POLICE COURT
William Riley, who said his home was in Worcester, Mass., was charged with intoxication. He was picked up Sunday evening sitting on a running board in the rear of the Salvation Army building. Riley admitted he was a bit hazy on how he got to Manchester. He said he started to walk from Hartford to Worcester, by way of Springfield, because he was so drunk he did not know that he was doing a Corigan act in traveling in the wrong direction. He said he was allowed to continue his journey. Judge Danaher put a fine of two hours to make good his departure from Manchester. David S. Major, 36, who is to make his home in Manchester, moving here from Hartford, was fined \$5 and cost for operating an auto without a license. He told the court he needed transportation between Hartford and Manchester and had purchased an automobile. He had at one time held a license and knew that it was necessary to have one. On Saturday morning he went to the state office building, with his card filled out, to take a test and get a license. It was 11:40 and he was told by the inspector that before the test could be made the car would be closed and he could not get his license. Having the car in his possession he decided to drive it back home. He was stopped by an officer, could produce no license, and was fined \$5 and costs.

Y.M.C.A. Notes
Miss Eleanor Hubber will instruct in tennis at the Y. Tennis Court from 7:00-9:00 this evening for members of the Y. Tennis Club. Miss Hubber's instruction has been most beneficial and interest in the members who have taken advantage of the opportunity to learn more of the fine points of the game. Miss Tinker regrets to announce that the showers at the Y.M.C.A. are still closed because of a C.I.O. strike at the mill factory which has delayed the work. There will be an announcement in the near future in regard to the opening date for both the men's and the women's showers. The "Y" is forming its bowling league for the coming season and those who are interested in reserving alleys should contact with the General Secretary, Miss Tinker, within the next few days. The Y is planning to open for the season on September 6.

FALLS ASLEEP SMOKING WITH UNUSUAL RESULT
Instead Of Setting Fire To Home, Tobacco Worker Finds Himself in Tolls Of The Law.
Fred Cairns, 50, employed in the tobacco fields and making his home at 29 Buckland street, worked hard yesterday. He decided he needed a little stimulant and drank just a little too much. Going to his room he decided he would take a smoke. After lighting the cigarette he fell asleep. The cigarette fell onto a mattress and set fire to it. He continued to sleep through it until the boarding house emmie, the smoke and called the police. When Cairns awoke he found himself in the long arms of the law and was given transportation to the police station where, after giving his name, address and place of birth he was assigned a room in the lower wing of the building. On Wednesday night he will tell the court his sad story.
