## MEXICO TAKES OVER AMERICAN, BRITISH CONCESSIONS IN OIL

### Government In Bold Stroke Expropriates 400 Mil- lions In Property To End Long Dispute Between Workers, Foreign Capital

Mexico City, March 19.—(AP)—President Lázaro Cárdenas expropriated American and British oil properties valued at more than \$400,000,000 today in a bold stroke designed to end a two-year conflict between labor and foreign capital.

Simultaneously, the Central Bank of Mexico suspended dealings in foreign currency and the President indicated denationalization of the new was under official consideration.

Operations were suspended in the oil industry at one minute after midnight last night as union oil workers, going ahead with a threatened "folded arms strike," forced a shutdown.

It was believed, however, that union headquarters would order the syndicate's 15,000 members back to work promptly in an effort to help Cárdenas while he tackled the admittedly difficult situation.

A bulletin from the Press Bureau early today said the Mexican Cabinet had decided upon "measures to prevent damage to the financial activities of the country."

These included provisions for the expropriation of the petroleum industry by the National Government and the general petroleum administration.

Another step was representations by the government to all labor unions urging them to refrain from strikes and public manifestations.

Cárdenas' broadcasting an explanation of his act, said the foreign oil companies had carried on a "sneaky and seditious campaign" against the government, which "has had the result that these same companies sought to injure seriously the economic interests of the nation, by attempting by this means to nullify the legal dispositions dictated by the Mexican authorities."

The fact that the industry "has set out of the country all its assets violated ordinary procedure in the case, the president said, while ordinary procedure in any case would mean "continuance of a situation that for the sake of decorum ought to be settled forthwith."

He added:

"They have had money for re-

## WAR THREAT PASSES AS TINY REPUBLIC YIELDS TO NEIGHBOR

### Lithuania Accepts Demands of Poland, Resumes Relations

KUJAVIA, Lithuania, March 19.—(AP)—The Lithuanian government and Parliament today bowed grudgingly to an ultimatum backed by the might of Poland's army and navy, and saved herself from invasion and Europe from another war.

The Lithuanian minister at Tallinn, Estonia, delivered to Poland a note in which he stated that the Lithuanian government had accepted the Polish ultimatum. The Lithuanian minister at Tallinn, Estonia, handed his government's reply to the Polish minister at noon.

News that there would be no war between the two Baltic neighbors caused great satisfaction in Warsaw.

The Polish government determined to do nothing that would humiliate Lithuania. It was said in official quarters that Lithuania's acceptance of Polish terms was regarded not as a gesture of weakness but as a sign of wisdom.

To Avoid Trouble.

Lithuania will make every effort to have negotiations run smoothly, it was said.

Announcement of the successful conclusion of Poland's ultimatum drew friendly remarks from Poland's neighbors. Found Polish infantry, artillery, cavalry, tanks and planes commingling on the border facing Kujavia, Lithuania capital.

There were even newspaper reports that units of the Polish army had left Gdynia, Poland's Baltic port, and steamed toward Lithuania, presumably toward Kujavia.

It was understood the Lithuanian note read as follows:

"On order of my government I have the honor to state the Lithuanian government decided today to establish normal diplomatic relations between Lithuania and Poland and for that purpose establishes a Lithuanian legation in Warsaw."

The Lithuanian government's guarantees on its part to the Polish minister in Kovno (Kaunas) conditions which would permit of normal exercise of its functions and in connection with these guarantees establishment after March 21 of direct means of communication—by land, water and air by postal, telegraphic and telephone means between that Legation and the Polish government."

## PARKWAY PROBES SCAN NEW MOVES IN ROAD INQUIRY

### Start Two Weeks Vacation Preparatory To Launch- ing Next Steps; Further Details Of Indictments.

BRIDGEPORT, March 19.—(AP)—Senator H. Silberman and Thomas N. Cooke, real estate brokers indicted with Lewis Kemp, former state agent, on a conspiracy charge by the Merritt Parkway Grand Jury investigating land deals, posted \$5,000 bond each today at the county courthouse.

Bridgeport, March 19.—(AP)—The Grand Jury extraordinary investigating Merritt Parkway land deals—after returning indictments against a state land agent and two real estate brokers—began a two-week vacation today preparatory to launching a new phase of the inquiry.

In the indictments, G. LeRoy Kemp of Darien, who served as state agent in most of the 422 Parkway land transactions was charged with two counts of conspiracy, while Thomas N. Cooke of Newaven Greenwick real estate operator, and Samuel H. Silberman, Stamford broker, were charged with one count each.

Cooke and Silberman were instructed by their attorneys at the Superior Court Judge Carl Foster to appear in court today. Bench warrants against the trio were issued at the request of State Attorney Louis W. Willis.

John Kough of Norwalk, counsel for Kemp, said his client was ill with a cold, but would surrender himself at noon Monday.

The true bills charged specifically that Kemp, a former Representative in the General Assembly from 1928 to 1932, conspired with Cooke and Silberman to defraud the state of its money.

"It may be so," said the attorney, "but I have permitted the state to sink about an inch since 1924."

## CZECHS NOW FACE NEW REICH DEMAND

### Hitler Wants State To Give Up Her Alliance With Russia As Price Of Peace

PRAGUE, Czechoslovakia, March 19.—(AP)—Diplomatic sources today asserted Adolf Hitler had demanded that Czechoslovakia renounce her military alliance with Soviet Russia as the price of peace with Germany.

The demand, said to have been conveyed to President Eduard Benes through diplomatic channels, was reported as the Czech government's demands and gave the 3,500,000 Germans within her borders greater voice in their government.

End of the Russian alliance was said to be Hitler's basic condition for any talks to lessen Czech-German friction.

Informed persons said it was being made increasingly clear to Benes and Premier Milan Hlada that Hitler's ultimatum demanded that Czechoslovakia, as the price of peace with Germany, should give up her military alliance with Soviet Russia.

The true bills charged specifically that Kemp, a former Representative in the General Assembly from 1928 to 1932, conspired with Cooke and Silberman to defraud the state of its money.

## RAILROAD MEN, HEADS TO MEET IN WAGE TALKS

### Managements Assert Cuts Must Be Made, Brotherhoods Dissent; Bodies May Meet Next Week.

CHICAGO, March 19.—(AP)—American railway management today said it would meet with representatives of the nation's rail workers. The conference, tentatively set for next week in Washington, was planned by the Association of American Railroads, which yesterday named a committee to confer with spokesmen for 21 rail brotherhoods.

Although the association, representing 140 Class 1 lines, expressed a willingness to discuss the entire economic situation of the industry, proposals for wage cuts were expected to top the agenda.

Sure Of Meeting.

J. J. Polley, president of the association, said "There is no question but that they (Brotherhoods) will meet."

However, George M. Harrison, chairman of the Railway Labor Executive Association, said that management that he felt little could be accomplished because both management and labor were represented on a committee named by the President to consider "the distressed condition of railroads."

Harrison also declared there was no question but that they (Brotherhoods) will meet.

## SEVEN MONTHS SEARCH FOR FLIERS ABANDONED

### Only Hope Of Finding Russ Polar Adventurers Rests On Keeping Up Hunt On Russian Side Of Arctic.

FAIRBANKS, Alaska, March 19.—(AP)—A fruitless seven-month hunt for the six missing Russian transpolar fliers ended today. The Soviet government indicated that any further search would be carried on from the Russian side of the Arctic.

Wireless and weather reporting systems were being dismantled, and the George Hubert Wilkins' expedition, N. W. T. base was abandoned. Wilkins and his party flew yesterday to Edmonton, Alta., enroute to New York. Wilkins was employed by the Soviet government for the search.

Michael B. Belakov, Soviet representative here, said he was returning to Moscow. He said that the expedition had been abandoned because of the lack of food and fuel.

Wilkins expressed the opinion that the drift in the Arctic led would have carried the missing men over to the Russian side of the Arctic.

Last News.

The transpolar plane, piloted by Sigismund Levandevsky, was last heard from early on August 13—28 hours after leaving Moscow for Fairbanks. 4,100 miles away.

Shortly after passing the Pole one of the ship's four motors failed.

## REBELS CONTINUE ADVANCE TO SEA

### Quiet on War Fronts But Barcelona Bombings Con- tinue; Over 600 Deaths.

HENDAY, France. At the Spanish Frontiers, March 19.—(AP)—The smashing insurgent offensive against Catalonia slowed down today but ruthless bombing raids designed to wreck the morale of government troops continued.

General Franco's troops consolidated his advanced lines southeast of Gijón and came for a new push toward the Mediterranean. The day's actual fighting was limited to minor engagements between advance guards and government troops.

Insurgent troops ranged through the vast conquered territory taken during the past week, cleaning up captured towns, establishing communications and moving up supplies to the new front.

In Barcelona, terror-stricken inhabitants combated raids for bodies. Authorities estimated systematic insurgent bombing raids already have killed 600 persons and wounded more than 1,200.

Hill In Subway.

Surviving inhabitants look refuge in subway or the countryside around the port city, present capital of government Spain, to escape the danger of coming attacks.

In addition to seven bombing attacks on Barcelona yesterday, insurgent aviators blasted the coastal cities of Tarragona and Sagunto.

General Franco's troops operating beyond Caspe was aiming at Melilla five miles from the boundaries of Catalonia. This next objective is the junction of a highway connecting Caspe with the Mediterranean.

Results between Alcañiz and Gaudes.

U. S. IS WILLING TO AID IN PEACE

But Europe Told Not To Expect Too Much Activity Regarding Foreign Affairs

London, March 19.—(AP)—Great Britain today welcomed Ambassador Joseph P. Kennedy's declaration that there is not money, nor personnel possibility of a "peace program."

"My country would be glad to train and encourage any nation or group of nations in a peace program based on economic reconstruction, the removal of armaments and a reduction of the military establishment of the world," he said.

"The remedy for the present international situation is not a peace program, but a program of reconstruction, the removal of armaments and a reduction of the military establishment of the world," he said.

# OPPOSITE TRENDS SHOWN BY PLAYS

Either Front Page News Or Rural Life The Themes Of Present Successes.

New York, March 19.—(AP)—Paradoxical though it may seem, Broadway theater continues to move along two opposite trends—either shows concerned with the excitement of front page news or shows depicting the quiet peace of small town or rural life.

Shows this season, and it appears the same type trend is in full bloom next season, have swung across the divide between the two extremes. The Spanish war, European political configurations and the humorous upsurge of the New Deal are among the subjects of the war of political cartoons have survived upon the stage, although George M. Cohan continues to play by the rules of the burlesque, respectful satire of President Roosevelt in "Id Rather Be Right" and the comic opera "The Great Waltz" are among the hits of the season.

The American Legion Drum and Bugle Corps held a rehearsal at the State Armory last night at eight o'clock.

The gold trophy awarded Manchester High's State Championship basketball team at the close of the recent state journey is now on display in Clifford's window, where it is attracting an unusual amount of interest. Mr. Clifford said today he has allowed room right along side of it for the New England Championship trophy which, he seems quite sure, Manchester will win tonight in Providence.

The Sisterhood of Temple Beth Shalom has set the date of Thursday, March 24, for an all-day rummage sale, in the old postoffice, 1007 Main street. Mrs. R. B. Kurban, Mrs. Nathan Sandata and Mrs. Lena Goodline, will be in charge. Members and friends are being solicited for articles for the sale, which the committee hopes the scores will deliver at the store, Wednesday afternoon, March 23.

An amateur theatrical troupe from Wallingford, will present two humorous plays tomorrow night at 7 o'clock in Pulaaki hall, under auspices of St. John's church on Galloway street. Although the text is in the Polish language, and they will be of especial interest to people who understand it, it is believed they can be understood and enjoyed by those unfamiliar with the tongue, and a good audience is hoped for.

The Cecilia club will hold a rehearsal at the South Methodist church tomorrow afternoon at 5:30, in the auditorium with the organ.

Mr. and Mrs. Thomas Lyttle of 289 Center street have received news of the birth of their first grandchild, a daughter, Patricia Eileen, born March 10 at the Maine Eye & Ear hospital, Portland, to Mr. and Mrs. Ernest E. Lyttle of Westbrook, Maine. The latter prior to her marriage was Miss Edith Johnston of this town.

Fred E. Wexler will present his advanced pupils in a recital Monday evening at 7:45 in the Federalist room of Center church house. Leonard Eccellenza, local violinist, now with the Hartford, Symphony orchestra, will be the guest artist. All interested will be welcome.

After Chapman Court, Order of Amaranth held its regular meeting in Masonic Temple last night. It held a party in honor of St. Patrick.
