Complain—Loyalty On the democratic side, the division of opinion is just as wide as on the liberal side.

NEARLY BOUGHT CAR MIGHT BE WON ONE. How near R. S. Martin of 16 Evergreen avenue, Hartford, winner of the Tri-Stores Chevrolet coach came to buying a car Monday night was revealed today by his uncle, M. D. Chapman, who bought him out in Hartford after receipt of the telephone message from Manchester, stating that he had won the car. "I found him at an automobile agency awaiting a demonstration of a car," said Mr. Chapman to William Frader, salesman at Walkins Brothers. "Why do you want a car when you've won one in Manchester?" his uncle asked Martin. Martin, accompanied by his bride of one month made a hurried trip to Manchester for their prize and officials experienced considerable difficulty in convincing Mrs. Martin that it was not a huge joke, even after her arrival in town. Miss Katherine McQuade of New York City is spending a week with her cousin, Mrs. Luke Deane of 80 Spruce street. Mrs. Martha Deane was visiting Miss McQuade returned with her from New York.

avoided. It is urged that each town advise all ERA employees of the day, hour, and place at which weekly payments will be made, and that they should be present to receive their checks. Persons who are unable to be present should have their checks delivered to their homes by mail. In the case of payments made by State paymasters, employees who are absent may have their checks delayed as much as a week. Where there are but few absentees, it will be the policy of the State paymasters to deliver checks directly to employee's homes. If there remain too many checks to deliver to homes, it will be necessary to schedule another day for payment, which would probably be the next regular pay day. All of the local employed on ERA lists have been issued identification cards which they must show on pay days. This week's pay roll amounting to \$1,684.52 will be distributed Friday at 9:15 at the town garage to 115 men.
