STATE SENATE O. K'S A PLANNING BOARD

Measure Advocated by Gov. Cross Unanimously Approved; Bill is Now On Way to House.

State Capitol, Hartford, April 4.—(AP)—The State Senate today passed a bill providing for the establishment of a planning board, a proposal recommended by Governor Wilbur L. Cross.

The bill, which now goes to the House, was passed during the legislative session that included the defeat in both houses of several measures requiring school entrance to take an oath of allegiance to the Federal and state governments.

With the legislature well along in the second half of its session, Senator Bradley explained that his motion was designed to speed the business of the General Assembly.

Informing the Senate that he intended to make a similar motion daily the Republican leader said: "We are approaching the end of the session with a great deal of business yet to be done. I know we are all anxious to expedite the business."

Killing of three girls and two teachers requiring public and private school teachers and faculty members and employees of educational colleges and universities to take an oath of loyalty to the Federal and state governments, caused a slight ripple in the House.

Representative W. R. Ball of Old Lyme, chairman of the education committee, said that the committee had considerable sympathy with the supporters of the measure.

"However," he said, "the committee felt that the teachers were good and legal citizens and were doing their best to promote patriotism in the schools."

A hysterical red-headed young woman who had been shouting and shouting in the House, said she would not be present at the hearing.

Van Allen's body was found on the top of a car parked in the street and then crashed into the pavement. He was pronounced dead on admission to the hospital.

Dr. Timothy Leahy, medical examiner and police questioned the young woman, who was identified as Bridgette. He said that other states probably were faced with problems different from Connecticut.

An oath of allegiance bill was also killed in the Senate last week. The Representatives of the Senate rejected the measure without comment.

Two District Court bills were reported unfavorably by the judiciary committee of the House. Without debate one of the measures introduced by Representative Regen, Socialist.

His report was killed. The measure introduced by Democratic Floor Leader John D. Thomas was tabled by a motion of his author.

Establishment of a District Court system was one of the major proposals in the legislative program of Governor Cross since he became chief executive. Twice before since he assumed office in 1931, similar proposals have failed.

Echoes of two recent visits of guards by state police have been made in the State when the police are requiring payment of damages sustained by the police.

World Hung On Their Words

With the whole world averted by Germany's blunt denials of the Versailles Treaty, history was in the making as the Reich's armament demands were outlined at the momentous conference pictured here at the Chancery in Berlin.

Disarmament yesterday's hearing excited considerable indignation among officials, who attacked the relief board not only for spending money on what they called mysterious and useless recreational activities, but also, and chiefly, for entrusting its teaching to out-of-town.

Called Misrepresentation As the inquiry waited, William Hodson, commissioner of public welfare and chairman of the emergency relief board, was under attack.

Much was made by the investigation of the "boon dobbing" course offered by the board. "Boon dobbing" is to do with rope weaving and the grotesque term "boon dobbing" was used to describe the course.

It was brought out that Marshall, who was in charge of the course, was so indifferent to New York that he had been in the city for the last two weeks.

Police Incined to Believe Man When He Shows Them Wounds On His Body—His Story.

Kansas City, April 4.—(AP)—Mrs. Nellie A. Hurd, 84, died early today from bullet wound inflicted by her 77 year old husband, Herbert, who said he had been tortured by his wife in an effort to make him disclose the hiding place of hidden money.

Mrs. Hurd died at General Hospital after an operation had been performed to remove four bullets from her body. In another ward of the hospital lay her husband, a railroad crossing watchman, crazed by grief and blame.

Former Hartford Banker Sentenced to 5 to 12 Years on Conspiracy Charge in 1931, Released.

Hartford, April 4.—(AP)—Fred E. Kingston, former Hartford banker, sentenced to 12 years for conspiracy to defraud investors in a May 1931, was paroled from that institution yesterday.

State officials refused to reveal Kingston's future home but said that he would become a farmer on a farm located outside the state of Connecticut. He entered prison on August 31, 1931, with his brother Harold E. Kingston. The latter, convicted on a similar charge, served a year in prison and was paroled in May 1932.

Model Prisoner For fifty more than two years Kingston was in the Wethersfield prison, where he was a model prisoner. He was paroled in November 1932, he was transferred to the Coburn prison farm in Ellington, Conn. Kingston has considerable freedom and is regarded as a model prisoner.

TRAINING CAMP BRIEFS

By ASSOCIATED PRESS

Orlando, Fla.—The days when the Dodgers got themselves named the "Daffinee boys" because of such base running stunts as putting three runners on base, seem to be over. Stanley (Franny) Bordy, speedily outfielder, has stolen five bases in six attempts in exhibition games this spring, and none of them were occupied when the theft was committed.

Greenwood, Miss.—Regardless of the outcome of one season, Bill Ferry, New York Giant manager, is setting it to that his receiving plenty of practice this spring. He has sent a full team of second-stringers into every game, with one exception. He let the regulars stay seven innings against Cleveland yesterday, the longest run so far.

Birmingham, Ala.—Like most managers, Joe McCarthy doesn't want to pick his team as a pennant winner but he has plenty of confidence as the Yankees start their northward trip.

"I think we are getting places," Joe admitted, "unless the breaks go against us. Injuries stymied the team last year. If we can escape a similar fate I'm confident the team will come through."

Greenwood, Miss.—There was some doubt early this season about the hitting ability of Boss Berger, second baseman for the Cleveland Indians. Berger has brushed away most of it, however, by hitting safely in eleven consecutive games. He is now batting .300.

St. Augustine, Fla.—The Cincinnati Reds entered the "last mile" of their Florida training grid here in the first 11 games to mark their progress home. The series with the American League champions will conclude at Crosley Field, Cincinnati, April 14.

St. Augustine, Fla.—Detroit and Cincinnati open a two-game barn-burner here today with Mickey Cochrane planning to give Schooley Rowe a change of pace. Cochrane has brought the schoolboy along slowly thus far and has limited him to five innings-workout.

Little Rock, Ark.—If the Chicago Cubs are to entertain any hopes of winning the National League pennant, they must buy, borrow or steal another starting pitcher. Manager-Vice-President Charlie Grimm said today he had offered \$1,000,000 to Chicago for a two-game series with Washington. Grimm thinks the Cubs can stick in championship style with another regular hurler.

Houston, Tex.—Sad Sam Jones, who admits at least 42 girlfriends, today will attempt to prove to Manager Jimmy Dykes that he is the man to pitch the season's opening game for the Chicago White Sox. Sad

Sam has worked only seven innings so far in spring exhibitions, but if he shows well against the Pittsburgh Pirates today, he may get the opening day assignment.

Houston, Texas—Ralph Birkofer, the one and only southpaw on the Prater hurling staff, does his stuff against the White Sox today. He's billed for all nine frames. Wayne Osborne, rookie, went a full nine yesterday in giving the team a 5-2 win over Galveston.

Louisville, Ky.—Giving up Nashville as a baseball practice ground, Bucky Harris and his Washington Senators were here today in the hope of playing the local Colonels this afternoon. The Nationals have been prevented by rain from playing four of their last five games.

Savannah, Ga.—Manager Bill McKeeble of the Boston Braves has received no word from Buck Jordan since he left the team and it's no secret that Bill is worried. The club needs reinforcements at first base, Bill says, and he's anxious to get Jordan back into the fold.

Atlanta—Fritz Ostermuller will pitch today as the Red Sox stop off for the first of a two-game series with the Crackers. The second game, tomorrow, will find one Lefty Grove on the mound.

Charlottesville, N. C.—Eddie Rommett, Richmond Colts of the Piedmont League, will play the Philadelphia Athletics today in the first of two games. Moses will cover center and Warfield will cover first base during the absence of Cramer and Williams, out because of injuries.

Walter Haven, Fla.—The Phillies regulars get a rest today, leaving home for the city series with the A's, while the rookies stay here to play the Montreal Royals of the International League.

Montgomery, Ala.—Frank Frisch (AP) was still far from appeased today as a much chastened team of St. Louis Cardinals arrived here for a game with Auburn University.

Franch cracked down on some of the playboys' yesterday, sending Bob Workman and Charley Williams, and Dizzy Dean \$100 and Charley Gelbert \$50. Any future violations of training rules will be fined \$1,000, Frisch warned.

Orlando, Fla., April 4.—(AP)—The St. Louis Browns, taking with them a record of 113-8 and 112 victories in 17 Florida exhibition games, were on their way home today.

The team left here last night and will arrive in St. Louis tomorrow morning for a day's rest before the six-game spring series with the Cardinals starts.

Mankus Denies Claims Of Bluefields

Correspondence Coaching Course Helps Hornbostel

Bloomington, Ind., April 4.—(AP)—The Charley Hornbostel, Indiana's top runner, has become a correspondence school track man.

Every inch of track the bespectacled star has covered in practice and competition during the past indoor season on eastern shores has been guided by letter from his coach, E. C. "Billy" Hayes of Indiana University.

Hornbostel, who recently set a new world's indoor record for 600 yards, was graduated from Indiana last June and this year has been taking post-graduate work at Miami, 1,200 miles away from Coach Hayes.

Here's how the two work together: Twice a week Hornbostel writes to Hayes telling how he feels, what he has done in recent practice sessions and against whom he will compete in his next race.

Hayes studies the situation and returns a letter of instruction, on the day before the race. Hornbostel receives a special letter telling him just how to run the distance, the time to make and the strategy to employ against certain rivals.

Hornbostel says he has followed his old coach's instructions to the letter, with one exception. That was in his "race of the empty stomach," the A. U. 1,000-meter championship, his only poor race of the season.

Finding he could get no food on the train taking him to the meet, he did not eat before the race. Badly beaten, he wrote to Hayes, who put him at ease with the statement that an empty stomach was his whole trouble.

Ivan Fuqua, Clemson 220 and 440 star, who also ended his college career last June, but has been running in indoor circle events, still training under the watchful eye of Coach Hayes.

Fuqua is taking post-graduate work here. Both he and Hornbostel, 1934 Hoosier co-champions, will seek places on the 1936 American Olympic team. They were members of the 1932 Olympic contingent.

Saidella Tops Magnuson 26 Pins In Seven Games

Hits Total of 821 for Average of 117.2 to Rival's 113.5; Has High Single of 144, Low Score of 97; Match Unexciting.

Hitting the wood for a fair average of 117.2, John "Bobby" Saidella, holder of the town single record of 220, defeated "Bink" Magnuson at the Charter Oak allies last night in a special seven-game total pinfall match by 25 pins. Magnuson completed an average of 113.5 and was four out of the seven games.

The match was entirely lacking in spectacular shooting. Both bowlers looked the little maples in good style but failed to rise above their usual performances. Saidella started off with his poorest game of the evening, 97, but hit 144 in his fifth game and stayed well over 100 mark after the opening game for the rest of the match. Magnuson's total of 821, Magnuson's lowest game was 105 and his best was 135, hitting for a total of 795.

Saidella collected twenty spares and four strikes, missing eight spares and cutting twelve times. Magnuson got exactly the same number of strikes and spares, blowing seven breaks and getting ten times. George odds was foul line judge.

The scores:

Saidella	77, 117, 109, 125, 144, 124, 105-821
Magnuson	105, 106, 113, 135, 110, 112, 115-795

SARAZEN FAVORED IN GOLF TOURNAY

Augusta, Ga., April 4.—(AP)—A great Italian, Gene Sarazen, known from a blinding snipe, drew the attention of the betting fraternity today as the mighty guns of American golf were cocked for the 2nd annual \$5,000 Augusta National tournament.

They call it Bobby Jones' tournament, for it's the outgrowth of an ideal cherished by the retired Augusta champion, but as the field moved into the clubhouse for the opening of the evening, 97, but hit 144 in his fifth game and stayed well over 100 mark after the opening game for the rest of the match. Magnuson's total of 821, Magnuson's lowest game was 105 and his best was 135, hitting for a total of 795.

Green's Pitching Star Insists He Was Offered \$8 a Game and Two Games a Week; Writes Statement.

The current controversy between the Bluefields and Manchester Green over the reported signing of Johnny Mankus as pitcher for the town champions this coming baseball season was played into deeper waters today with the Green's submission of a letter written by Mankus in which the latter denies having signed a contract with the Bluefields.

Mankus, star hurler of the Green last season, claims he signed an "agreement" and not a contract, and that the terms offered were \$8.00 a game for two games a week during the season. The Bluefields recently showed the writer what was purported to be an exact copy of the agreement but this copy called for much less than the amount that Mankus claims he was offered to sign.

A brief statement by H. D. Pater, publicity manager of the Green, and Mankus' letter in full are reprinted herewith.

Sports Editor, Manchester "Herald", Dear Sir:

You have been so kind as to print certain statements made by me in behalf of the Manchester Green Athletic Club, bearing upon the reported signing of Johnny Mankus as pitcher to pitch for the Bluefields. The statements referred to were made in the best of faith, and upon the spoken word of Mankus.

In order to straighten out the matter, to such an extent as will permit an unbiased person to judge the accuracy of the statements referred to above, I beg to submit the enclosed letter, addressed to me, and signed by Johnny Mankus.

Sincerely yours,
JOHN MANKUS

Publicity Manager, M. G. A. C. LITTLE FRANK MANKUS
Mr. H. D. Pater,
Publicity Manager,
Manchester Green Athletic Club,
Dear Mr. Pater:

I have read the several news items in the Manchester "Herald" regarding the signing of Johnny Mankus as pitcher with the Bluefields this coming season, and it seems that I have unintentionally confused Manager Hubbard and myself, so that you have had statements not exactly in accordance with the facts.

In order to straighten out the matter, and that you, Mr. Hubbard, and my other friends in Manchester will know exactly what I stand, I want to explain just what did happen. On Sunday, March 17, 1935, Mr. Des Lauriers and Mr. Brennan of the Bluefields Athletic Club, came to me at my home in Thompkinsville, and asked me to sign an agreement, whereby Mr. Des Lauriers is to pay me eight dollars a game, two games a week, and transportation, for the 1935 season. I told Mr. Des Lauriers that I was not ready to sign up with any team, and that you, Mr. Hubbard, and my other friends in Manchester will know exactly what I stand, I want to explain just what did happen.
