SENATOR GILLETTE IS VICTORIOUS IN IOWA'S PRIMARIES

Democrat Who Opposed Court Reorganization Bill Is Polling More Than 50 Per Cent of Vote.

Des Moines, June 7.—(AP)—The purported drive of some nationally known New Dealers against Iowa Senator Guy M. Gillette appeared to have been swamped under a deluge of Democratic primary votes today. Senator Gillette, who charged during the campaign that New Deal strategists Tommy Corcoran was directing the drive against him from Washington, was polling more than 50 per cent of the vote as returns from Iowa's 2,417 precincts reached the two-thirds mark.

Representative Otha D. Wearin, endorsed by WPA Chief Harry Hopkins and "My friend" to James Roosevelt, was receiving a little more than a quarter of the total and three other candidates shared the rest.

In a statement issued at his Cheshire, Ia., home, Senator Gillette said his apparent victory "will give them last night's fight started out to control the party nomination in 1940, a very great incentive to think things over."

The senator, an anti-union plan Democrat, said he believed his opposition to that measure was "the Genesis" of a plan to defeat him. Wearing could not be reached for a statement. His opponent in the primary, J. Don Kerlin, Democrat, said he (Kerlin) had sent

more than 1,500,000 copies of his "Gentle" of a plan to defeat him. Wearing could not be reached for a statement. His opponent in the primary, J. Don Kerlin, Democrat, said he (Kerlin) had sent
