## SENSE and NONSENSE

### A Thought

Friendship is the greatest thing in life, and happy indeed is the man who has the knack to make friends. This is not so difficult as many people suppose. It is merely a case of reciprocity. He who is ready to give will make friends, and that is to be expected.

### Some Hints

Heaven and earth shall pass away, but my words shall not pass away. -St. Mark 13:31.
