And with washday off your hands, think how many extra hours you'll have in your week hours for shopping, for visiting, for doing the hundred-and-one things you never seem to have time for. For a growing youngster, you'll have more time for his play. For a woman, you'll have more time for her beauty treatment, your own and his. And it's better right. For doing the family laundry is the most grueling task you have as the most menial task—and a woman has to do. Right now, while you have it on your mind, step to the phone-call and tell us what day you want us to call for your bundle. SEND IT TO THE LAUNDRY SAVE WORK • SAVE TIME • SAVE MONEY
