

TWO LITTLE SISTERS HIT BY AUTOMOBILE

One in Hospital With Broken Leg—Morris Pasternack is Arrested.

Morris Pasternack, 50, of 388 Cornwall street, Hartford, proprietor of the Elite Studio, 983 Main street, was arrested late yesterday afternoon by Officer Walter Casella, charged with operating an automobile with defective brakes when his car struck and injured Elmore LaChance, 5, and Evelyn LaChance, 5, daughters of Mr. and Mrs. Edward J. LaChance of 311 Spencer street.

Pasternack was driving west on Spencer street when he struck the two children. Police say that the children were crossing the road in front of their home, when they were struck, several feet off the highway. Elmore was taken to the Manchester Memorial hospital with a broken leg and Evelyn was treated for scratches and minor bruises. In town court this morning trial of the case was adjourned to Saturday, May 27 on the request of Pasternack's attorney, William S. Hyde.

Other Court Cases 85 of Enfield street, Enfield, arrested last night at Depot Square by Officer John Cavagnaro for driving a car with defective brakes and driving without a license was fined \$10 and costs on each count. He paid.

Judgment was suspended upon payment of costs in the case of Louis Cherrone, 60, of 50 Starline street, arrested by Sergeant John McMillan last night on Woodbridge street without lights on his car. Cherrone told the court that he fixed his lights after the officer stopped him and drove to the police station and notified Captain Shendel of the fact.

August Sikowski of Broad street was sent to jail for 30 days for drunkenness and day additional sentence on a charge of non-support of his wife and children was suspended upon condition of Sikowski's ability to pay his wife \$6 per week when he was released from the Hartford County jail. Mrs. Sikowski testified in court that her husband had paid but \$6 for the support of the family of six during the past three weeks and that the water rent for the house had been long overdue.

Coltra Case Postponed The case of Norman K. Coltra, 23, of 46 Sores road, West Hartford, charged with reckless driving on Center street yesterday afternoon was adjourned to Saturday on the request of William J. Shea, counsel for Coltra.

Coltra struck an automobile driven by Probation Officer Edward Elliott, Jr., at the intersection of Center, Arch and Pine streets at 5:40 p. m. yesterday driving Elliott's car into the highway and against a telephone pole, moving the pole several inches out of line at the base.

LOCAL MAN IS FREED OF ACCIDENT BLAME

Fred Sturtevant of 19 Russell street was the driver of a 1934 sedan that struck a five-year-old boy on Broad street in Hartford yesterday morning. Sturtevant took the boy, Frank Woodcock, of 28 Wadsworth street, to the Hartford hospital, where it was found that he was not injured. Sturtevant had just passed a concrete mixer in operation when the boy appeared in his path and was hit by a ladder hanging on the side of the machine, which Sturtevant used as a truck. Police investigated. No arrest was made.

PLANS OUT FOR WAPPING COMMUNITY HOUSE

If plans prepared by out of town architects are carried through the site of the Wapping Methodist church, destroyed by fire last winter, will be replaced by a one story brick and frame structure. The site is to be leased for, arranged for a community house, allowing width, length and height to warrant space for basketball and other indoor sports and for entertainment of the kind that is desired to be present in the village.

FIND DEATH IN BROAD BROOK TO BE SUICIDE

(Special to The Herald) Broad Brook, May 28—An investigation conducted by state police into the death of Mrs. Nellie Astor, 47, of this place came to an end last evening. Mrs. Astor was found dead in the cellar of her home Sunday evening by her husband. The medical examiner, as a result of the investigation, signed the death certificate and gave suicide as the cause. The Astors were married in Cromwell and were for a time residents of Rockville before moving to Broad Brook.

STEAMERS COLLIDE

Philadelphia, May 28.—(AP)—A report to the Philadelphia Maritime Exchange station that the steamship City of Bayville and Sage Bru were in collision late yesterday off the Virginia Capes and that the latter was taking in water moderately. The City of Bayville, Columbia and other ports for Philadelphia, proceeded, while the Sage Bru, bound for Baltimore, reported it would make Newport News without assistance.

MOTHERS ARE GUESTS OF GIRLS' FRIENDLY GROUP

Annual Banquet of St. Mary's Society is Marked by Production of Play "Mother Wanted."

St. Mary's Girls Friendly society held its annual Mother and Daughter banquet last night in the parish house with an attendance of 175. Those who had no daughters of their own borrowed them for the occasion, and girls without mothers invited aunts or some other woman relative or friend.

Mrs. Viola Trotter was general chairman of the affair. Graceh President Miss Hannah Jensen and Past President Miss Margaret Stratton were in charge of the meal, which included fruit cup, creamed chicken on hot biscuit, potato chips, peas and carrots, colelaw, ice cream, cake and coffee. The tables were most attractive in a color scheme of green and yellow. At each place was an old fashioned bouquet of paper flowers. Vases of spring flowers were used on all tables.

Rev. J. Stuart Neill, rector of St. Mary's was toastmaster. State G. F. S. officers who were present and spoke were Mrs. Maude Fletcher, Miss Ruth Fry, Miss Lucy Whitton, and Miss Hannah Jensen of this town who has charge of the state candidates' organization. Miss Evaline Pentland gave the welcome to the mothers, and the response was by Mrs. Ethel Davis.

Miss Pentland was in charge of the entertainment which featured the play "Mother Wanted." Miss Marjory May was very good in her part, as was Miss Helen Hyde. The others, all of whom did creditable work, were Miss Evelyn Surrall, Miss Margaret Tibbitts, Miss Betty McCaughy, Miss Valente Turner, Miss Ruth Britton, Miss Lyle Thayer, Miss Margaret Robinson, Miss Eleanor Keish, Miss Edith Brown, Miss Dorothy Russell, Miss Edna Cordy, Miss Lucille Kilpatrick and Miss Edith Thayer.

Jean Clarke and Florence Johnson did fancy dances and Shirley Clarke sang two songs.

plus and capital of \$1,000,000 to establish branch in towns without banking facilities. Savings banks which have surplus equivalent to ten per cent of their deposits would be extended the same privilege.

All branches must be approved by the state bank commissioner. Resolutions were adopted in concurrence appointing John L. Twomey and William B. Walbridge, judge and deputy judge respectively of the Town Court of Stratford.

Three bridge bills were reported favorably. One establishes a board of bridge commissioners of four members to be appointed by the mayor, another provides for the succession of the president of the board of aldermen to the mayorality if his office becomes vacant, and the other authorizes the board of building commissioners to retire Daniel H. Rowland, building inspector, at half pay.

Cross Nominations Governor Wilbur L. Cross sent in the nomination of former Senator Edwin C. Wright of Goshen as a member of the milk regulation board for the unexpired term of Albert B. London of Wallingford ending May 1, 1936. The nomination was referred to the committee on executive nominations.

The state budget, approved by the House, came to the Senate and was ordered printed for the calendar without comment. The budget bill, appropriating more than \$48,000,000 for the next biennium, is expected to produce one of the major controversies of the session.

The commission named two years ago to make a survey of the state falls would be continued for another year under a bill reported favorably. The measure carries an appropriation of \$3,000.

Another bill reported favorably requires teachers entering the service of public schools in the state to become members of the Teachers Retirement Association. Teachers who entered the service of the state prior to June 30, 1917 may become members of the association by paying in 1935 and paying all past obligations.

At the fall end of the one hour and a half session, Senator Frank S. Bergin, majority leader, introduced a bill providing for a commission to create a survey of state and local tax structures.

Senator William H. Hackett of New Haven, chairman, replied that the committee planned to set on the measure later in the day.

The bill has been approved by the finance committee, but requires the approval of the appropriations committee as well because it carries an appropriation of \$20,000 for the survey.

Senator Bergin told the Senate the need for the survey, urged by its supporters as a step toward relieving real estate owners of part of their taxation burden, was "even more pronounced" now than it was two years ago.

The senate suspended the rules to pass in concurrence a bill providing a new charter for Groton. The heavy calendar was cleared of nearly a score of measures. Among the Senate bills approved were two strengthening the statutes dealing with the fraudulent sales of mining or oil stocks. One required a license for the sale of such stocks.

These two measures together with the branch banking bill now go to the House.

House Bills Approved Among House bills approved by the Senate were: Providing for the inspection of out of state dairies furnishing cream to Connecticut; setting up stringent regulations for dentists

FIRST HOSPITAL DRIVE REPORT THIS EVENING

Hops to Learn Two-Thirds of Objective Has Been Raised by Hour of Luncheon.

At 8:30 o'clock tonight the first report meeting of the current Memorial hospital campaign will be held at the Masonic Temple and all of the 160 volunteer workers are requested to make a special effort to be present to make their reports. A luncheon will be served, the cost of the food materials being defrayed by the Executive Committee of the drive.

It is hoped that at least two-thirds the quota of \$15,000 will be reported at tonight's meeting. The final report meeting will be held at the Temple Friday night at 7:30 o'clock and General Chairman Jay E. Band is confident that the drive organization will obtain the quota by that time.

"KIDDIES MINSTRELS" AT SODALITY'S SHOW

Feature of Last Year's St. James Entertainment to Be Revived Tomorrow Night.

The Children of Mary Sodality of St. James' church is sponsoring the second annual minstrel and dance at High School Hall tomorrow evening at 8:15. Rehearsals have been held frequently during the past few weeks under the direction of Miss Mary Fraher of this town and Max Smith of Rockville.

The opening number will be a "kiddies minstrel." This was a feature of last year's show and the youngsters, all of whom were under 8 years of age, performed so well that a request was received that they be included again. An exceptionally large crowd of parents and friends is expected.

The scene of the minstrel show by the seniors is a night club. The women appear in evening dress. The chorus will be assisted by such well known singers as Miss Arjuna Moriarty, Mrs. Margaret Brennan, Miss Julia May Shaw, Arthur Keating and Ben Redding.

General dancing will follow the minstrel with music by Wehr's orchestra.

BOOZE, NOT OTHER CAR, COPS SAY WRECKED AUTO

Adam Dapko Charged With Drunk Driving After He Crashes Into Notch Bridge.

A car driven by Adam Dapko, 25, of 21 Harrison Place, Hartford, smashed into the east abutment of the Bolton Notch bridge about 5:30 yesterday afternoon, wrecking the car. Dapko's hands were out badly and three stitches were taken in one of them at Manchester Memorial hospital. He was later arrested on the charge of driving under the influence of liquor, but not before state police from both the Hartford and Stafford barracks had been given a run-around.

State Policeman Joe Kaminski, of the Hartford barracks, was on duty at Bolton yesterday taking care of traffic over the roads at the Notch, barracks of construction work on Andover highway. He heard the crash and ran to the scene. He found the automobile badly broken up and Dapko bleeding and dazed.

The latter told the trooper he had been pushed off the road by another car which did not stop. Hurrying to his motorcycle Policeman Kaminski gave chase and in a short time overtook the car that was supposed to have caused the accident. The driver denied all knowledge of the affair and told the officer that the Dapko car had been behind him all the way out from Manchester.

Meanwhile Dapko had been given a lift and had come to Manchester Memorial hospital. There Kaminski found him objecting to medical attention and to having his hand dressed. The police of Manchester had been notified and the Stafford barracks called. A trooper from that station came to Manchester, found that the work was being taken care of by Trooper Kaminski and returned to Stafford.

After holding Dapko at the Manchester police station until he had conducted a further investigation Kaminski placed Dapko under arrest for the Bolton authorities. A bond of \$200 was fixed by Justice of the Peace James Conroy. This was later reduced to \$100 and will be set to appear in the Bolton Justice Court today.

Dapko was not represented by counsel when brought before Justice Conroy at 11 o'clock this morning. To the charge of operating a motor vehicle while under the influence of liquor he pleaded not guilty.

The trial took up the greater part of an hour and Judge Conroy found him guilty, imposed a fine of \$100 and then limited half of the fine, costs brought Dapko's debt up to \$67.50. He could not pay and

FACES TRIAL OF SUIT FOR \$10,000 DAMAGES

Action Against Leo Brazauskas in Auto Fatality to Be Heard Thursday.

A suit asking damages of \$10,000 has been brought against Leo G. Brazauskas of 63 North street and has been assigned for trial by jury in Hartford County Superior Court on Thursday of this week. The suit is the result of an automobile accident last October in which Miss Ann Lucas of Hartford was fatally injured.

At that time, early on the morning of October 20, Brazauskas lost control of his car when turning into Eye street in South Windsor and crashed into a tree head-on. Miss Lucas was taken to the Hartford hospital, where she died seven hours later from a fractured skull. Brazauskas was also seriously injured and spent a long period in Memorial hospital here.

The suit is brought by the father of the girl, Gus Lucas, administrator. Brazauskas is protected by insurance and Attorney Martin Gormley of Naugatuck will represent the company. Judge Alfred C. Baldwin will be on the bench.

MISS HESS "SHOWERED"

Miss Wilma Hess of Lyness street was the guest of honor at a surprise miscellaneous shower given last evening at the home of Mrs. Arthur Kittle of Summit street. About 30 young women were present, practically all members of the Salvation Army, Leslie Kittle, to whom Miss Hess is to be married next month, is a member of the band.

The decorations were in yellow and orchid. Games were played and Arthur Kittle, who is somewhat of a comedian, entertained. A buffet luncheon was served. The bride-to-be received a choice collection of useful and beautiful gifts.

POLISH ART EXHIBIT NOW AT TRADE SCHOOL

## STATE SCHOLASTIC CONFERENCE OKAYS TRADE MEMBERSHIP

### Hartford Trade Joins Body in Test Case; Rules Expected to Complicate Vocational Applications.

Acceptance of Hartford Trade School's application for membership in the Connecticut Intercollegiate Conference is not expected to be followed by a rush of similar applications from trade schools throughout the state, mainly because the conference stipulates that trade schools seeking entry must comply with its requirements.

**Was Test Case**  
Hartford Trade filed its application for membership as a test case, after creation of the Connecticut School Association of Athletic Directors and Coaches last fall. At that time members of the conference committee pointed out that trade schools were not considered as secondary schools because of the short time necessary to graduate. Trade officials countered by pointing out that the total hours spent in trade school was the same as the hours spent in high school.

This point was evidently accepted and Hartford's application was considered and accepted. However, there are numerous complications that will have to be ironed out before trade schools will show any great desire to become members of the conference.

The conference rules state that no athlete should have reached his 20th birthday, that no athlete shall participate with outside teams and that no high school graduate can be used by other schools. The Trade School code has a similar ruling on the age limit but allows greater leeway on the other rules.

An athlete may not play with outside teams, according to trade school rules, when in the opinion of the director or coach, he is injuring his health or his value to the team. On the third ruling the complications are even more emphasized, in that many trade school students are graduates of high school. In many instances a student taking a vocational course is graduated from high school some time before graduating from trade school.

Walker Schober, coach of the local trade school basketball team, believes that trade schools will be wary of joining the conference for the aforementioned reasons. He points out that while the rule may not work a great handicap in basketball it will do so in baseball. The present Trade School nine has four graduates of high schools in the lineup and two who play on outside teams.

As far as Manchester Trade is concerned, an application for membership in the conference will not be filed at this time but the matter may be considered prior to the basketball season next fall. The benefits of joining the conference include the prestige gained in being recognized as a secondary school and in making it easier to fill schedules. Unless a ruling is created to differentiate between high schools and trade schools, the latter will be eligible to compete in the state tournament.

## Stanford's Power in Weight Events Presages Victory in I. C. A. Meet

By ALAN GOULD  
(Associated Press Sports Editor)  
Cambridge, Mass., May 28.—(AP)—Like the Kentucky Derby slogan, "Best Bradley and take 'em Pol," it can be safely remarked that the track and field team capable of beating the Californians will carry off the classic I. C. A. A. trophy at Harvard Stadium, May 29-30.

Unfortunately for the East, such good teams as Yale, Princeton, New York University and Pennsylvania haven't the ghost of a chance to achieve such an upset. If there is a "nose and nose" finish, it will have to be staged by Stanford, the favorite, and Southern California, the defending champion.

Yale may prove best among the eastern contenders. In the last 10 years, only the Ells of 1924 managed to interrupt the string of championship victories for Stanford.

The Stanford team has captured the team crown five times and Stanford three. On the sturdy shoulders of a quartet of weight men, Stanford has erected high hopes of topping a field that has again drawn Michigan into the intercollegiate competition.

Dunn, Gray, Laborde and Lyman figure to collect about 26 points for the Indians in the shotput and discus, enough to put the championship "on ice," whether or not Captain Ben Eastman returns to form in the 800 meters, the only race he plans to enter.

Minus such point-winners of 1933 as Frank Wyche, Dick Barber, Bob Hall, Jimmie Payne and Bill Carr, Southern California hasn't the concentrated power of Stanford and hardly figures to have more than an outside chance to keep the team title.

The hopes for a return duel between Ben Eastman and Bill Carr, famous Olympic 400 meter rivals, long since have vanished but the 57th annual championship meet should develop many a sensational and perhaps record-breaking duel for individual gold medals.

Four 6-7 High Jumpers  
Southern California's Bill Graber and Stanford's Bill Miller, Olympic champion, will renew their pole vault rivalry, but both will have to watch Yale's Keith Brown and Wirt Thompson. They represent the greatest pole-vaulting talent ever brought together in a college meet, all four having cleared 14 feet with something to spare.

Brown also may enter the high jump debut, which will bring together again George Spits of New York University and Duncan McNaughton of Southern California, another pair of Olympic rivals. This specialty also will include Bob Van Oedel, Trojan who shared first place last year, and Willis Ward, Michigan's all-around ace. Four of the five have bettered 6 feet, 7 inches.

Howard Jones, Pennsylvania's much-improved sprinter, will be hard-pressed to meet the challenges of such middle distance stars as Frank Crowley of Manhattan and Bill Bontroum of Princeton in the 1500 meter run. Bontroum also is likely to score in the 800 or 3000 meter races, or both, if his coach permits him to do an unprecedented "iron man" stunt.

Sprint honors may return to the East, unless Les Habiles of Stanford vaults over on wheels and Bob Kiesel left on the coast. Dick Bell of M. I. T. and Dick Hardy of Cornell, along with Georgetown's Al Kelly, will be in the battle at 100 meters.

## BOSTON IS ON UPGRADE, TAKES THIRD STRAIGHT

### Red Sox Now Have Really Strong Club; Eastern Teams in Clean Sweep Over West; Three Shut-outs Feature National Program.

There'll be no American League flag at Fenway park this year but the Boston Red Sox, subjected to terrific punishment for many years, definitely are on the upgrade.

The combination of Yawkey's bankroll and Eddie Collins baseball astuteness, plus the aggressive leadership on the field of Manager Marty McManis, is producing dividends and long suffering Red Sox fans can expect relief from now on.

Yawkey and Collins have done no reckless spending but slowly but surely they've built up a really formidable club through the acquisition of Southpaw Lloyd Brown and Catcher Rick Farrell from the St. Louis Browns, George Pipgras, veteran right-hander, and Shortstop Bill Werber from the New York Yankees and Allen (Dusty) Cooke, fleet outfielder from Newark.

Behind Pipgras' seven hit pitching the Red Sox whipped the Chicago White Sox yesterday 3-2 for their third successive victory and drew to within half a game of the seventh place Detroit Tigers.

The Yankee Washington Senators and Philadelphia A's also won to give the Eastern clubs a clean sweep over the west. Vernon Gomez, slim southpaw, outpitched Wes Ferrell the Indians in the shotput and discus, enough to put the championship "on ice," whether or not Captain Ben Eastman returns to form in the 800 meters, the only race he plans to enter.

Eddie Chicko's single in the eighth scored Jimmie Fox with the run that enabled the A's to upset the Browns 6-5 after the St. Louisians three came from behind to tie the score.

Three shutouts marked the National League program. Pepper Martin's tenth inning homer with two on base broke up a pitching duel between Bill Walker and "Hard Luck" Ed Brandt and gave the St. Louis Browns a 2-0 triumph over the Boston Braves. The Brooklyn Dodgers turned back the league leading Pirates by the same score and moved into fourth place as William Watson Clark outpitched Larry French in another close southpaw. Young Hal Schumacher, who the Cincinnati Reds only three hits and the Giants won easily 8-0. The improving Phillies played Burt Grimes and Lynn Nelson for 14 hits and walloped the Chicago Cubs 11-4.

**Vote For All-Stars**  
Chicago, May 28.—(AP)—First returns in the vote of the fans to select a National League team to meet a club of American League stars in Chicago July 8, show lively battles over the shortstop, pitching and outfield jobs among players in the senior circuit.

Louie Warren of the Cubs, led the pitchers today with 1,557, while Carl Hubbell of the Giants had 1,514. The next man, Red Lucas of Cincinnati, was just 1,000 points behind Warren.

Dick Bartell of the Phillies, led Floyd Vaughn of the Pirates, 411 to 240 for Bill Herman of the Cubs. Pie Traynor, the Pirates third baseman, was the high scorer with 1,622. The second man was Woody English of the Cubs, who had 250.

Gabby Hartnett of the Cubs, headed the catchers with 1,474, to 126 for Jimmy Wilson of the Cardinals. Figures on the American League voting were unavailable.

## OLD GOLDS WALLOP LUCKIES, 14 TO 5

### Hedlund Hurls Five-Hit Game; Vennart Issues 11 Passes, Gives Nine Bingles

Johnny Hedlund pitched the Old Golds to their first victory in the West Side Rec League last night, letting the Luckies down with five hits as his outfit hammered out a 14 to 5 decision.

"Peanut" Vennart was on the hill for the Luckies and was exceedingly generous as far as free passes were concerned, issuing 11 complimentary trips to first base. Between passes the Old Golds found time to shell Vennart for nine hits, five being of the extra base variety.

The Luckies scored three in the first when R. Gustafson walked, Cole was safe on an error, Gyp Gustafson got a free ticket to first, Boyce walked and McCann was safe on a fielder's choice. "Catfish" Aitken then rifled the liner to center field that cleared the bases. The other two came in the seventh when McCann doubled to left and Angelo tripled to center field and then scored on a wild pitch. The Old Golds also picked up three in the first when Russell and Brennan were ushered down to first and Sam Hewitt smacked one to right field for three bases and then scored on a boot by McCann. They then landed on the slants of Vennart in the third to score six runs chiefly through the accurate hitting of Bill Brennan, Burkhardt and Klecha. The Old Golds then scored in every inning after that to run their total up to fourteen and their first victory in the league.

**League Notes**  
The teams of the West Side League were slightly strengthened last night at a meeting of the board of the league. The following additions were made and also one man was traded.

Herb Wright and "Big George" Stavitky were added to the Luckies. Holkey Gustafson, Morgan and Eagon were assigned to the Camels. Dave Kerr and Bob Cotton were added to the Spuds together with Bob Gustafson, who was transferred from the Luckies. The Old Golds received Ike Cole, George Armstrong, and Milton Strong.

The Camels will try to take the measure of the Spuds tomorrow night at 6:15.

The West Siders will practice tonight at the West Side Oval and all players are asked to be on hand at 6 p. m.

**Firemen Win Twice**  
Hose Co. No. 3 traveled to Highland Park Saturday and handed them their first defeat of the season. The boys from headquarters had their batting average with them and pounded two Highland Park pitchers for a total of 22 hits and 19 runs. P. Strange and Qui led the firemen with four hits apiece.

J. Nichols and Cotton were the heavy hitters for the Toward. E. Strange pitched his first game of the season showed plenty of stuff in the pinches.

On Sunday afternoon the firemen from headquarters traveled to Coventry and defeated the Toward. Team 8-5. Groman and Gwin-six hits kept them well scattered. The heavy hitting firemen were held to seven hits, but they came with men on base. The Toward brothers featured in the field figuring in three double plays. Vince and "Ding" Farr starred at the plate collecting two hits each. Coventry made a strong bid for the game in the eighth inning, but a fast double play nipped the rally in the bud.

## ALLOWS BUT FOUR HITS IN GAME MARRED BY 16 MISPLAYS IN FIELDING

### Score at 4-All, Then Scores Next Run Himself; Berger Reached for 9 Bingles in His Last Game; Middletown Here Tomorrow.

Sixteen errors marred the baseball contest between Manchester High and Middletown yesterday afternoon but the final result which gave the Mechanics a 6 to 4 victory over the Red and White was due mainly to hitting in the pinches and the mound performance of Robert "Bud" Farwell, former Fitch High hurler.

Farwell virtually won his own game. Twirling stellar ball throughout the game he let the High school down with four well scattered hits and but for feeble support in the early innings would have earned a shut-out. He struck out seven batters and allowed only one base on balls. In the last of the fourth he tripled and sent him the tying run and then scored himself to give the Trade school a 5 to 4 lead. Another run in the sixth gave the Mechanics an edge that the High school could not overcome.

Ray Berger pitched for the High school in what was probably his final game for the Red and White. The Traders had little trouble in hitting his deliveries and earned three hits, including three doubles and two triples. Berger got three strike outs and walked two batters.

The High school was guilty of nine errors in all, five by "Stew" Kennedy at short, who had passed the game, and four by the Traders made seven errors in all, six in the first two innings. Three were made by Pfau at second and resulted in his removal from the game. Pfau's bobbles are explainable by the fact that he was struck in the head by a pitched ball last Tuesday and was under a doctor's care until he returned to school yesterday. He evidently had not recovered from his injury.

**No Hits, Three Runs**  
Four errors in the first inning paved the way for Manchester High's three runs and the game had all the indications of being similar to the first between the schools, when the High school won, 7-1.

Kennedy grounded to second, Pfau fumbled the ball and Kennedy was safe at first. C. Smith fanned. Kennedy stole second on a wild pitch on the last strike. Smith leaped caught at first. Rautenberg hit to second, Raguskus dropped the ball to first and Kennedy was home. Rautenberg fanned. C. Smith grounded to Pfau, who fumbled again, Rautenberg going to third. Smith stole second. Raguskus hit to short, Babel bobbed the ball and shot a fly throw to first, scoring Rautenberg and Smith. Mahoney fanned.

Berger walked the first man to face him, Orlovski. Then Eddie Raguskus, singled and Eddie Raguskus, who had tripled to deep center, scored Orlovski and Raguskus. Rossi filed out to short center and Babel grounded out, Berger to Rautenberg.

In the second inning, Katkavek rapped out a single through third, the High school's first hit of the game. He went to second on a fielder's error. Berger grounded out to third. Kennedy hit to second. Pfau added 14 hits in the game with Leonard Yost clouting out five and Swede following with Cur. J. Masolin batted four hits for his side.

The batteries for the Traders were R. Gardner, C. Cook, J. Silvester, pitcher; and Swede at the receiving end. The Center Nine had Angelo Masolin, Johnny M., and Gasper Moror for hurlers and Fetso at the receiving end.

The Hill Billies would like to challenge any team of 15 to 18 years of age and promise plenty of opposition, especially with the fast infield of Cook, Yost, Gardner, Silvester and Linders. For games call 7983 anytime. Wednesday the Hill Billies play a twilight league game at the Green school diamond.

The Hill Billies had C. Cook p. R. Silvester 3b, Linders 2b, Yost ss, Silvester lf, Swede c, J. Silvester cf, E. Gardner p, Kotchin 1b, B. V. rf.

Bolton Center nine had Fetso c, Frank of A. Masolin p, Masolin 2b, L. Masolin 3b, Gardner 1b, Broccenter lf, Gasper p, Lombardi rf.

**GREEN TO PRACTICE**  
The Green team will hold a practice tonight at 6 o'clock. The manager requests that all members be present on the field tonight without fail. The only exceptions are Vici and Babel. Practices in being held tonight in order to be in shape to play a game this Thursday evening against the Salown A. C. The game will start at 6. It will be played at Jarvis Grove.

The Green will also play the Arrows this coming Sunday at Jarvis Grove. This game will start shortly after 2.

**Triple Tie Score**  
In the fourth inning the Mechanics drove across two runs to even the count and take the lead. Dobos rapped a double to left field and Farwell tripled to center, scoring the former. Orlovski filed out to short. Katkavek tried to get Farwell at third but hit the runner with the ball. Farwell came home. Raguskus grounded out. Katkavek singled and Kovic fouled out.

On two fumbles and an error, the Traders filed the bases in the fifth with one out. Then Farwell drove in two runs. Farwell drove in two runs. Farwell drove in two runs. Farwell drove in two runs.

## TEST RUNS MARRIED BY SLIGHT MISHAP AT INDIANAPOLIS

### Racer Goes Into 1,000 Foot Skid But Drivers Escape Injury; Only One Qualifies Yesterday.

Indianapolis, May 28.—(AP)—At the motor speedway here today, where the annual 500-mile automobile race will be run May 30, several of the country's most daring pilots engaged in the prosaic business of determining what mileage they were getting from gallon of gasoline.

Fred Frame of Los Angeles, who set a new speed record in winning the 1932 race; Luther Johnson of South Bend, Ind.; and others of the 23 drivers who already have qualified to start in next Tuesday's grand, wheeled their cars about the 1.2-mile brick course at the speeds they plan to maintain in the race; then checked the consumption of gasoline and oil.

Their concern was based on new regulations which limit gas tank capacity to 15 gallons, and the amount of oil used in the 500-mile drive to six gallons.

The drivers hoped to adjust their speedsters to get 11 to 12 miles to the gallon of gasoline, so only three stops at the pits for refueling will be necessary during the race. The oil also is a worry. In past races, some cars have used as much as 40 gallons.

**Mishap Trials Test**  
Qualifying trials to fill out the field of 42 starters continued today. Yesterday's runs were marred by an accident in which Al Aspen, driver, and Mitz Davis, mechanic, both of Philadelphia, received minor hurts when their racer went into a 1,000-foot skid on the first turn of their four-lap attempt.

Both men remained in the car as it bounced twice against the inner retaining wall. They were released from a hospital within a few hours, however, and it was said their racer, which was traveling 109 1/2 miles per hour at the time of the wreck, may be repaired for another trial.

The only driver yesterday to pass the 25-mile qualifying test for which a minimum average speed of 100 miles per hour is required, was Mark Billman of Indianapolis. His average was 112.410.

**PIRATES SPLIT EVEN**  
The Pirates split even over the week-end winning from the Naval Reserve of Hartford 23 to 1 and losing to the Franklyn A. C. of New Britain. The Bucs connected for nineteen hits from Landeen and O'Connor of the Reserves. Cargo doubled straight through the infield four scattered hits and fanning nine. The local team scored in the fourth, fifth, sixth and seventh innings.

In the fourth with two out and three men on Harrison circled the bases. In the fifth Boggin, Boggini, Bicholsky, Phillips and Harrison tallied three more. Hunt straged the sixth off with a single, Wogman received a life, Boggini, Wogman through with a single and Phillips doubled to score three more. Bicholsky was hit by Landeen and Rogers singled to score Phillips. Harrison reached first on McGowan's error and Bicholsky and Rogers scored. The game was called after the seventh when the Pirates scored eight more. Singles by Hunt and Wogman and a home run by "Horse" Boggini put the Pirates in the lead. O'Connor's ninth went wild walking three and Harrison's timely double scored three more. Boggini started with the willow getting four out of five. Harrison, Wogman and Phillips also hit well.

THE TINYMITES
Story by HAL LOUHAN Pictures by GEORGE SCARBO
The girls were scared, without a doubt, and when the strong wind had died out, one said, "We've had enough of living high up in a tree."

# SENSE and NONSENSE

**Why do they tilt their chins?**  
They raise their voices  
They lift their eyebrows  
They elevate their skirts  
They build up their heels  
They heighten their complexions  
—And yet there are people who say that the modern girls do not devote any thought or time to the higher things.

**Old Married Woman**—Never ask your husband for money.  
**Young Bride** (proudly)—I never have to. Fred's such a darling. He sleeps like a baby all night long.

All men are born free and equal in this country—but some of them get married... Digging wells is about the only business where you don't have to begin at the bottom... Silence is golden, especially when the tax assessor is around... Odam didn't keep accounts. But, then, he didn't do so well in his garden...

**Business Is Never Wholly Dead To A Live One.**

**Kathleen**—Jack Higgins said at the dance last night that I reminded him of a daisy flower.  
**Dorothy**—A number of others spoke of you as a wall flower.

This would be a great old world if we could put as much faith in the average man as a woman puts in a little shoulder strap.  
**Mrs. Keel**—Mrs. Upton's pet dog has been run over, she'll be heart broken.

**Mr. Keel**—Don't tell her abruptly.  
**Mrs. Keel**—No, I'll begin by telling her it's her husband.

History repeats itself, it is said, but we've made a lot of history in the last few years that we earnestly hope won't bear repeating.

**Visitor** (in Washington)—What are the duties of the vice president?  
**Guide**—He must preside over the Senate.

**Visitor**—Is that all?  
**Guide**—No. The hardest thing about his job is to keep the Senate aware of the fact that he is doing so.

"When you breathe you inspire, when you don't breathe you expire." In other words, if you don't inspire you expire.

**Beggar**—Any old clothes you want to get rid of?  
**Man**—Yes, but I am opposed to joining a nudist colony, so goodbye.

Suspenders are finding renewed favor among men because they take their work far more seriously than belts.

Many a man has slipped on a wedding ring. Slipped on it is right.

**Hal**—My wife used to play the banjo beautifully.  
**Cal**—Now she picks on you, I suppose.

A beauty specialist issues a warning against eating too many carrots, but does not say why it was thought necessary.

**Hubby**—Don't you think your gown is cut a little too low, my dear?  
**Wife**—Not at all. Why, it's made in the height of fashion.

A man has succeeded in going ten miles above the earth, in a balloon. This is probably nearer heaven than a lot of people will ever get.

**Fire Chief**—How did the fire start?  
**Home Owner**—My wife threw the goldfish bowl at me.

**Fire Chief**—What! How could water start a fire?  
**Home Owner**—Well, the bowl hit the cat, the cat clawed the curtains down on the gas jet, and in a minute the whole place was ablaze.

## DID YOU KNOW THAT—

From 1920 to 1927 the average cruising maximum speed of commercial airplanes was 100 miles an hour. From 1928 to 1932 it averaged between 115 and 130 miles an hour.  
The only place you'll find the clinging type of girl these days is on the hind seat of a motorcycle.

## FLAPPER FANNY SAYS—

Even the retiring girl acquires a certain dash when the boy tries to on the phone.
