DEFENSE RESTS IN HAGUE TRIAL

Jersey City Mayor's Attorney Switch Plans Suddenly in Free Speech Case.

Newark, N. J., June 28.—(AP)—Mayor Frank Hague's attorney announced in Federal court today that he would offer no defense to CIO and American Cops. Liberty Union charges that he and other city workers had appropriated free speech and assembly in Jersey City.

The defense rests, said John A. Matthews of Newark, special counsel for the state Democratic leader, in a sudden switch of plans.

Hague had been on the witness stand for a day and a half today and today he was asked to answer questions.

A short recess was taken on Monday and the trial resumed today.

No Explanation. Matthews declined to make an out-of-court explanation of the decision to allow the case to go to the jury.

Matthews said he had announced previously that Hague had told his attorney to drop the case.

Before announcing the decision, Matthews said he had held a conference with his attorneys.

Participants in the conference included the mayor's attorney, the state attorney general, and the federal prosecutor.

Ax-Men Jump On Town Committee Who Attacks Joint School Board Vote.

Reports that Democratic Town Chairman Thomas Dannahey, at a meeting of his committee last night had "attacked" the joint school board for voting favorably on a budget which gives them \$100,000 more than they will spend this year.

For some time, according to reports that evidently was stuck out, the Dannahey committee, based on the high school situation in the town last year with the amount asked for this year, are in a "hot" state.

RINK TEAMS VOICE PLANS TO REBUILD

Three Clubs In National League Make Offer Deals For Next Year

New York, June 23.—(AP)—Rebuilding plans were announced by three National Hockey League clubs today following yesterday's meeting of the board of governors at which committees were appointed to deal with the circuit's most pressing problems.

Left Patrick, head of the New York Rangers, said he had asked Walter on five players in the Rangers' system of clubs. They are Bitch Keating, veteran forward, and Frank Calder, long-time goalie, and Joe Cooper, who played with the blue shirt club, as well as Riley McDonald and Larry Motyren, of the Philadelphia Flyers. The latter two, although only occasionally by the Rangers, were the club's reserves.

It had been reported previously that Keating had been released but Patrick said he had taken no action to cut Bitch.

Red Dutton of the New York Americans announced the signing of four youngsters for 1939: Wilf Fielder from Seattle of the Pacific Coast League; Pat Ryan, another Ontario last year, and Joe Bennett and Eugene Dines, forwards, from the Trail (B. C.) Smoke Eaters, Allan Cup champions.

Ernie Savard of the Montreal Canadiens said he would not offer contracts to the veterans, Arvid Jollat and Lip Litke, but since they did not want their releases, the club would try to find them other positions in hockey.

Yesterday's all-day discussion, centering around the plight of the Montreal Maroons who lost heavily last season, failed to bring results, Frank Calder, league president, desired the possibility of a franchise shift to Cleveland or St. Louis and it was unofficially reported the Maroons had been refused permission to suspend operations for one season.

A committee of James Norris, Detroit; John Reid Kilpatrick, New York Rangers; and Calder was appointed to deal with the situation, Art Ross, Boston, Comptroller, Toronto, and Calder were named to a committee to study the rules with a view to making them more equitable with a million dollars and it doesn't cost a cent.

"It's a big job," Calder said, "but we will do it." Calder said he would like to see a million dollars and it doesn't cost a cent.

Dinner was late, so the hostess played the piano. She finished and
