## SENSE AND NONSENSE

"What was your sister so angry about?"

"She sent me to the drug store to get some cold cream and got ice cream. It was the coldest day here."

Customer - Isn't that pretty expensive for a little pillow like that? Clerk - Well, you see, lady, down is now up.

NO CHANCE

"There is no chance in this town for a man after he gets to be middle-aged or beyond," grumbles one of the oldsters. "Everything goes to young men. There is a preference to give anyone else a chance."

JOHNNY - COLLINS

"So he handed over the bill from his wife's milliner."

Can anyone tell me the meaning of the word "solitaire"?

No answer. "Well, when two things come together unexpectedly, that is a solitaire. Now, can anyone give me an example?"

JOHNNY - COLLINS

"I just read in the paper about a Hollywood film star who has never been divorced," said the ardent movie fan.

"Really?" answered her bored husband. "Who was it - 'Tin-Tin'?"

WE CANNOT KNOW EVERYTHING BUT A LITTLE KNOWLEDGE OF EVERYTHING WITH WHICH WE ORIGINALLY COME IN CONTACT HELPS A GOOD DEAL.

### DOMESTIC RELS DEPARTMENT

Wife - "Let me see that letter you've just opened. I can see from the handwriting it's from a woman, and you turned pale when you read it."

So he handed over the bill from his wife's milliner.

### HOLD EVERYTHING

"Did you receive many Christmas cards from Mrs. Brown's new young man?"

"Oh, yes, quite a lot," replied the girl. "There were an unusual number. I thought particularly dandy and nice. I'm sure they were all from the same young man, delighted and highly flattered. And what makes you think so?"

"Because I sent it to you last year."
