

DEFENSE COUNSEL KEEP PAUL DWYER UNDER HEAVY FIRE

Unemotional Schoolboy, Sentenced For Doctor's Murder, Recalled To Witness Stand For The Third Day.

South Paris, Mo., Aug. 5.—(AP)—Love letters written by Barbara Carroll, 18, to Paul N. Dwyer, 19-year-old "lifer," were read today at the trial of the girl's father, former Deputy Sheriff Francis M. Carroll, for the murder of elderly Dr. James G. Littlefield.

Dwyer had testified that Barbara had written him letters in which she accused her father of improper conduct and that under threats he had returned two letters to Carroll. The state contended Dr. Littlefield's alleged knowledge of Barbara's letters provided a motive for the crime.

Five letters offered in evidence today, a sixth, from which one page was missing, was ruled inadmissible by the court, sustaining a defense objection.

The letters were found in Dwyer's bag when he was discovered asleep in Dr. Littlefield's car, which also contained the bodies of the physician and his wife, at North Arlington, N. J., last fall.

Dwyer had been arrested at the current trial placed the entire blame upon Carroll.

In one of the letters Barbara expressed regret for "intimacy" with Dwyer, but also termed the "pale youth" the "sweetest kid in the world" because he "kissed me after everything has been done."

In another, she said she loved Paul with every part of my body.

These Dwyer would keep still about it even if you hate him.

One letter quoted the girl as saying, "I gave you everything I could, and declaring she would be waiting for you."

In his reply yesterday to Japan's proposals for mutual withdrawal of troops in the zone in dispute, Maxim Litvinov, Soviet commissar for foreign affairs, said a condition of future negotiations was that the zone be called upon to identify the misdeeds which were admitted over the objection of Carroll's counsel, Attorney Clyde R. Chapman.

Carroll also followed the proceedings impassively.

He had within three days read Barbara at times leaned over in her seat among the spectators to converse with her mother.

Clothing Evidence Offered

Before the letters were entered, a considerable quantity of clothing worn by the slain couple and some rugs were offered in evidence. Several of the articles were stained.

Dwyer, who previously testified to a great fear of Carroll, asserted he expressed the hope, upon his arrest in New Jersey, that the then deputy sheriff would not be sent to jail.

Military Observers Predict Red Army Will Resume Action On Border If Delay In Troops Withdrawal.

Moscow, Aug. 5.—(AP)—Soviet Russia felt border friction diminish today because of a proposed settlement of three children, inserted in an advertisement in a San Francisco newspaper today, offering to sell his rights for \$1,000.

"I have seen enough misery," said he. "Maybe my one eye will do someone some good and the money may give me a start in life again."

Ketterman, a house painter, said he had been inspired by newspaper accounts of extreme transplants to restore sight.

San Francisco officials said any doctor who removed Ketterman's eye would be liable to prosecution for mayhem.

Hartford, Aug. 5.—(AP)—The Democratic State Central Committee sidesteps issue and selects eastern point for September convention.

Hartford, Aug. 5.—(AP)—The Democratic State Central Committee, summoned here to set a time and place for the state convention, confined its activities to that task and waded off what seemed to be an attempt to elicit from it an expression on the New Deal issue, cropping up daily in the hot three corners fight for the United States senatorial nomination.

Meeting last night to select eastern point as the site and September 13 and 14 as the dates for the state convention, the committee tabled a resolution proposing that the person chosen as temporary convention chairman and key-note speaker be a "true New Dealer."

BEAR SHOT AFTER ESCAPE FROM ZOO

Hunt For Ferocious Grizzly Loose In Pittsburgh Extends Over Five Hours.

Pittsburgh, Aug. 5.—(AP)—A ferocious grizzly bear that broke from a steel-barred cage in the Highland Park zoo and killed a man through the adjoining residential district, was shot and killed near a reservoir in the park five hours after his escape today.

The carcass was brought to the zoo, in the center of the wooded, 400-acre park on the banks of the Allegheny river, 10 miles from the downtown business section of Pittsburgh.

Arnold Schaumann, zoo superintendent, shot the bear twice as she emerged from a pedestrian tunnel in the park and charged him, snarling and pawing. The animal struck in the shoulder, dropped eight feet from Schaumann, rolled down an embankment, reared up and attempted to run back into the tunnel.

Five Two More Shots

Schaumann fired two more shots at the bear, but she was not killed. For nearly six days warships and fighting planes combed the Pacific stretches in all directions from a point over 300 miles east of here where the flying boat radiated her last position a week ago today.

CIRCUS ACCUSED BY UNION ACTORS

File Charges With Labor Relations Board On Discharges Following Strike.

Washington, Aug. 5.—(AP)—The American Federation of Actors, filing charges with the Labor Relations Board, accused the Ringling Brothers and Barnum and Bailey Circus of having illegally discharged approximately 1,500 of its union employees.

The circus firm broke a five-year closed shop contract with the union, the complaint said, in order to entice the wholesale discharges.

Occurred After Strike

Charge for union actors said the firing of the workers occurred after they had gone on strike at Scranton, Pa., in June. The show closed there and returned to winter quarters at Saratoga.

Despite an agreement to remain closed, the complaint continued, the circus transferred its equipment to the A. G. Barnes and Selig-Floto circus and is now on the road as a presentation of the latter concern, it said.

Denied Right To Bargain

Union counsel contended the removal of the show to winter quarters was "for the purpose of denying to the employees the continued self-organization and the right to bargain through the representative chosen by them."

The federation further charged a "fraudulent and collusive arrangement" had been entered into by the Ringling Brothers and the Barnes show to make appear the former had been leased to the latter.

DUTCH PLAN TO FLY IN "WAR ZONE"

London, Aug. 5.—(AP)—Great Britain launched air defense maneuvers with 500 planes today over a North sea "war zone" as the Royal Dutch airlines refused to recognize.

Beginning of the exercises was delayed until afternoon by fog and thunderstorms.

The North sea is a neutral area. Nobody can put a ban on crossing it, said an official of the Royal Dutch airlines.

Revan of the company's air traffic control center in Amsterdam, Rotterdam, The Netherlands, and Croydon, England, flying across the area, he said.

Fliers Advised Where to Cross

The ministry had advised Belgian, Netherlands, and German airlines operating to England to follow the continental coast down to the English coast and cross at the point near the British south coast town of Folkestone.

The Rotterdam company was reported to have told the ministry by telephone of the decision to fly the morning and later confirmed it by letter, which was said to have been unaltered.

The government established an emergency radio control system to warn the Royal Air Force machines of the "war" area, which stretched from the middle part of England across the North Sea to the territorial waters of Belgium, the Netherlands and France.

To give the airmen maximum protection, the ministry ordered that the "destroyed" planes were ordered to continue after being shot.

CRUMP GROUP WINS PRIMARY IN TENNESSEE

Scores Smashing Victory Over Browning And Berry In Statewide Poll, Incomplete Returns Show.

Nashville, Tenn., Aug. 5.—(AP)—The Crump group won a smashing victory over Governor Gordon Browning and Junior Senator George L. Berry in Thursday's statewide primary, incomplete returns show today.

Freddie Cooper, 45-year-old Shelbyville attorney and former state commander of the American Legion was nominated for governor over Browning, who two years ago received the greatest majority ever given a gubernatorial candidate in this state. In the 1936 primary the governor had Crump's support.

Senator Berry bowed to A. Tom Stewart of Winchester, a district attorney general who expressed 100 percent indorsement of President Roosevelt's policies.

New Deal Not Issue

The New Deal was not an issue, however, although Berry was criticized in some of the speaking for his attitude toward the Tennessee Valley Authority and because he had turned against some of the measures.

Both Cooper and Stewart had Crump's backing.

Stewart, Shelby County clerk, the Crump ticket, added to the majority that the three "coalition" candidates had.

JAPANESE SLOWED TO SMALL GAINS

Warships Concentrate Efforts On Trying To Sweep Mines From The Yangtze.

Shanghai, Aug. 5.—(AP)—After 355 days' fighting in which Japanese advanced up the Yangtze river at an average of a mile and a quarter daily, the invaders' offensive seems to have slowed to a yardage battle.

Japanese warships concentrated their efforts today on trying to sweep mines from the river, above Kiating, Yangtze port only 135 miles below Hankow. They also shelled Chinese defenses on the Yangtze's south bank, above Kiating.

Infantry Attacks Repulsed

The bombardments were preludes to the foot soldiers' attacks which, it was reported, were repulsed at the foot of Shantung, or Summer Hat, mountain.

The Chinese maintained that they had thwarted an attempt by Japanese landing at Wurbing, on Lake Poyang, 60 miles south of Kiating, while Chinese troops counter-attacked ten miles south of Kiating, the Chinese air base.

Japanese Mired By Floods

Shanghai life has become a veritable inferno since the Japanese and the Yangtze were reported mired by floods.

Japanese and foreign police established precautionary patrols and barricaded Shanghai against possible outbreaks Aug. 15, anniversary of the start of the Chinese-Japanese hostilities in Shanghai.

The once well-known free and open Shanghai has become a veritable prison in the past year.

Bombardments and bombs, Shanghai residents have faced continuously rising living costs and epidemics of cholera, typhoid and malaria which have taken a heavy toll.

The proportion thus would be about one Jew to 1,000 Italians. It is clear that from now on participation of Jews in the full life of the state must be levelled at that proportion.

LATE NEWS FLASHES!

NO LETUP SIGN

By THE ASSOCIATED PRESS

Resort proprietors who were thinking of closing up two weeks ago in the face of scorching and rain looked forward to a boom week-end today as the weather man gave no indication of an immediate let-up in the current weather trend which had Connecticut folks talking about the heat being "the humidity."

Scattered showers and occasional drizzle obscured the sun at 11:15, to draw the mercury down from the high 80's and 90's which Connecticut thermometers have registered virtually all week.

Seven Deaths Blamed On Heat

There were no statistics available on the number of heat prostrations occurring in nearby every community and besides several deaths at least seven deaths were blamed in some degree on the heat.

The victims were:

Tuesday, George W. Crosby, about 70, of New Britain.

Wednesday, A man tentatively identified as James Connolly of Hartford, who died in Millford; Andrew Johnson of New Britain; Frederick Heaton, of New Britain; Mrs. Jennie Laroux, of Stamford.

Thursday, Frank Zerk, 69, of Hartford; Michael Horbeck, 46, of New London.

Great areas of the United States continued to swelter today in the feverish grip of a multi-state heat wave.

Mercury Resumes Climb

Several deaths and numerous prostrations were reported as temperatures resumed their restless climb after a night cooled in some sections by rain.

Seven deaths were attributed to the heat.

BAD CUT OVER EYE LOSSES AMATEUR GO FOR TOWN BATTLE

Chicago, Aug. 4.—(AP)—Fred Smith Ferguson, young Lou Salle street inventor, broke out over four courses today for one of the nation's richest golf stakes—\$25,000 and an additional half interest in a \$50,000 Virginia plantation. At the crack of dawn, Ferber snatched a ball down the fairway of the Olympia fields course, south of the city. That's the way he started his marathon play. During the 15 hours between sunrise and sunset, Ferber hopes to complete 144 holes of golf, over each of the four courses, making a score of 95 or less for each 36 holes. If he scores less than 95 for any one of the four rounds, he will complete the contest, he said.

The contest which is in Princeton, N. J., is one of the most exciting in the history of the game. It is a test of endurance and skill. The winner will receive a \$25,000 prize and a half interest in a \$50,000 Virginia plantation. The contest is being held at the Olympia fields course, south of the city. DAILY PATTERN

Editor, The Herald:

There is a small place on the map of Texas, but it is there, in Madison County, south midway between Waco and Houston. We ourselves cannot place Miss Bowie among our acquaintances, but of the existence of such a place, we have heard from a person who has visited it. It is the best description available to me.

ABOUT TOWN

Miss Eleanor Smith of 64 Bond street, is spending the week-end with the family of her cousin, Paul Smith of Wapping.

The class in chair making and repair work will meet at the Y.M.C.A. as usual under the instruction of Edward Bell of Glastonbury. Despite the heat this class, chiefly of women, has been meeting weekly and some excellent examples of red, mahogany and other woods chair work have been accomplished at a minimum of cost.

Mrs. Elizabeth Zorkis of 109 Hilliard street and her daughter Peggy, will leave tomorrow for New Jersey. From there they will make trips to Baltimore and Washington, D. C., returning Sunday, August 14.

Notice of the Townsend meeting for tonight was in error. The meeting will be held Friday evening, August 11 at the Y.M.C.A., which time plans will be considered for attending the mass meeting in Danston.

The Y.M.C.A. will be closed for shower privileges after this evening for at least two weeks, when repairs will be made. It is expected the work will be finished Monday, August 21, for the daily schedule 8:30 to 7:30.

Russell Gould of this town, with Thomas Norris of Waterbury and John Miller of Hartford returned last night after a 13-day sightseeing automobile trip which covered 6000 miles. They motored as far west as the Yellowstone National Park.

Mrs. A. E. Holman of Victoria Road is vacationing at Forest Lake, Winchester, N. H.

Edgar Clarke of Haynes street will spend a part of the week-end with his mother, Mrs. F. B. Clarke, who is a patient at the Robert Brigham hospital in Boston.

LOCAL RED MEN'S TRIBE IN BRIDGE CELEBRATION

Members, Headed By Rockville Drum Corps, Will Take Part In The Big Parade.

Manitowish Tribe, No. 58, Improved Order of Red Men, will be represented by a large delegation of members at the festivities in connection with the opening of the new Middletown-Portland bridge tomorrow.

Due to the fact that the weather is too warm to wear the regalia of the tribe, those who will participate in the parade will wear white trousers and shirts and black bow ties.

During the day the Middletown tribe will be host to visiting tribes of the Reservation of Connecticut, and state officials of the order expect the largest turnout in the history of the organization.

The drum corps of the Rockville Tribe will lead the marching Red Men.

BRITISH WAR VETERANS TO GO TO WATERBURY

To Take Part In Memorial Services Sunday: "Kilties" To Lead Them In The Parade

Moss-Yves Post and Auxiliary, British War Veterans of this town will take part in the annual parade and drumhead Memorial service sponsored by the Lord Kilcher Post, British War Veterans of Waterbury in that city Sunday afternoon.

Members will go to Waterbury by bus and private cars, leaving Orange hall at 10 a. m. Sunday morning. The post colors will be carried and members will wear service caps and decorations.

The New England Council of British War Veterans, in which organization the local unit has representation, will hold its regular meeting following the parade and memorial service.

Commander Fred Baker of the Moss-Yves Post will lead his delegates and members in the parade, services and business sessions Sunday.

PUBLIC RECORDS

Application for a marriage license has been made of the Town Clerk by Stephen Frey, Jr., inspector, and Anne M. Pym, registered nurse, both of this town.

George B. Miner has transferred to Sarah F. Hinchey realty located at Highland and Garden streets, according to a warranty deed recorded late yesterday by Town Clerk Samuel J. Thurgood.

A permit for the erection of a new \$5,000 machine station at 253 Main street has been issued to Knappa Brothers by Building Inspector Edward C. Elliott, Jr. The structure will be built for the Manchester Construction company of 18 Chestnut street, and a smaller station now on the Main street site will be demolished.

A permit for the erection of two air storage tanks in the rear of their place of business at 262 Oakland street has been issued to Ellsworth and Lasser. Cost is estimated at \$50.

Local Man To See Brother First Time In 49 Years

John B. Burdman of 84 Benton street leaves tomorrow on a two-week trip to the midwest and Canada to visit a brother he has not seen for forty-nine years and another brother he has not seen for forty-five years. Mr. Burdman came to Manchester from Vastergotland, Sweden, thirty-eight years ago and both brothers preceded him to this country.

Although correspondence has been maintained during these many years the opportunity has not presented itself for the brothers to have a reunion since they left the old country. Mr. Burdman will first visit John Burdman (who uses the simplified American spelling of his name) in Minneapolis, Minn. The latter is soon to celebrate his 70th birthday and the local man will arrive in time to participate in the observance.

After a few days in Minneapolis, Charles Connors, chairman of the committee named by Rose Company No. 1 of the Manchester fire department to arrange for the annual outing of the company, which is to be held Sunday at House's Grove, Wapping, has made reservations for 40. The members will meet at first headquarters, Main and Hilliard streets Sunday morning at 9 o'clock where transportation to the grove will be provided.

YDVA ORDERS ISSUED FOR BRIDGE PARADE

Local Members To Meet At Army And Navy Club At Noon Tomorrow For Trip To Middletown.

The Manchester Chapter YDVA will meet at the Army & Navy Club at 12:30 noon tomorrow, and proceed in a body to Middletown and march in the YD section of the parade in celebration of the opening of the new bridge between Middletown and Portland, in Middletown.

The committee in charge has asked that the members wear dark pants, white shirt, black tie and hat. It is probable that the Manchester boys will wear white pants. Colors will be massed.

All veteran organizations in Middletown will keep open house on Saturday and any veteran attending the celebration will be assured of a good time.

It was originally intended that the members of the YD use the rear of the Army for parking, but this plan has been changed and cars will be parked in the rear of the Middletown High school. As there will be more than 20,000 marchers it is anticipated that traffic in the vicinity of Middletown will be more or less shut off, therefore those intending to participate in the parade should be prepared to leave the Army & Navy club not later than 12:00 o'clock.
