When Gouverneur Morris' great novel "When My Ship Comes In" was placed on the bookshelves it went like wildfire and in the short space of two weeks jumped in sales to the best seller on the market.

Tonight at the Popular Playhouse St. Patrick's Flute band will have a benefit. The members will provide the vaudeville and John F. Sullivan will provide the feature which is a Goldwyn Special called "Thirty a Week" with Tom Moore playing the star part.

Gouverneur Morris in his long career as a writer of fiction has never written a story with the same appeal as is carried by "When My Ship Comes In." It's romance is fascinating, its plot holds, and the dramatic manner in which it has been staged by Director Thornby and the fitness of the work of Miss Grey, William J. Kelly and Nigel Barrie, the principal members of the cast, all elements combined has drawn to the hearts of picture lovers with the result that its popularity as a picture, as entertainment and as romantic fiction are characteristics that make it big in every sense of the word.

Angered by the marriage, Barbara's father has Dan dismissed from several positions. Ruyter vents his rage in an even more despicable way. He informs Barbara that Dan is untrue to her—that he has given money to another woman in his sight. Barbara is heart-broken and returns to her parents. Plans are made for the annulment of the marriage. The lawyer investigates and learns that Dan has given the woman the money to save the life of her invalid husband. Barbara's father hears the facts, throws Ruyter out of his home and Barbara and Dan go away to live happily ever after on thirty a week.

IT PAYS TO ADVERTISE IN THE EVENING HERALD

POLISH SPEAKER SAYS AMERICA COMES FIRST

Mme. Napeiralski Warns Country-men Here to Beware of German Doctrine.

"Over four million Polish people residing in the United States gave an ample demonstration of their loyalty to America during the recent war," said Mme. Emily Napeiralski during a brief talk in English at her lecture in the auditorium of the Recreation Center last evening. "The deeds of bravery enacted by Polish citizens who enlisted in the American army, coupled with the statistics of Liberty Loan and other war subscriptions, leaves but little doubt as to the loyalty of Polish-Americans," continued the speaker.

Mme. Napeiralski is the head of the Polish Women's Alliance of America with headquarters in Chicago. Her literary contributions to Polish newspapers have been widely read by the people of her country. She characterizes herself as being, "just a plain little woman, with Polish ideals and a great love for the United States". She is of the opinion that if the people of this country were acquainted with the ideals of her people and knew of the principles for which they stood the Polish people would be more readily recognized as "excellent material for Americanization."

With this idea in view, Mme. Napeiralski is making a tour of the principal cities and towns of this country in order to acquaint the American public of the real facts concerning Poland and her people and also to encourage the sons and daughters of the mother country to live out their ideals in America. Although Manchester was not included in her itinerary, she stopped over at the request of a friend in order to define Americanism to the Polish residents of this town.

Warns Against Germany.

There was a fair sized audience at the Recreation center last evening in spite of the hastily prepared arrangements for the lecture. The audience was composed largely of local Polish residents and to these Mme. Napeiralski spoke in Polish. In her address to the Polish residents, the speaker admonished them to pay no attention to the propaganda which is being spread in this country by German agents. Poland, she explained was a very wealthy and valuable field for German industrialists and for this reason the higher powers of the Hun nation are doing their utmost to antagonize the Polish-Americans of this country.

She paid high tribute to the eminent musician Ignace Paderewski, the head of the new nation. "Paderewski," said the speaker, "has done more to stamp out Bolshevism in the new Poland than all others combined, and it was through his wonderful power and direction that the Polish people are in perfect accord and at the present time there is not the slightest trace of Bolshevism in the mother country." She also told of the obstacles that beset the path of the Polish emigrant to this country. Unlike other people of other countries, she explained, the Polish people came to this country with absolutely no knowledge of the American language, mannerisms or ideals.

For this reason they were forced to locate and live in Polish communities and owing to the oppression of the Czar over the people of Poland they were for a time cautious and suspicious. "Polish people of America, love the country of their adoption," said the speaker in conclusion, "and the time is near at hand when their ideals will be more and more favorably known."

MAJORITY-IN CONGRESS AGAINST REPEALING LAW

Almost Two to One Against Wilson's Suggestion on War Time Prohibition.

New York, May 23.—A poll taken by the New York World and published here today, shows a large percentage of Congressmen opposed to committing themselves on the repeal of war-time prohibition, as recommended by the President, but a majority of nearly two to one against repeal by those who stated their views.

The results are:
Senate: For repeal, 18; against repeal, 30; non-committal, 32; absent, 16.

House: For repeal, 104; against repeal, 199; non-committal, 108; absent, 15.

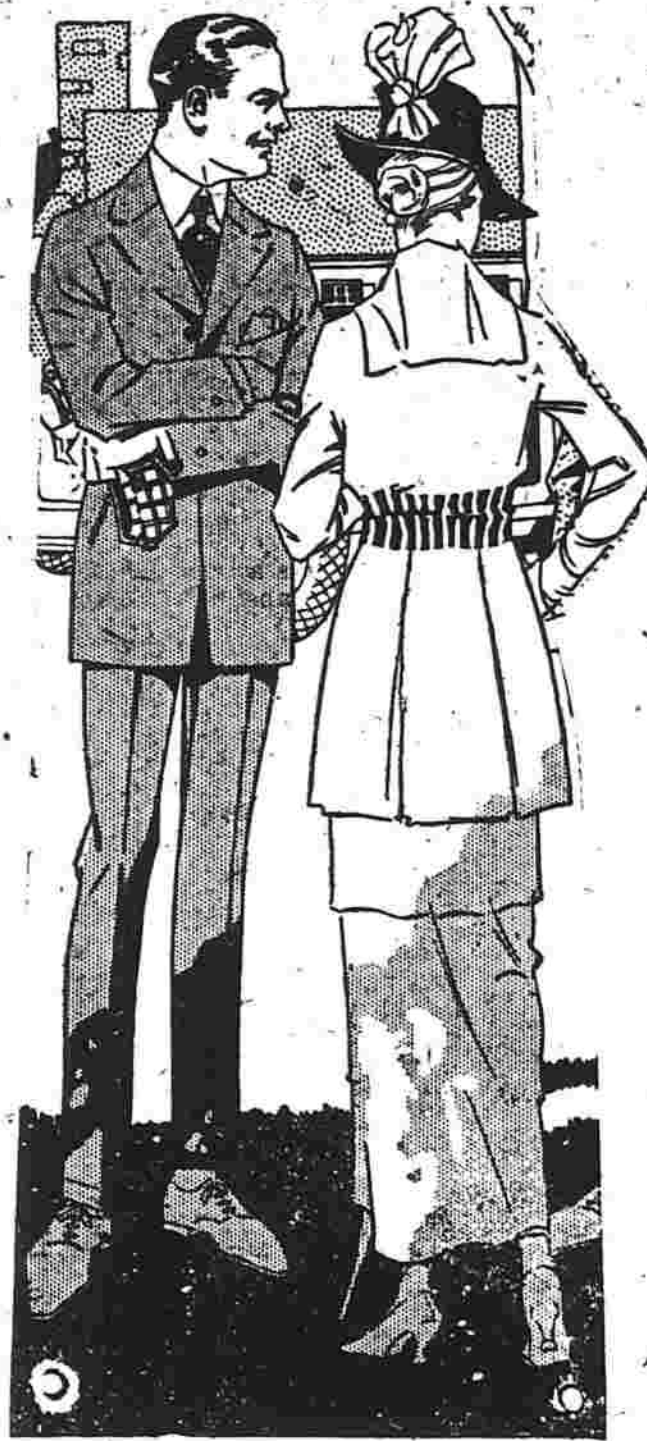

"Roughly," says the World, "these results indicate the Congressmen are two to one against repealing the law."

"DABBY" O'CONNELL NEW PITCHER FOR ATHLETICS

Manager Dowd Has Top Notch Schedule for Manchester Fans.

Manager Dowd of the Athletics in his endeavor to give to Manchester fans the best there is in baseball has signed up one of the best semi-professional pitchers in the state in "Dabby" O'Connell, a Naugatuck boy. Mr. O'Connell is a nephew of John F. Sullivan proprietor of the local playhouses. He pitched last year for the crack Remington Arms team of Bridgeport and the Athletics are fortunate indeed in securing his services. With Sipples, Warnock and O'Connell on the mound, the local team will have one of the strongest twirling staffs around these parts. The backstop department is admirably taken care of by Crockett and Lamprecht.

The Athletic management expects to have the strong Torrington club here on June 1st, while on June 8th, the Fisk Red Tops of Springfield, acknowledged to be the fastest team in Western Massachusetts, will be seen at the Mt. Nebo grounds. The local club goes to considerable expense in bringing teams of such calibre to town and the class of games local fans are to see will all depend on the backing the club receives in the future. The club does not figure on making any money, in fact it generally loses financially every season. Manager Dowd is willing to let the local fans judge the qualities of his team and he is of the belief that the teams his club is playing are just as fast, if not faster than the teams that Manchester played under the direction of Breckenbridge. It will be remembered that the upkeep of this latter team was somewhere around \$1,000 per year.

MANY ACTIVITIES NOW IN PROGRESS AT "REC"

Bowling Season Closing—May and June Socials Planned—Tennis Courts Being Built.

Things are humming at the Recreation Center. The Mixed Bowling League wound up its season this week, but the Three Man League has two weeks more to go and some matches, postponed from last Monday and Tuesday nights, to roll off. There is to be a special social for the tennis club members in the gymnasium Monday night and on Tuesday night there will be a May social and dance for all the Recreation Center members. Tuesday night's social will not be anything elaborate; there will be no refreshments, but just a social time and dancing, with piano and violin music. But a big time is in store next month, when the spring season will wind up with what is to be known as the Recreation Center Circus. The date for this event has not yet been decided upon.

As previously reported, the two tennis courts in the rear of the high school building have been put in good condition and, over on the west side playground, two more courts are being built.

Team 2 of Division D won the finals in the Mixed Bowling League, which closed its season this week. This team, composed of Annie Woods, Ethel Warnock, Bernard Schubert and Charles Richmond, won all the games in the finals with the leaders of each of the other three divisions, so there is no doubt as to its being the best team.

Three Man League Standing. The Three Man League is scheduled to wind up its season on June 4, but as stated above, there are four matches, postponed from Monday and Tuesday nights of this week, to be rolled off. These games were postponed on account of the Welcome Home celebration and dancing on the green: The Comebacks, composed of Richard Johnson, George Rowsell and Adolph Carlson, lead this league with a grand total pinfall of 2445. The Invincibles, composed of Charles Richmond, Edwin Swanson and Max Lautenbach, are second, with a total pinfall of 2423. Next come the Blue Pigeons, composed of James Dowd, Theodore Anderson and Axel Anderson, with a total pinfall of 2415. The remaining teams and their standing follow:

Don't Cares—2365

George E. Ferris, Verner Anderson, Harry C. Straw.

Echoes—2348.

Paul Cervini, Peter Partons, Wm. Wiganowski.

Twin Three—2266.

John Addy, Fred Dickson, Albert Ogren.

Pinless Three—2250.

Howard Dowd, Raymond Erickson, Helmar Anderson.

Nameless Three—2176.

Clarence Thornton, Arthur St. John, W. Turkington.

Has Beens—2142.

Henry Anderson, Fred McCormick, Carl Anderson.

Will Bees—2131.

Wm. Wetherell, Bennet Clune, John Hewitt.

American Eagles—1658.

Walter Walsh, Clarence Frost, Wm. Frost.

Comers—727.

Joseph Pettjean.

In the Three Man League games tonight, the Blue Pigeons and the Invincibles will bowl at 7:45 and the Nameless Three and Pinless Three at 8:45.

Monday night, the Comebacks and Will Bees bowl in the first period and the Don't Cares and Echoes in the second period.

The Comers and Twin Three and the Has Beens and Invincibles bowl Tuesday night; the Eagles and Pinless Three and the Blue Pigeons and Nameless Three Friday night.
