BIG PARADE TONIGHT FOR H. S. CHAMPIONS

Whole Town To Turn Out To Honor New England Champion High School Basketball Squad; Big Bonfire At Old Golf Lot.

A town-sponsored parade and bonfire to celebrate Manchester High's first New England basketball title, earned by the Red and White team in Providence Saturday night, will be held this evening. The celebration was taken in hand by a group representing the Board of Education, the Board of Selectmen, Police Commissioners and the territorial basketball committee and co-operating groups when it appeared that impromptu celebration numbering three or four had been planned by athletic groups. In order to give the celebration something akin to orderliness and organization, the committee was hastily formed yesterday afternoon and a meeting was held last night in the Hotel Sheraton.

Back To Normal
Due to the detritus following the early morning parade and celebration Sunday members of the committee planning the orderly celebration of the great victory strove the need of returning the school to its scholastic tempo as soon as possible, and the parade and bonfire this evening was deemed the best possible action to take.
