SENSE AND NONSENSE

Mistress—You know, I suspect your husband has a large...
 Wife—No, I don't believe it. You're only saying it to make me jealous.
 Responsibility has a sobering effect except where alcohol is concerned.
 Story of good works: (1) Man decided to be good; (2) decides to do the wrong thing; (3) decides to do the right thing; (4) decides to do the wrong thing again.
 When the world's work goes undone because someone doesn't feel like doing it, but if we'd all wait until we feel like doing it we are positive very little would ever be accomplished. It isn't feeling like it that does things, it's just something that overcomes the "I don't feel like doing it."
