British Law Held As Model For World; President Discloses Plan At Conference; Says British Law Misunderstood In U. S.

Washington, June 3.—(AP)—President Roosevelt announced today that a special Presidential commission would be sent to England this summer to study what he considered to be misinterpretation of this country about the workings of the British Trade Union Act.

This Act has sometimes been held up by business interests and others as a model of legislation the United States might write in order to define the proper activities of unions.

Mr. Roosevelt intended to apply the findings of his commission in any positive way was not brought out.

In discussing the purpose of the study with reporters at his press conference he said simply that he would have nothing to do with the Wagner Labor Relations Act. He explained that the purpose would be to get a better understanding of the law.

Mr. Roosevelt withheld the names of the commission members as has been done in the past.

Mr. Roosevelt said he would stand by his letter, which was addressed to Secretary of Labor Frances Perkins, despite Mr. Roosevelt's outburst at a press conference that the inquiry was designed to produce changes in the Wagner Act.

MYSTERY SHROUDS MURDER OF PRIEST

Clergyman Shot And His Housekeeper Beaten By Two Men; One A Negro

Centerville, Mo., June 8.—(AP)—The unsolved killing of an elderly Catholic priest and the beating of his housekeeper in a night invasion of the rectory engaged the full investigative efforts of state and county officers here today.

Father Charles Elmer, 63, was shot down on an evening motor car ride with the housekeeper, Miss Martha Rice, 30.

Miss Rice told Col. Marvin Chastel, state highway patrol chief, that the slayer was a negro, she believed was white, slugged her with a blackjack when she attempted to tear off his mask.

"I heard a shot," Miss Rice said hysterically. "The man I was struggling with struck me on the head and ran out the door."

"The (Father Elmer) raised his head and said: 'They got me!' Then he was dead."

Shot Over Hours

The priest was shot an inch above the head.

Dr. Phison Neal, pathology professor at the University of Missouri, performed an autopsy this morning.

Coroner W. R. Toulson said the priest was still in the hospital today.

Chastel said a gray cap found near the house was the only clue to the slayer. The priest's wallet, containing \$10 was still in his pocket and the patrol chief said he did not believe robbery was the motive.

The Rev. F. D. Dieckmann of Columbia, a friend of Father Elmer for 30 years came here to conduct the funeral.

"He had no enemies," Father Dieckmann said. "He always was friendly even with strangers. When he went out in his motor car he picked up every hitchhiker he could carry."

Father Elmer was educated and ordained in his native Holland. He came to America more than 40 years ago.
