered his store on North Main street and also his residence on Oakland street for sale. Mr. Bissell told a Herald man that he had planned to go to Oregon. Further than that he was not yet ready to give out his plans in detail. He has been in the grocery business here for 24 years and has been one of the north end's prominent citizens. Mr. Bissell thinks he has been long enough in the grocery business and will take up some other business which amounts to about \$50,000 a year. Mr. Bissell has held many town offices. He was secretary of the school board and under his administration the schools in town made rapid progress. He is at present a member of the board of selectmen.

The announcement of his removal from his native town will be a complete surprise to his friends. He has had several prospective buyers looking at his property.

A Dreary Holiday.

It was a dreary holiday today. Rain and snow fell at intervals yesterday and this morning the ground was white. But the temperature grew warmer, the snow melted and the storm settled into a steady rain from the east which lasted all day. The mills were closed all day and the stores closed at noon; but owing to the unpleasant weather few appeared on the streets. Those who observed the serious meaning of the day found the weather in harmony with the bible story of the crucifixion.

MANY GRADUATES.

High and Grammar Schools
Give Public Exhibitions.

BOTH BEFORE CROWDED AUDIENCES

Pupils Reflect Credit on Our Public
School System.

The South Manchester high school graduated its eleventh class with appropriate exercises at Cheney hall Tuesday evening. The class had 19 members and was the largest to graduate from the school since it was founded. As each member of the class had a part in the program the evening was fully occupied. The graduates showed careful preparation and in their essays covered a wide range of subjects. The hall and gallery were completely filled with spectators, many of them relatives and friends of the graduates. The high school occupied the stage, the graduates in front and the other classes in rising tiers behind them. The only decoration was a huge bouquet of white carnations at one side of the stage. The pedestal on which the flowers rested was covered with a blue cloth, the white and blue being the class colors. All the young lady graduates were dressed in white.

GRADUATES' WEEK.

In two evenings this week 44 pupils graduated from our public schools. Perhaps the reader may think that it is easy for newspaper men to write accounts of these exercises in such a way as to say a kind word for each of the 44 without duplicating his adjectives, but it isn't. With the kindest intentions toward each and every one it is next to impossible to find in the English language expressions of commendation which do not become monotonous by repetition. We hope that each one will consider himself or herself sufficiently encouraged by what we have said and by the general expression of commendation which we think is their due from the editorial column. The schools in this town have made a wonderful advance in the last ten years. Class after class has been graduated and the effect of the education which has been received by those who have persisted in the public school course to the end has made itself evident as they have scattered through the community and taken up the duties of citizens. The town has been liberal in its appropriations for school purposes, and its school boards have been faithful and wise in the performance of their duties. If any one has felt that the town was spending perhaps a little too much on its schools the product of the graduating classes this week should be enough to convince them that the money has been well invested.

Company G Matters.

The resignation of Lieut. Keating has been returned disapproved. Lieut. Keating had a conference with Col. Schulze at Hartford yesterday and as a result has decided to remain in the company. While he is not talking for publication, The Herald understands from other sources that the chief ground for the colonel's disapproval of his election as captain at this time was his youth. He is only 22 years old and while his advancement to the position of first lieutenant is proof of his ability as a soldier, it is evident that he is yet rather young for the command. By remaining in the company he will still have the honor of being second in command and remain in the line of promotion.

An informal meeting of the company was held last evening at which Ex-Lieut. Frank D. Cheney gave the members present a friendly talk. He urged them not to take any rash action which might result in the disruption of the company. A meeting of the company will be held next Monday evening for the election of a captain. It is to be hoped that the men will see the wisdom of conforming to the colonel's desire and elect a competent and experienced officer to the command.

Corp. James F. Dalton has been discharged for expiration of term of service.

"Fanny how when a man takes to studying any particular disease he himself eventually suffers from that disease. Take Roosevelt, for instance. 'Why, I supposed he was perfectly healthy.' 'You did? Haven't you noticed the bad breaks he has been making lately?' 'Yes, but—' 'That's it. Clear case of presidential race suicide.'—Town Topics.

Two chicken thieves have been sent to the Ohio penitentiary. They can hardly expect to get much sympathy as long as the price of eggs remains where it is now.—Chicago Record-Herald. Why not, if the poor fellows couldn't afford to buy the eggs?

"George," said the leap-year girl who meant business, "I love you dearly. Will you be my husband?" "Why—this is so sudden," stammered George. "G—give me time to think." "Well," she rejoined as she looked at her watch, "think quick."—St. Louis Star.

We are booking orders every day for those \$12 suits. They fit well and wear well. Call to see samples. P. McFarlane.

Scores of Manchester men and women will supply their Easter wants at the big store of Wise, Smith & Co.'s Saturday.

SOUSA AT PARSONS.

Famous Band Master Comes to Hartford on Tuesday Evening After Year's Absence in Europe.

John Philip Sousa, world famous band master, is making his 94th semi-annual tour after a visit to the prominent musical centers of the old world with his celebrated band. That he comes to Parsons's theater this season, instead of Foot Guard hall where his concerts have been given in other years, is pleasing to those who appreciate the remarkable acoustic properties for which Parsons's theater is well known.

UNION GRAMMAR SCHOOL.

Graduates an Unusually Bright Class with Fine Program.

The graduating exercises at the Union Grammar school were held at Apel's opera house Wednesday evening. Here the pupils were four years behind the high school graduates in age and learning. With this fact in mind the exhibition they gave Wednesday evening must be regarded as extremely creditable. All things considered the graduating class of 1904 displayed more ability and more careful training than any class which has appeared before the public from the Union Grammar school in the past five years. The class had 16 members, six of them girls and ten boys. Those who had speaking parts on the program were fortunate in their selections and were remarkably clever in their delivery. The program moved briskly, none of the speakers faltered and the audience was at all times closely attentive. The hall was filled to its utmost capacity and many went home without being able to gain admission.

The class colors, green and white, were festooned about the balcony rail and a large banner of the same color bearing the class numerals and the motto, "Labor Conquers All," was suspended over the stage arch. On the stage with the graduating class were students of the lower grammar grades. The girl graduates were all attired in white and carried bouquets. The boys wore bountiful bouquets of white tied with green ribbon.

TALCOTTVILLE.

The Sunday school Easter concert at Talcottville will be held at the usual hour, seven o'clock, next Sunday evening. The program is largely for the children. Owing to the fact of George W. Smith's serious illness the church choir, of which Mr. Smith is the leader, will take a small part in the musical program. Mr. Smith is just about holding his own and is yet in a very serious condition.

Talcott Bros. will begin their mill on the summer schedule beginning next Monday. This allows to help Saturday afternoons.

Rev. H. R. Roberts of the Connecticut Bible society gave a very interesting address at the morning service Sunday on some tendencies in the modern religious life of Connecticut.

Mrs. F. Wilson, of Wallingford, was the guest of Mr. and Mrs. Robert Hart over Sunday.

The Misses Winnie and Grace Davis, of Rockville, and the guests of Miss Hattie Lee Sunday.

Miss Ellen Keats, of Mt. Holyoke college, was visiting her classmate, Miss Elizabeth Gammons for a few days this week.

Miss Faith H. Talcott is home from Wellesley college for the spring vacation.

Miss Annie Moore is home from the Walnut Hill school, Boston, for a few days.

Miss Fannie Bryant, of Hartford, was the guest of Mr. and Mrs. John Wood, over Sunday.

Misses Jennie and Eva Allen and Harley Miner, of Springfield, Mass., were visiting Miss Jennie Pinney over Sunday.

Mrs. Mabel Wilcox and children, of Monson, Mass., are visiting at Mr. and Mrs. W. S. Nason's.

I. D. Riverburg, who has been confined to the house with the grip, is able to be about again.

Fast day was observed here by a service in the vestry of the church this morning at 11 o'clock conducted by the pastor, Rev. D. L. Yale.

The Ladies' Aid society which was to have given a chicken pie supper in Talcott Bros' hall last Wednesday evening postponed it indefinitely.

H. Gardner Talcott and Miss Ruth Talcott left last Wednesday for Philadelphia where they stopped a few days. They will visit Atlantic City before their return.

PEERLESS MILLINERY.

The most superb exposition of trimmed hats ever shown in Hartford is at Wise, Smith & Co.'s big store. Hundreds of splendid creations, the models and reproductions of Parisian designers and original, charming, exquisite and almost daring ideas of the most skillful artists in their millinery workrooms. Then there are ready to wear hats, many of them stunning and withal the prettiest and most effective of those makers who have won distinction for the superiority of their lines. Prices are so much lower than elsewhere that you're imposing upon yourself if you buy without first inspecting the great display at Wise, Smith & Co.'s. As an instance we cite the hats at \$8.50 which positively cannot be duplicated elsewhere for less than double the money.

Saturday at Wise, Smith & Co.'s, Hartford, women's \$12.50 tailor made suits, special at \$10.00. Women's \$15 suits at \$12.50. Women's \$15 suits at \$14.95. Women's \$15 suits at \$16.95.

WAPPING.

The schools are having one week's vacation, commencing again Monday. Fifty new books have been added to the free public library this week; from the state appropriation.

Rev. G. W. Elmer has been returned to the Methodist church here, also supplying Windsorville.

H. W. Sudd and wife have returned from their trip to Washington, having had a most enjoyable time.

The dairymen, who have been sending their milk to the Hartford Dairy company this winter, stop doing so April 1st, and will send their cream to the Wapping Creamery, the demands of the Dairy Company being so unreasonable.

Oliver P. Clark has taken his wife, who left him, back and they are to live in Burnside.

The Congregational church observed the Communion last evening as the custom is.

THE GUARANTEED CATARRH CURE.

Balch & Brown Will Return Money If Hyomei Fails. No Stomach Dosing.

Hyomei has made so many cures of the most chronic and deep seated cases of catarrh, that they consider it a specific in this disease. They extend an invitation to all catarrh sufferers to call at their store and purchase a Hyomei outfit with the distinct understanding that it will be absolutely free unless it effects a cure.

The chief reason for the unusual success of Hyomei in the treatment of catarrhal troubles and other diseases of the air passages, is the fact that it cures by a new principle, impregnating the air you breathe with healing and germ-killing balsams. On this account it reaches the seat of the disease in a way impossible to pills, drugs or other stomach dosing.

Many of Balch & Brown's customers who have suffered with catarrh since childhood have been cured completely by this scientific remedy. The complete Hyomei outfit costs \$1, and consists of an inhaler that can be carried in the purse or pocket, a medicine dropper and a bottle of Hyomei. Extra bottles can be obtained for 50c, making it a most economical remedy for the cure of catarrh.

Do not suffer with catarrhal disorders, but get a Hyomei outfit from Balch & Brown, under their guarantee to return the money if it fails. You run no risk whatever. If it cures, the treatment is not expensive, while if it fails, Balch & Brown will refund your money and it costs you absolutely nothing.

BEST COUGH MEDICINE FOR CHILDREN.

When you buy a cough medicine for small children you want one in which you can place implicit confidence. You want one that not only relieves, but cures. You want one that is unobjectionably harmless. You want one that is pleasant to take. Chamberlain's Cough Remedy meets all of these conditions. There is nothing so good for the coughs and colds incident to childhood. It is also a certain preventive and cure for croup, and there is no danger whatever from whooping cough when it is given. It has been used in many epidemics of that disease with perfect success. For sale by Cheney's Drug Store, So. Manchester and Balch & Brown's Drug Store, Manchester.

THE GUARANTEED CATARRH CURE.

Balch & Brown Will Return Money If Hyomei Fails. No Stomach Dosing.

Hyomei has made so many cures of the most chronic and deep seated cases of catarrh, that they consider it a specific in this disease. They extend an invitation to all catarrh sufferers to call at their store and purchase a Hyomei outfit with the distinct understanding that it will be absolutely free unless it effects a cure.

The chief reason for the unusual success of Hyomei in the treatment of catarrhal troubles and other diseases of the air passages, is the fact that it cures by a new principle, impregnating the air you breathe with healing and germ-killing balsams. On this account it reaches the seat of the disease in a way impossible to pills, drugs or other stomach dosing.

Many of Balch & Brown's customers who have suffered with catarrh since childhood have been cured completely by this scientific remedy. The complete Hyomei outfit costs \$1, and consists of an inhaler that can be carried in the purse or pocket, a medicine dropper and a bottle of Hyomei. Extra bottles can be obtained for 50c, making it a most economical remedy for the cure of catarrh.

Do not suffer with catarrhal disorders, but get a Hyomei outfit from Balch & Brown, under their guarantee to return the money if it fails. You run no risk whatever. If it cures, the treatment is not expensive, while if it fails, Balch & Brown will refund your money and it costs you absolutely nothing.

BEST COUGH MEDICINE FOR CHILDREN.

When you buy a cough medicine for small children you want one in which you can place implicit confidence. You want one that not only relieves, but cures. You want one that is unobjectionably harmless. You want one that is pleasant to take. Chamberlain's Cough Remedy meets all of these conditions. There is nothing so good for the coughs and colds incident to childhood. It is also a certain preventive and cure for croup, and there is no danger whatever from whooping cough when it is given. It has been used in many epidemics of that disease with perfect success. For sale by Cheney's Drug Store, So. Manchester and Balch & Brown's Drug Store, Manchester.

A sign of politeness in Thibet on meeting a person is to hold up the clasped hand and stick out the tongue. Thibet must be overrun with physicians.
