HOMO ECONOMICUS
 By James J. O'Leary
DOES PRICE AUTOMATICALLY REGULATE THE AMERICAN ECONOMIC SYSTEM?
 As we concluded in the previous article, the basic assumptions of laissez-faire capitalism no longer possess a substantial degree of validity in the American economic structure of today. In view of that, our next task is to determine whether or not the pricing mechanism of automatically regulating our economy.

ABOUT TOWN

Daughters of Liberty No. 125, L. O. E. I. will hold their annual outing at Rocky Point, R. I., Saturday, August 6. The committee would like to have the names of the members who are planning to go by Saturday night, July 30. They are requested to get in touch with Mrs. Jennie Chambers, or call 7077 before that time.

Janet, daughter of Mr. and Mrs. Karl Kuder has returned to Brooklyn with her aunts, Mrs. John Rickert and Mrs. James Bianco, who have been visiting in town, and will spend a month with them.

W. B. A. members and their friends are reminded of the dog roast tomorrow evening at the home of the president, Mrs. Ethel Cowie of 12 Hudson street, and to notify her of their intention tonight. Mrs. Irene Vinick, Mrs. Anna Richardson and Mrs. Mary Roberts are the committee arranging for the picnic.

Mr. and Mrs. Frank Rawson of Main street have as their guest, Mr. Rawson's sister, Mrs. Alfred Hubbard of St. Catherine's, Ontario.

Through an error the dates for the Camp Woodstock Girls' period were given in Friday's Herald as Aug. 15-20. The period is from Aug. 15-26.

The T.D.V.A. meeting will be held at the Army and Navy clubhouse, Wednesday evening at 8 o'clock.

EMERGENCY DOCTORS

Physicians of the Manchester Medical Association who will respond to emergency calls tomorrow afternoon, are Dr. E. C. Higgins, telephone 404, and Dr. D.C.V. Moore, 4507.

Teachers and officers of Emanuel Lutheran church school will meet this evening at 7:30. All are urged to be present as plans will be completed for the annual picnic of the church and school at Elizabeth Park, Saturday afternoon.

Several Manchester people attended the premiere performance last night at the Avery Memorial of "The Mikado" by the University Gilbert & Sullivan Opera company. The principals and chorus include many of the best singers from the Eastern colleges. Professor J. S. Daltry of Wesleyan University is the musical director. Francis Cowie Strickland of this town, stage director, also had to pinch his fingers at the last moment for the student taking the role of Ko-Ko, who was ill.

Shirley, 11-year-old daughter of Main street here as their guest, Mr. and Mrs. Martin Fredericksen of Charter Oak street, accidentally ran her arm through a window pane at her home yesterday, receiving a cut which required a number of stitches to close.
