Assists At Cornerstone Laying of New Department of Justice Building.

Washington, Feb. 23.—(AP)—Placing the cornerstone of the new Department of Justice building, President Hoover today spoke his belief that "democracy can hope to endure only to the degree that it can find the means of enforcement of its own laws."

The cornerstone ceremony was the second taken part in by the President during the present week, as one after another of the new Federal buildings have started their rise.

"That it is, in the main, efficient in doing justice, preserving the social order, expediting the normal processes of our daily life and restraining evil doers, is truly a glorious achievement of a Democracy."

for ten kilometers, which he established here last year. Campbell said that although he was pleased with the records he made last year, he was confident that given good conditions, he could boost the marks still higher.

He indicated that under favorable conditions he would be able to attain a land speed of 300 miles an hour. On one of his two runs yesterday, Campbell said his instruments showed his motor was turning over sufficient revolutions to produce a speed of 300 miles an hour, but that because he ran over so many bumps, his wheels spun in the air much of the time, reducing his actual forward speed.

Wall Street Briefs

New York, Feb. 23.—Although January railroad statements issued so far present a mixed showing, there is a prospect, according to some Wall Street analysts, that the total net operating income for the month may continue the improvement recorded in December, which month showed the first increase since August, 1929.

SEE SHORT TERM FOR ISLAND'S HEAD

If Filipinos Accept Congressional Proposal, Cummings Would Serve 2 Yrs.

Washington, Feb. 23.—(AP)—The long-cherished dream of the Philippines for independence may near realization during the tenure of the new President-elect Roosevelt should there as the next governor general. Homer S. Cummings of Connecticut, is understood here to be the Roosevelt choice to succeed the president-elect's distant cousin—Theodore Roosevelt, son of the former President.

A decision whether to accept freedom under the terms of the independence bill Congress recently passed over President Hoover's veto is expected within 30 months after the new governor general arrives at historic Malacanang Palace in Manila.

It provides for granting the Philippines sovereignty after a ten-year transition period. Political leaders there are divided in opinion, some urging acceptance and others holding out for more favorable terms.

No Opposition Washington observers do not expect any opposition from the Philippines to Cummings. He is a personal friend of former Senator Henry B. Hawes of Missouri, who perhaps had more to do with passage of the independence bill than anyone else.

Should the Philippines accept the Congressional proposal, the new governor general would find his office abolished before he had served two years. Under the bill, if freedom is accepted the island legislation must summon a constitutional convention before next January 17. Another year then must be allowed to draft a constitution acceptable to the United States.

TINKHAM ASSAILS G. O. P. LEADERSHIP

Bay State Republican Says Party Must Purge Itself of Present Influence.

Washington, Feb. 23.—(AP)—The assertion that the Republican Party must "purge itself" of the influence and philosophy of President Hoover, Secretary Stimson and Secretary Mills if it hopes to regain control of the government was made in the House today by Representative Tinkham.

The Massachusetts Republican said that in Europe, under the Hoover-Stimson-Mellon regime, the United States not only has lost prestige but is regarded with contempt or ridicule for its emotional and maladroit interference in the political affairs of Europe.

"It is unthinkable," he said, "that the Republican Party can ever again obtain control of the government under such leadership as it has had during the past four years, under Mr. Hoover, Mr. Stimson and Mr. Mills.

Must Change Policy "The Republican Party must purge itself of their influence and their philosophy, which have never been sympathetic to American traditions, American public interests and American independence.

"The Republican Party can never achieve success under a leadership so incompetent and so lacking in foresight that on the eve of the greatest economic disaster the United States has ever known it talked of the abolition of poverty and inaugurated a policy of the most extravagant public expenditures ever attempted; a leadership which leaves public office talking of peace and international good will when its policies have brought the United States to the brink of war in the east."

Warns Democrats The incoming Democratic administration, he asserted, will suffer the same defeat if "it fails to adhere to the sound American policy of not interfering or participating in the political affairs of Europe and of maintaining at all times American neutrality."

Tinkham briefly reviewed recent developments in diplomacy, asked whether a secret political commitment has been made by this government with Great Britain.

"Has Great Britain been promised that she shall have further control of the seas and that the American Navy and American Naval defense shall be further curtailed?" he asked. "That would have been in accordance with the policy of the present administration during the last four years.

"Has Great Britain been promised that the United States will continue to avoid the issue of the 'freedom of the seas'?" Tinkham asked. "This issue," he said, "a vital one as American history shows, was eliminated by the present administration on the occasion of the last visit to Washington of Premier MacDonald, when an accord might have been reached. This issue involved us in the World War and was one of President Wilson's fourteen points. It was almost completely eliminated upon the demand of Great Britain at the conference which preceded the adoption of the Versailles Treaty.

"Has Great Britain been promised that the United States shall enter the permanent Court of International Justice of the League of Nations and support British policies there?"

"The present administration dictated the plank in the Republican platform of 1932 urging entry of the United States into this political court, the political subsidiary of the League of Nations.

"Has Great Britain been promised that arrangements will be made to insure that the United States will not be neutral in the next war?"

Neutrality Impossible "Neutrality in the next war seems to have been made impossible by the present administration by the proposal of an affirmative commitment under the Kellogg-Briand Pact.

"The present administration in the last election was crushingly defeated. This was due not alone to the economic depression, it was due in part to the opinion of the American people that this administration had been an alien administration, devoted to the interest of Europe and not to the interest of America, that it had abandoned American traditions and had impaired American security and safety.

"Even a casual observer can arrive at no other conclusion in reference to the foreign policy of this administration than that in its policy of vain and emotional realities it has been willing to commit American neutrality and American safety to foreign political events over which the United States has no control."

WATRES RE-ELECTED Washington, Feb. 23.—(AP)—Louis A. Watres, of Scranton, Pa., began a new term today as president of the George Washington National Memorial Association which erected the imposing memorial at Alexandria, Va.

Watres was selected to head the association yesterday in Alexandria. Harry G. Noyes of New Hampshire was elected second vice president and Melvin M. Johnson of Massachusetts and Ralph E. Lum of New Jersey directors for three years.

State Chairmen announced the following contributions of their states to the fund which totals \$3,353,663.

Connecticut \$64,184; Massachusetts \$180,561; Rhode Island \$52,531; and New York \$568,212.

Girl Scout Council The Girl Scout Council held its monthly meeting Tuesday afternoon at Girl Scout headquarters. Reports of the various scout activities were given by the different committees.

After the routine business Mrs. Robert Hawley, chairman of the entertainment committee, announced that the council would give a party for the Officers' association and Brownie Leaders' association at the Highland Park clubhouse, March 15.

Detailed announcements will be given later. Mrs. C. R. Burr, Mrs. David Armstrong, and Mrs. Henry Mallory were voted in as new members.

It was discussed and the council is planning to do as much as possible toward improvements at Camp Norton this summer. They feel that the camp is needed for the summer more than it has ever been before.

It was voted to have Miss Emily Smith, lieutenant of Troop 8 for camp director again this year.

The secretary gave the exact enrollment of Girl Scouts for the first of the year. There are 10 active troops, 9 captains, 17 lieutenants, 292 registered scouts, 4 brownie packs, 4 brownie ovis, 4 tawny ovis and 86 brownies.

Radio Announcement A series of radio broadcasts has been arranged through the courtesy of the N. E. C., in which internationally known women will take part. On February 11, Kathleen Norris spoke to the Girl Scouts and those who listened were well paid.

This week Saturday at 8:00 p. m. Marie, Grand Duchess of Russia, and first cousin of the late Czar, will be the second guest speaker of the Girl Scouts. She will broadcast over WJAF at 8:00 p. m. and will be introduced by Mrs. Frederick Edey, president of the Girl Scouts.

Listen in Girl Scouts, invite your friends to listen with you, for these programs are broadcast especially for you. Don't miss it.

Magazine Articles March 12 is the 21st birthday anniversary of Girl Scouting, and several magazines are going to have special articles on this subject. The March issue of Good Housekeeping, which will be on the news stands this week, will have a Girl Scout cover and an article by Mary Margaret McBride on "Scouting the Scouts." There will be a birthday greeting by Daisy Gordon Lawrence, the first Girl Scout, for the Sub-deb page of the Ladies' Home Journal. The issue also has an editorial by Miss Josephine Schain, national director of the Girl Scouts printed in the March issue of Parents.

Troop 3 The meeting was held Monday at the Nathan Hale school. It was opened with the horseshoe formation followed by patrol corners. The girls spent most of the evening passing tests. We practiced for the play that we are going to give in March. The Virginia Reel was played and we closed with the good-night circle.

Scribe, Marjorie Lahey. Troop 5 Brownie Fly-up The meeting of Troop 5 was given over to the Brownie fly-up. Jeannette Buchanan, a Brownie from Acorn Pack No. 1, flew up into our troop, entering Patrol 4. All the Brownies of the pack and the scouts of the troop were included in the ceremony, which closed with the scouts singing their welcome song. Several visitors were present, including several from the council and the troop committee. Cake and punch were served by the scouts and troop committee at all present, about 70. The goodnight circle was followed by taps and the brownie goodbye song.

Scribe, Faith Spillane. Troop 11 Monday we were invited to a Junior Auxiliary Party. We had a lovely time and wish to thank them for inviting us. We danced and sang and they played piano solos. They conducted their meeting with the President Evelyn Hess doing wonderful work. We then played games, sang patriotic songs, and enjoyed refreshments downstairs.

This was a Valentine Party and everyone had a good time. Our regular meeting was held at the Y. M. C. A. Wednesday after school. We had the horseshoe formation and the notices were read by Captain Tournaud. Signaling was practiced and tests passed. Edna Herrick directed the folk dance. We formed a large circle and sang songs. Then we had a bean-bag game, followed by a game using the Highwayman's knot. We sang "Golden Sun" and "Taps." The court of honor was held after the meeting. There will be no meeting this week. All the girls of the troop are requested to meet at Girl Scout Headquarters, Friday at 4:00 p. m. and go to the Rec for swimming lessons.

Scribe, Victoria Zelewitz. Brownies Acorn Pack No. 1 The regular meeting of the pack was held Monday afternoon with Troop 5 in the form of a fly-up. Jeannette Buchanan flew up into scouting with colored wings. We are sorry to have her leave but the pack hopes she will enjoy scouting. The next meeting of the pack will be Tuesday afternoon, March 7. This will be the Tuesday after the school vacation.

REPORT MAN MISSING Providence, Feb. 23.—(AP)—Max L. Rosen, said by "Doc" to be secretary of the Atlas Van Ware Company, New York, was missing from his stateroom on the Sound liner, City of Lowell, when the steamer docked here this morning.

Search of the stateroom revealed three letters, one addressed to his wife at Laurelton, Long Island, expressed concern for the couple's baby. Another was to his mother, Mrs. Anna Rosen. A third was to Dr. Ira Lander, a physician.

BANKS IN MICHIGAN ARE REOPENING TODAY

Financial Crisis Thought Passed—Plan To Increase the Amount of a Withdrawal.

Detroit, Feb. 23.—(AP)—Michigan enters the second phase of its extraordinary banking holiday today—some of them for the first time since Governor William A. Spong proclaimed the holiday on February 14.

With a few exceptions, banks throughout the lower peninsula followed the lead of Detroit's banks and announced that five per cent of all accounts would be made available to depositors.

Although there was no formal announcement, it was believed that plans were underway to permit increased withdrawals within a few days, possibly next week.

Bankers generally predicted that resumption of normal business would follow soon upon the enactment of legislation protecting state and National banks. Such legislation now pending in Lansing would empower the State Banking Commissioner to declare an emergency to exist either at his own discretion or upon request of the bank officials. Forces would "destroy the military framework of our system of National defense."

NATIONAL DEFENSE IS BIG PROBLEM

New Secretary of War Will Have Difficult Task in Keeping Present Status.

Washington, Feb. 23.—(AP)—In the face of turbulent conditions in several parts of the world the big problem confronting the incoming secretary of war will be to provide adequate National defense at minimum expense.

George H. Dern, former governor of Utah, is believed in Washington to be the man upon whom that duty will fall.

What the Army wants is to maintain its present status. Any cut in its trained man power, officers complement, would weaken the main props of this country's National defense.

Demands of the budget for curtailed expenditures gave General Douglas MacArthur, chief of staff, an opportunity to warn the House appropriations sub-committee that any further reduction of the land forces would "destroy the military framework of our system of National defense."

HERE'S NEW HEALTH FOR YOUR LIVER

New health had breath, pimples, constipation; feel like a million!

That tired, sallow feeling in the morning, that "dark-brown" taste in the mouth—if you would banish them and win back rosy health, don't expect relief from salts, mineral oil, or candy and chewing-gum laxatives.

For such remedies only move the bowels. While chances are, you're one of the thousands suffering from sluggish liver which does not yield sufficient bile—causing pimples, blemishes, headache, bad breath and a general run-down feeling.

What you need is something which acts thoroughly but harmlessly upon the liver. And in Dr. Edwards Olive Tablets you will find that "something," which stimulates the bile flow.

A successful substitute for calomel, these famous tablets are compounded of pure vegetable ingredients, and have been praised for years by millions.

To get and keep the bile flowing freely—correcting constipation, skin troubles, and win back that "fine-and-dandy" feeling of youth—go to your druggist for Dr. Edwards Olive Tablets today. 10c, 30c, 60c.—Adv.

FREE HAND GIVEN PRESIDENT-ELECT

House Follows Senate Action In Allowing Mr. Roosevelt To Arrange "New Deal."

Washington, Feb. 23.—(AP)—Franklin D. Roosevelt apparently is going to have a free hand in re-arranging the various government bureaus to aid in carrying out his campaign pledge to reduce government expenditures by 25 per cent.
Following the action of the Senate, the House yesterday voted to give Mr. Roosevelt autocratic power to reorganize the government and effect whatever "new deal" he desires in its method of functioning.

ENGINEER DESCRIBES NEW GOLD STRIKE

Says South African Field Will Help To End Present Economic Depression.

New York, Feb. 23.—(AP)—Another great gold strike—possibly one to past rushes which helped end former depressions—was described to the American Institute of Mining and Metallurgical Engineers today.
One-eighth of the world's present gold production is the estimated, though not yet proven, capacity of this new field, the Consolidated Goldfields, South Africa. This dazzling estimate was reported by F. W. Lee, supervising engineer, Geological Section, U. S. Bureau of Mines, Washington.

MANY FOREIGNERS LIVE IN PEIPING

If Japs Reach That City International Complications Will Surely Follow.

Washington, Feb. 23.—(AP)—International complications of a grave nature are feared by foreign diplomatic and consular officials in North China should the fighting between Chinese and Japanese troops spread south of the Great Wall and involve Peiping and Tientsin.
These two cities have foreign concessions and extensive foreign interests. Each has a population of over 1,000,000 and western powers can not forget the horrors experienced by their nationals in these cities in 1900 when they were besieged by Boxers for many weeks.

TALCOTTVILLE

Isaac Greyearth who has been connected with the U. S. A. work for some years will speak about Indians in the assembly room of the church tomorrow afternoon at 1:15. Mr. Greyearth was born on the Sisseton Reservation and lived for the first ten years of his life in a wigwam. His early education was received in the Flandreau Indian school and he later spent two years at Mt. Hermon, some time at Haskell Institute, Kansas, and also at the North Dakota Agricultural College. His work for some years has been in connection with the Y. M. C. A. in the government schools at Flandreau, South Dakota and at Pipestone, Minn. He is a full-blooded Sioux Indian and is a chief of that tribe. He tells many interesting stories of the training the Indians of the reservations and the conditions in which the Indians live in the past and how they are living today. He is a most versatile and interesting speaker. Everyone is invited to attend. The Delaware mission is free and it is hoped a good sized audience will be present.

RAILROAD MAN KILLED

New Haven, Feb. 23.—(AP)—Thomas H. Ryan, about 55, a railroad station hand, was killed on the tracks close by the railroad here last night. He had attempted to cross but it was not known which of several trains in movement at that time, hit him. Beside the body, which was seen by an engineer, was a full dinner pail.
Identification was made today by a son, Ryan, about 16, and two sons and four daughters.

CHILD OF MANHATTAN

"Child of Manhattan" stars the vivacious and beautiful Nancy Carroll, in what proves to be not only a parcel of fun entertainment but it also contains such attributes as a fine mounting and story twists that reach a new and welcome level in suspense. Miss Carroll is seen as the dance hall girl who gives her love to the handsome, rich New York man-about-town which in turn is aptly played by John Boles.

VATICAN GIVES OUT PROCESSION RULES

Rigorous Orders Issued For Rome Diocese Which U. S. May Have To Follow.

Vatican City, Feb. 23.—(AP)—Rigorous rules regarding religious processions in the Rome Diocese so that "abuses if any may be extirpated and the processions conducted orderly with modesty and reverence" were issued today by Cardinal Marchetti-Selvaggianni, Pope Pius' vicar-general.

Since the Rome Diocese is the mother diocese of the Roman Catholic church, the cardinal's regulations may eventually be copied in all dioceses, including the United States.

His Eminence forbids all processions outside churches unless his consent has been obtained through a written request 30 days previously.

The parish priest must indicate the motive of the procession, the images, statues and relics to be carried and what clergy and laity will participate.

Order of March The cardinal orders that men's organizations march first, followed by the clergy and then the women. The order forbids women to wear special costumes and absolutely forbids children to be clothed as angels and saints even within the church.

If the processions coincide with a civil celebration, the civil festivities must not disturb the seriousness of the procession.

To Reduce Processions An indication that the cardinal intends to diminish the number of processions is given in his order that priests immediately furnish him a list of processions customarily held throughout the year in the parishes, the date when first introduced, the importance thereof and whether in honor of some saint.

The vicar-general concludes "if for whatever reason orderly functioning of the procession cannot be assured, it is better to abstain therefrom or at least limit it to the interior of the church."

GUNNAR JOHNSON PLAYS "SCRAP OF PAPER" LEAD

Has Had Roles In Other Amateur Productions—Others In Cast.

Gunnar Johnson, a graduate last June of Manchester High school, will have the lead in the Community Players' production of Sardou's French comedy, "A Scrap of Paper."

At the Whitton Memorial hall on Saturday afternoon and Monday evening. The youth was the star in "Babs," a high school success, and in the October play by the Community Players, "It Pays to Advertise."

In the coming comedy he will have the role of Prosper Courmont, the sporting, care-free Frenchman who wins the love of the young and flirtatious wife of Baron La Glaciere.

Miss Ruth Smith plays the role of the baroness, and the little scrap of paper which forms the title of the play is sent by her to her lover and causes complications aplenty.

Miss Frances Howe who has the feminine lead is a modern young person with advanced ideas. Of equal prominence is the part assigned to Robert Marchant, that of the grouchy middle-aged baron.

Miss Evelyn Jones is cast in the role of a maiden lady of uncertain years with a yen for young men.

Miss Margaret Peticolas is a young girl in her teens; Richard Owens, an absent-minded naturalist; Herbert Wright is in love with Margaret. Minor parts will be played by Harriet Coburn, Florence Bierl, Arthur Scrantom and Ray Metz.

Miss Faith Fallow is the part in charge of properties, Albert Tuttle, stage arrangements and Karl Keller, house manager.

The matinee at three o'clock Saturday will be for the benefit of groups as well as children. Tickets may be obtained from the players, Y. M. C. A. members, and exchanged for reserved seats without extra cost at the Y or at Kemp's.

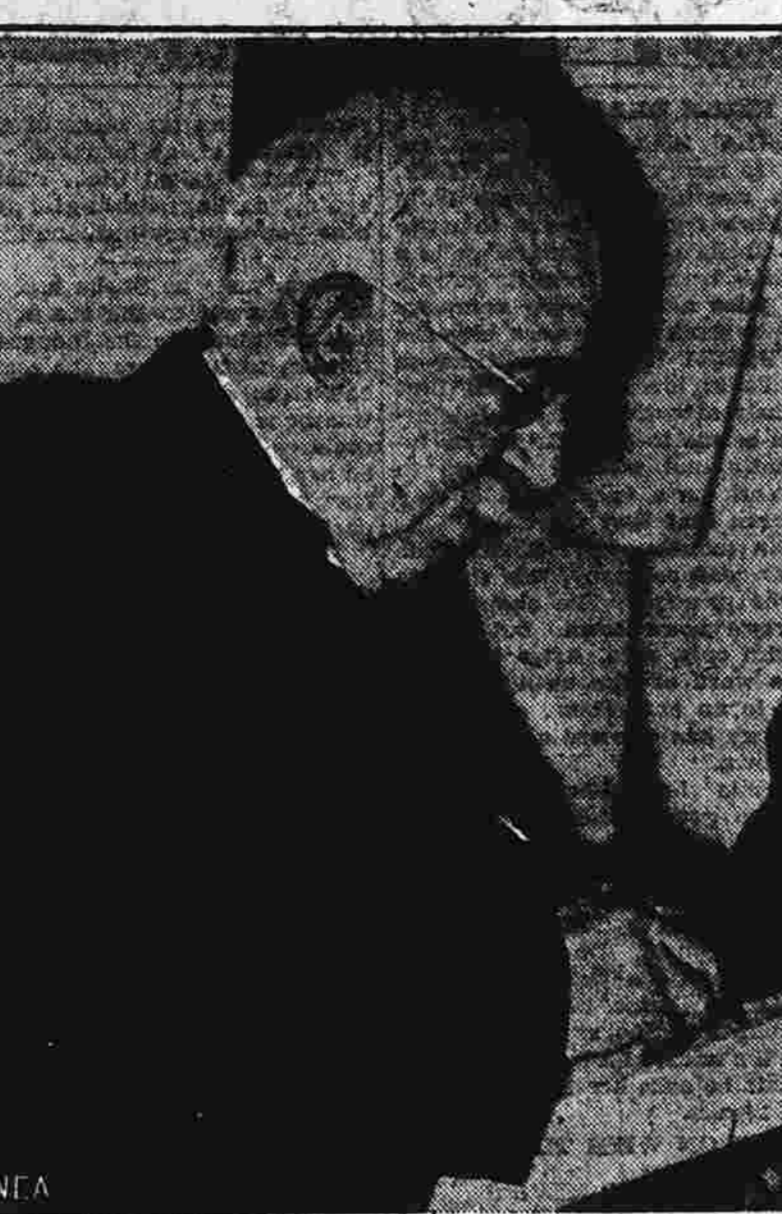

The play is given for the benefit of the Y. M. C. A. which has at all times cooperated with the Community Players in their efforts to produce worth while entertainment and at the same time assist in a financial way community uplift.

MITCHELL GOT \$100,000 FOR LOANING STOCK

Own Company Pays Him Big Sum As Interest For a Few Months.

Washington, Feb. 23.—(AP)—Officials of the National City Company acknowledged under persistent questioning by Senate Stock Market investigators today that their company was in a "short" position in the stock of the National City Bank in the spring of 1929.

"Then," Chairman Norbeck said, leaning forward in his chair, "since the bank controlled the company, it was in effect selling its own stock short while the public was buying it."

Officials of the company testified 30,000 shares had been borrowed from Charles E. Mitchell, chairman of the bank, to cover sales to the public, but insisted that the transactions did not actually amount to "short selling."

He contended that while the company did not have the stock in New York, it may have been en route, though they were unable to show that was true.

Ferdinand Pecora, committee counsel, contended that the evidence showed the company was selling short in the bank stock at the same period in which he has asserted it was conducting an "intensive campaign" to sell the stock to the public as an investment.

The evidence disclosed that Mitchell received interest of more than \$100,000 for loaning the stock for a few months to the company of which he is chairman.

GIVE MINSTREL SHOW IN CITY HOSPITAL

Married Couples Club Gives Entertainment Last Night—Here Tomorrow Night.

The Married Couples club of the Second Congregational church gave an advance performance of the minstrel show they are staging at the Hollister street school tomorrow evening, for the benefit of the patients at the City hospital in Hartford last night.

This is the second minstrel and dance of the club. The chorus and soloists have been putting in much time in preparation under the direction of Walter Henry and Charles L. Plynt of Hartford. Mr. Plynt will be one of the soloists. Other men and women who will be heard in solo numbers include Mrs. Sherwood Bowers, Mrs. Lester Wolcott, Mrs. Frank Witter, Rev. F. C. Allen, William Spencer, John Stout, Clarence Sadrosinski, Rufus Robinson and Henry Stewart.

Mr. Plynt will be interlocutor and the end men William Dillon, William Brainerd, Jacob Greenberg, Roger Winton, Lloyd Bacey and Walter Henry. Others in the chorus are Mrs. F. C. Allen, Mrs. William A. Knoffa, Mr. and Mrs. Meredith Stevenson, Mr. and Mrs. Herbert L. Tenney, Mr. and Mrs. Ralph Rockwell and Mrs. Ainsley Kuhney. The North End Harmonizers will have a part in the program and Thomas Conran and Warren Gerico will dance.

General dancing will follow the show.

NORRIS EXPLAINS CORPORATE RULE

Senator Says Eight Banking Houses Can Control Almost the Entire Nation.

Washington, Feb. 23.—(AP)—With charts and pointer, Senator Norris launched in the Senate today an attack upon what he referred to as the "spider" of corporate control by New York banks.

Pointing to a chart eight feet square entitled "Spider Webb of Wall Street," the Nebraska told the Senate it did not "come anywhere near" being big enough to show all the corporations under the influence of the New York financial center.

"There isn't wall space in this Senate chamber that would hold the map," he said. "Instead of 120 major corporations, shown here, there would be thousands."

Pointing to the eight legs of the huge black spider, he said these represented J. P. Morgan and Co., Guaranty Trust Company, Bankers Trust Company, and the First National, Irving Trust Company, Central Hanover, National City and Chase National banks.

A web-like mass of black lines he described as connecting these eight banks with 120 major corporations by means of interlocking directorates. Each line, he said, meant that the bank and the corporation have at least one director in common.

The great banking houses, he said, "can control practically any corporation of any size in the United States."

The National City Bank, of New York, officers of which were testifying in the Stock Market investigation, he said, has at the present time 24 directors in aviation companies, 41 in other banks, 104 in miscellaneous corporations, 44 in insurance companies, 102 in manufacturing companies, 29 in transportation and 115 in public utilities.

Seven "Morgan banks," he said, have 2,242 directorships in various corporations.

Y. M. C. A. Notes

The new "A" and "B" leagues produced some unexpected upsets last night. The Tigers showed their ferocity worse than ever and took the supposedly invincible North Ends into camp by a score of 28 to 25. This was a very fine game and greatly enjoyed by all. Don't forget tonight, however, when the title for the first double-round will be settled between the Oxford and the North Ends at 8 o'clock.

The second upset came when the fast Oxford went down to defeat at the hands of the Community Fillers. The game was a good one but rougher than first class basketball should be. When they all learn to control the ball in more certain passing and receiving rather than the bursts of speed and power the Fillers will have a better team.

The third game also upset all the dope sheets and found the Falcons getting their wings to work in good shape giving them a victory over the Wildcats by a very close margin of 17-14. Everybody seemed glad to see the Falcons getting into the winning list and this will no doubt put more pep into the Wildcats another time.

The last game of the evening was between the Buckland old bunch and a new group also from Buckland called the Ramblers. This was the Ramblers first tryout and as a result they could not quite find themselves but they have some good players and will no doubt make a better showing another time. Their score was 49 to 20.

The musical given by the ladies of the D. A. R., Oxford Parish Chapter, was well attended yesterday. The banquet hall was filled about to its capacity.

Tomorrow night our Intermediate settle the County Y. M. C. A. championship when they will meet the Boys from Wapping at 9:30 at the Hartford Y. M. C. A.

COMPLETES EULOGY, FATALLY STRICKEN

Professor Dies After Completing An Address At Memorial Services.

Columbia, S. C., Feb. 23.—(AP)—Yates Snowden, 74, professor of history at the University of South Carolina, died of a heart attack late yesterday immediately after he had completed an address at memorial services for deceased university professor and president.

His lifeless body "tumbled down on the campus of the school he had served since 1905 just as he completed a eulogy of Benjamin Sloan, who was president of the university when Snowden joined the faculty.

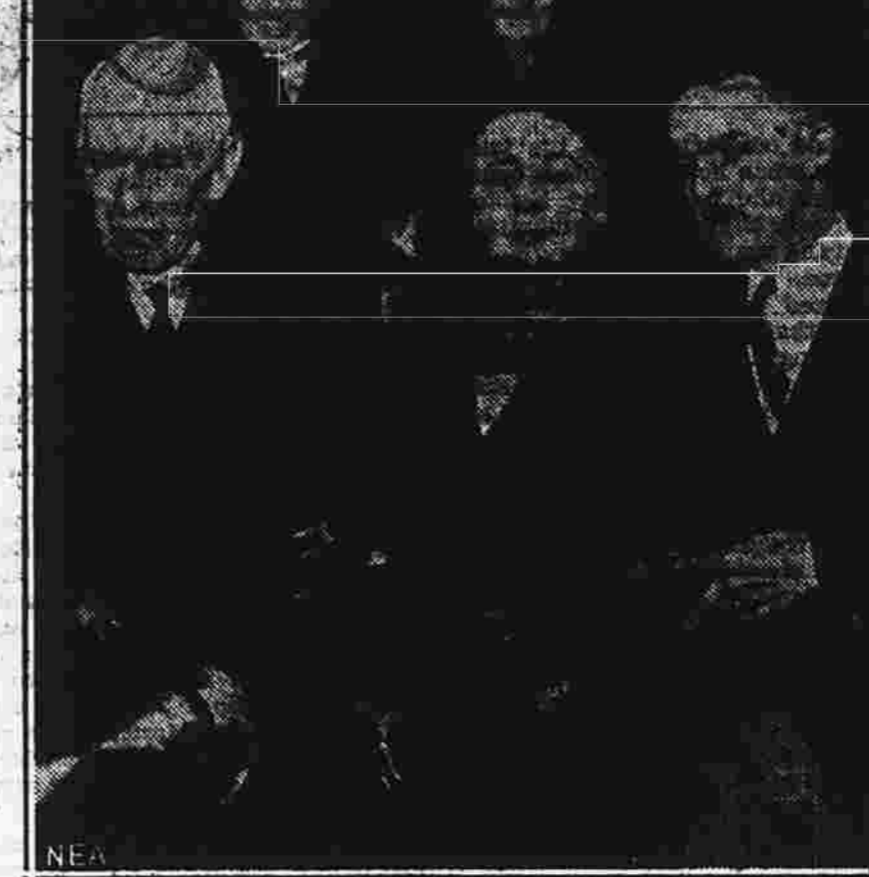

Funeral services will be held Friday at Trinity Episcopal church here.

Professor Snowden, recipient of the honorary degree of Doctor of Laws from the College of Charleston, his alma mater, in 1910, frequently advised his students to call him "professor" or "Mr. Snowden" in preference to his title of "doctor."

The Real Reason For this peculiarity he never gave more than some joking explanation but all the campus knew and Professor Snowden was aware of that knowledge that the university's professor of history had never earned an academic degree because of difficulty with higher mathematics.

His knowledge covered virtually all ages of history and on South Carolina he was a recognized authority. He knew not only the economic and political development of his native state but it was not unusual for him to take a new student's name and then, to the surprise of

He explained this penchant for coffee late at night by saying it was a habit he had formed while on the editorial staff of the Charleston News and Courier, a morning newspaper, where he worked from 1886 until he joined the University's faculty.

WAKE UP YOUR LIVER BILE—WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sore and pink and the world looks pink, don't swallow a lot of calomel water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of confidence.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out thousands of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just clogs in the bowels, does little or no good. Your liver has a thick, bad taste and your breath in the morning often breathes out in stinks. Your feet aches and you feel down and out. Your whole system is poisoned.

It takes three good old CARTER'S LITTLE LIVER PILLS to get these things out of the bowels and your system. They contain no calomel, no opium, no morphine, no barbiturates, gentle vegetable extracts, something when it comes to making the bile flow freely.

But don't get for five pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red box and the substitute. 25c at all stores. ©1931 C. M. C.

YOUNG CORBETT WHIPS JACKIE FIELDS, WINS WELTERWEIGHT CROWN

Outpoints Champ Decisively With Dazzling Early Attack; Leaves No Doubt As To His Superiority; Marks Climax of Three Years As Challenger.

San Francisco, Feb. 23.—(AP)—Young Corbett the Third, looked out over the welterweight ranks today as the champion of a division in which he has been the most persistent challenger for the last three years.

Fields based With a dazzling early attack that won him five rounds before his opponent got started, Corbett piled up an advantage that left no doubt in the minds of 15,000 fans as to his superiority.

Tiring somewhat in the eighth and ninth rounds, Corbett finished with a rally that left Fields dazed and leg weary.

Corbett fought his battle along well laid plans. He drove in the first blow, a left to the body, and continued to beat his rival to the punch until midway through the fight.

Fields' Spurt Is Short Lived Just when Corbett's backers were beginning to predict a knockout, Fields found the range.

The title holder made his big bid in the ninth round which he pounded Corbett around the ring with two-fisted attack.

DETROIT, NEW YORK TO SETTLE DISPUTE OVER FIRST PLACE

American Division Leaders Clash In Important Hockey Game Tonight; Other Contests Stated.

New York, Feb. 23.—(AP)—With just ten games to go before the National Hockey League season ends for them, the Detroit Red Wings and New York Rangers are out to settle their argument over first place in the American division tonight.

The other contests bring together the Montreal Maroons and New York Americans, second and third respectively in the international division; the Ottawa Senators, last place club of that section, and the leading Toronto Maple Leafs; and the Chicago Blackhawks, sturdy trailers of the American group, and the Montreal Canadiens, the amazing in-and-outers, who are fourth in the international.

Expect Close Game. Thirty-eight games, including four clashes between the first-place rivals have not been able to show superiority for either Detroit or the Rangers.

Corbett Is Italian The new title holder is of Italian parentage, his real name being Raffaele Giordano.

As an added attraction for the bowling fans tonight in conjunction with the girls match, Charles Kobert of this town will meet Joe Santora of Meriden in a twenty game match to be rolled on the home and home basis.

KOKEN TO COACH Hank Anderson, Notre Dame football mentor, advances the information that Mike Koken, shifty little Irish back of last year, may be assistant to Jimmy Conroy at Fordham, or occupy a similar post at Michigan State this football season.

TWO SEEK RECORDS IN NATIONAL MEET

Metcalf and Cunningham To Aim At New Marks In Saturday's Events.

New York, Feb. 23.—(AP)—At least two of the 275 athletes saturated in the National indoor track and field championships Saturday are aiming at record performances in their events.

Metcalf, National champion at 100 and 200 meters, will try to win a title and crack a record at 60 meters, a race usually considered too short for him.

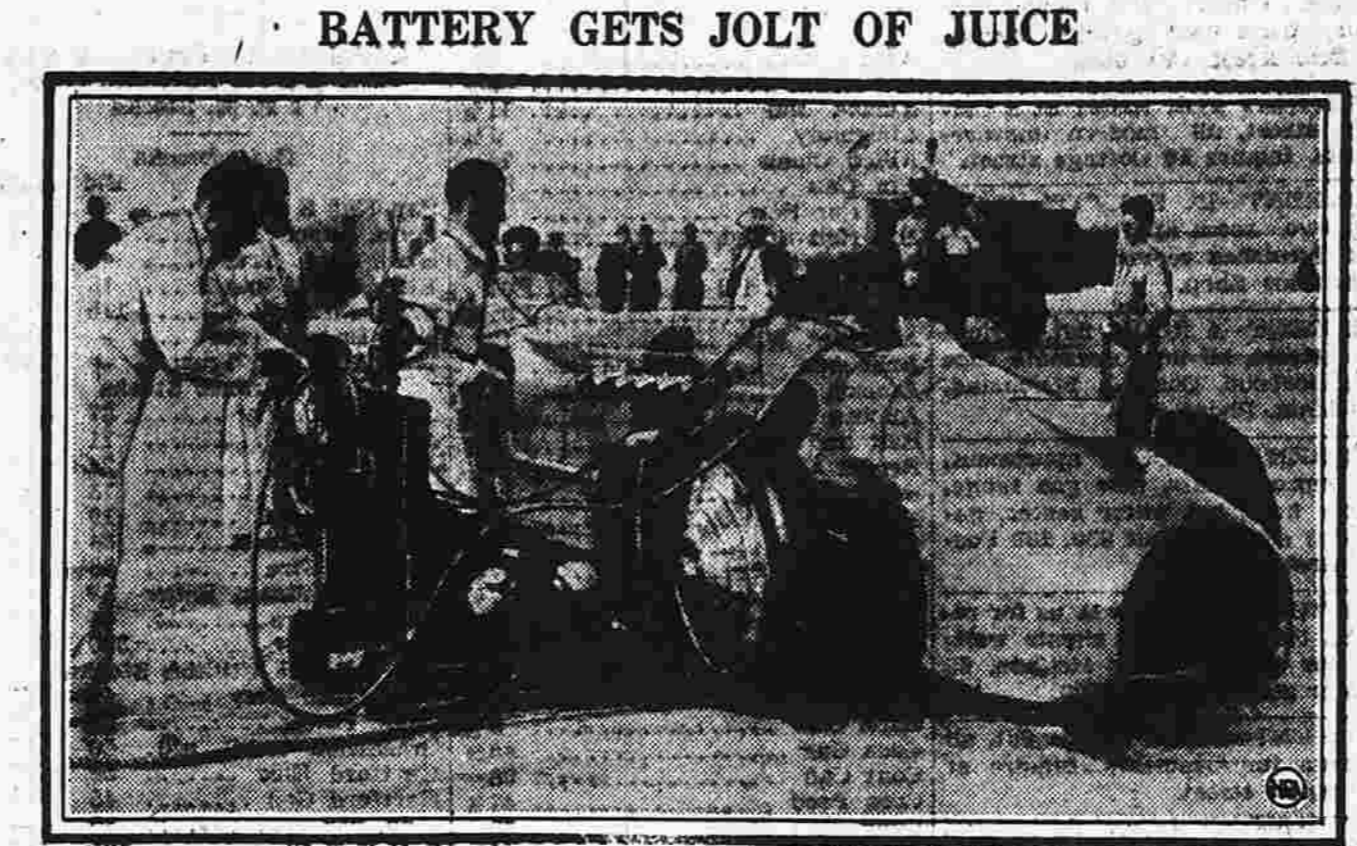

Cunningham yesterday asked permission of Amateur Athletic Union officials to continue to the mile mark at the end of the 1,500 meter event in an attempt to shatter Gene Venke's 4:10 record.

The Marquette negro has been rated as too slow a starter to get far at the shorter distances, but during his winter campaigning he has confounded his critics by running 70 yards in seven seconds at the West Virginia meet to equal the world's record then clipped a tenth of a second of the accepted mark for 40 yards by running the distance in 4-3-10 in a dual meet with Wisconsin.

WINDSORS IN SLUMP New York, Feb. 23.—(AP)—In all probability the Windsor Bulldogs will get into the International Hockey League playoffs unless the league decides to change its present four-club round-robin system.

DAYTONS BEACH, Fla., Feb. 23.—(AP)—Three new world land speed records were to the credit today of Sir Malcolm Campbell, driving his Britisher today from all parts of the world.

With new flying start records for one kilometer, one mile and five kilometers, to top more than a quarter of a century of thrilling racing and narrow escapes on the roaring road.

Whether he makes any more speed trials now, or decides to sail for England shortly, will depend, he said, upon how soon he recovers from an injured left arm, sprained while making repairs to his giant bluebird racing car a week ago.

Through his two runs for the three new flying start records yesterday, Campbell steered the hurtling machine most of the way over a nine-mile stretch of bumpy beach, with only one hand. Afterward, he described his experience as "the worst ride I ever had in my life."

FIRST STRING VARSITY REGAINS EARLY SEASON FORM AND WINS EASILY

Red and White Holds Visitors To Four Field Goals and Are Never In Danger In Fast, Aggressive Game; Seconds Also Win, 34-16.

Regaining the fighting spirit and a semblance of the basketball ability that marked their early-season play, Manchester High's first string varsity quintet smothered Rockville High at the State Armory last night by a score of 38 to 17.

The encounter marked the first step in the first string varsity's attempt to vindicate its mediocre performances in the last four games.

The Red and White increased their lead to 14-7 by halftime the Windy City outfit availing the cords for only one basket from the floor.

Manchester High's seconds also came through with a top-sided victory after a poor first period start in which Rockville gained a 6-3 lead.

Sport Chatter

The St. Mary's sprang a surprise last night by upsetting the All-Burheades at East Hartford in the first game of a series to decide the championship.

Rockville High lost more than a basketball game last night when beaten by Manchester. Coach Chatterton had promised his charges new sweaters if they defeated the Red and White but the locals were clicking last night and just couldn't be stopped.

When the M. H. S. freshmen trounced the Watkinson School of Hartford recently by a score of 51-18, it was the latter school's second team and not the first as the story indicated. Apologies are in order to Sherwood "Cap" Small, Watkinson coach and local referee.

The date for the drawing will be announced through the columns of this paper. The Manchester Brass band, Frank Bellucci, leader, will have a meeting tomorrow evening at 8 o'clock at the School street Recreation Center.

GARAGE, TWO CARS DAMAGED IN FIRE

Blaze of Undetermined Origin—One Auto Owned By Bay State Guest. Fire at 10:40 o'clock last night destroyed the greater part of the interior of a two-car garage owned by Charles F. Trebbe, of 93 Benton street, and also caused considerable damage to two automobiles in the building. The loss to the garage was estimated at \$200 by Building Inspector Edward C. Elliott, Jr. The origin of the fire is undetermined but it was believed to be one of the cars. It had gained considerable headway before an alarm was turned in from Box 64 at East Center and Benton streets, bringing Rose Companies No. 2 and 3 to the scene, along with the usual rush of automobiles. A Dodge car owned by Mr. Trebbe was removed by the owner, who was burned slightly about the neck. The car was burning when removed and was badly damaged. The other car, a Plymouth, was owned by Joseph Donahue of Lynnfield, Mass., who was visiting Mr. Trebbe. The machine was new and was covered by insurance. Mr. Trebbe's car was not insured. Firemen kept the fire confined to the interior of the garage. As a result of the rush of automobiles to the scene, Officer Michael Fitzgerald tagged two for parking against traffic, the drivers paying \$2 each at the police station for the privilege.

REHEARSAL OF LUTHER CHORIR NEXT SUNDAY Members of Hartford District League To Go To Stamford; Concert April 2. A rehearsal of the Hartford District Luther League chorus, of which the choir of the Emanuel Lutheran church is a member, will be held at Stamford Sunday afternoon in preparation for the concert to be given by the combined choruses of the New England Conference at the Bushnell Memorial on Sunday, April 2. This concert will be a part of the program of the Hartford Conference to be held at Hartford, April 1 and 2. The combined chorus will total nearly 500 voices and will include singers from the Providence, Boston, Worcester and Hartford districts, under the direction of Helge E. Pearson, a member of the chorus. The rehearsal will be held at 7 o'clock at the first time that the separate choruses have been brought together in a combined concert. The local choir will make the "up to Stamford by bus, leaving the church at 12 o'clock Sunday noon. A rehearsal will be held at arrival at Stamford, followed by a concert in the evening.

PEARSON NAMED CHURCH SOLOIST

Local Man Gets Appointment In Hartford—Takes Effect On May 1. G. Albert Pearson, widely known local singer and musical director, has been named as bass soloist of the Asylum Hill Congregational church of Hartford, it was announced today, the appointment to become effective on May 1. next. This is an important advancement for Mr. Pearson and a compliment to his talent and ability as a vocalist. Mr. Pearson has had wide experience as a soloist. A pupil of Mrs. Nellie Carey Reynolds of Hartford, he was soloist at the Center Congregational church of Hartford for three years and is now rounding out two years at the First Presbyterian church in that city. He is supervisor of music at the Longmeadow, Mass., junior high school and director of music at Manchester High school here. He also is organizer and director of the Schubert Singers of Hartford and maintains a studio for vocal instruction at 1009 Main street. Mrs. Bertelme Lashinske of this town is the contralto soloist at the Asylum Hill church and the other members of the quartet are Miss Ida Yadevitch, soprano, and Maurice Warden, tenor. Edward F. Laubin is organist and choir director.

HOSPITAL TRUSTEES REVIEW REPORTS

Learn That December Admissions Hit A New Low Record; Clinical Supervisors. The census at the Memorial hospital during the month of December struck a low ebb, it was revealed to the Board of Trustees in the monthly report of the superintendent. The least number of patients any one day was 27 and the highest was 51, the average being 39 and the total for the month, 1011. The local institution is listed as a 50-bed hospital. Twelve deaths came during the month and there were ten births, seven male and three female. The annual reports of the heads of the various departments and clinics were read to the trustees. Dr. John F. Barry reported on behalf of the children's dental clinic and Dr. D. C. Y. Moore for the X-ray department. Others were: Dr. N. A. Burr on medical service; Dr. Boyd on pediatrics; Dr. Edwin C. Higgins on chest clinics; Dr. David M. Caldwell on surgery; Dr. Amos E. Friend on eye, ear, nose and throat clinic; Dr. Ralph E. Kendall on clinical pathology; Dr. C. Y. Eitgood on genito-urino service; Dr. John F. Barry on adult dental clinics; Dr. LeVerne Holmes on orthopedics; Dr. D. M. Caldwell on obstetrics and also on anaesthesia.

REHEARSAL OF LUTHER CHORIR NEXT SUNDAY

Must Be Studied. Engineer Cook stated that considerable study of the matter should be made in reference to installation, legal and technical phases of the local proposition. In conclusion the speaker said that the town could improve its general use of Diesel engines in motor ships and submarines and spoke of an appearance before a Congressional committee, at which time he described a saving in operation costs on boats in which Diesel engines had been installed, of over 50 per cent above other methods of propulsion.

ATTEND NEW HAVEN LUTHER CONFERENCE

Herman Johnson of This Town Named Delegate To Convention in Chicago in June. Rev. E. E. Erickson, pastor of the Emanuel Lutheran church, and Herman Johnson, a member of the board of deacons and president of the Luther League, attended the annual convention of the Hartford District of the New England Conference at New Haven yesterday as delegates from the local church. Nearly twenty members were also present from Manchester at the service.

WOMEN VOTERS' LEAGUE HEARS FIELD SECRETARY

Miss Florence L. Harrison Is Guest Here and Gives Members Instructive Talk. Manchester League of Women Voters held its monthly meeting Tuesday afternoon with Mrs. Richard G. Rick of East Center street. The guest speaker was Miss Florence L. Harrison, field secretary of the league. Miss Harrison was formerly affiliated with the national league and has worked in many different states in the interests of the league. She gave a very instructive talk and also described to the members the processes of support and opposite to different measures now before the legislature. Mrs. Max Bengt, who is chairman of the foreign relations study group, announced that the meeting scheduled for next Monday would be postponed until Monday, March 3.

URGE MUNICIPAL LIGHTING PLANT

"Taxpayers" Hear Engineer Describe Diesel-Operated Power Houses. Asserting that "we must declare our independence as far as the big power companies are concerned" Sherwood G. Bowers president of the Taxpayers' League outlined the proposal by which the town of Manchester might own and operate its own electric light plant, at the regular monthly meeting of the league last night in Tinker Hall. By a unanimous vote President Bowers was empowered to take steps to petition the state legislature for permission to own and operate a municipal plant in Manchester. Diesel Plants Dr. Cook of the McIntosh and Seymour Corporation addressed the meeting, describing the methods of use by over 300 municipalities which own their own Diesel-operated plants throughout the United States and many foreign countries. Though the operation of municipally-owned plants in many of the western towns, all municipal improvements including paving, oiling, care of parks and construction of sewers were paid for out of the savings of the electric plants over and above the very low cost of operation, he said. The speaker estimated the cost per kilowatt hour at from one-half to eight-tenths cents in an average plant. Engineer Cook described the history and advance of steam, gas, and Diesel engines since their invention, and described the uses to which the latter type of engines have been put since the World War. He spoke of a recent trip to Germany where he interviewed the directors of the great Mercedes automobile plant in that country, which has recently scrapped gasoline engines which they have perfected for over thirty years, for Diesel engines to be used in their automobiles and trucks. He also spoke of the general use of Diesel engines in motor ships and submarines and spoke of an appearance before a Congressional committee, at which time he described a saving in operation costs on boats in which Diesel engines had been installed, of over 50 per cent above other methods of propulsion.

URGE MUNICIPAL LIGHTING PLANT

the Board of Relief favored a 10 per cent reduction on small homes for this year but due to the large increase in appropriations, and bonded indebtedness, the town was near the 5 per cent limit of the gross grand list, on which the borrowing capacity of the town is based, and could not further jeopardize the town by making any reductions in the tax assessment this year. "The whole thing hinges on what appropriations are made at the October town meeting," Chairman Bowers said. Chairman Bowers complimented the people of Manchester on their attitude taken in respect to the removal of the street lights to conform to the October appropriation. "I am surprised that they did not object more forcibly," he said. "It is a sign that people are realizing what is going on in town." Average Light Cost He said that a taxpayer paying a tax on \$2,000 worth of property at 17 mills only paid for one street light based on the proportion of cost of street lighting to his tax, and that many of those that thought they were entitled to a light in front of their homes on the basis of the tax paid, did not deserve the service of the exclusion of other taxpayers. The average taxpayer is not paying for the cost of even one light," he said. Speaking on the garbage contract, bids for which were called recently by the Board of Selectmen, Chairman Bowers said that the net saving on the bid accepted by the Selectmen would be approximately \$2,400.

SERVE REAL IRISH STEW AT S. A. CONVENTION

Young People's Group Eat Supper Prepared By Daughters of Liberty. Daughters of Liberty, No. 125, L.L.O.L., prepared and served the supper for the convention of Salvation Army Young People's Council, at Orange Hall last evening and were complimented by the more than 250 who enjoyed it. The Daughters had been requested to serve an "Irish" supper, and they prepared in generous supply a real Irish stew, with plenty of beef, potatoes, onions, carrots, parsnips, celery and parsley. It was served piping hot and constituted a meal in itself. In addition, the Daughters of Liberty made Irish soda bread in their own homes and ordered Irish fruit bread at the bakery and Parker House rolls. Apple pie and tea rounded out a meal which the young Salvationists and others not so youthful enjoyed to the full. Decorations on the tables and lights were in the nation's colors, red, white and blue, in observance of Washington's birthday. Tomorrow evening the Orange Hall Corporation will give an old-fashioned Irish tea party and dance at the hall, which is open to all at a moderate charge.
