MONDAY, JUNE 5

SPENDING

It is gratifying to learn that some construction work is being given by the local authorities to the speeding of automobiles in Manchester.

Study and observation really give a key to the problem. No could very quickly tell the commuters, or any traffic group, where the danger spots are.

Manchester has a number of arteries that lead throughout the town.

NOT ELIGIBLE

The plight of Jewish refugees from Germany, caught in the whirl of circumstances over here, is one that disaffects the sympathy of all who have hearts.

Washington Daybook

Washington, June 5.—It was impressive in the extreme to see the land and water-borne variety of the disaster to the submarine.

Police Seek Thieves

NEW YORK, June 5.—Police closed around today for epidemic and burglary thieves who stole \$3,000 worth of furniture.

Washable dustite custom made slip covers

School Expansion

agitation for school building, either a centrally located high school plant or a group of grammar schools.

What we do know is that the taxpayers will be in a mood to discuss increased taxation for several years.

TIDAL HANDICAP

The tragic loss of the British submarine Thetis followed so quickly upon the sinking of the Squid.

Modern industrial plants and their buildings for two and sometimes three stories high.
