MILK INSPECTION
Editor, The Herald:
On January 20th the following proposed by-law was presented to the Selectmen, and most wisely refused:

Each town should have a supply of clean milk from local herds. The quality of the milk should be such that it can stand the quality frequently summing to its buyers, knowing that a growing child needs a quart of natural milk every day. SENSE and NONSENSE

Doctor (after he had examined the patient): "If I don't think the look of your wife at all. Man a better deal. But she's a good wife, and looks after the children and the house well—so I can't grumble, I suppose."

Quotations—
"DOGGONE IT, EMMA! THE HATCHET'S GONE AGAIN! I'S THAT MID WEARING HIS INDIAN SUIT!"

A Thought
The stranger did not lodge in the street; but I opened my doors to the traveler.—John 3:13.
