Principal Point in Issue: Whether Provision in Act on Tests Applies to Director's Job. Hartford, April 24.—(AP)—Judge Patrick R. O'Sullivan indicated today that he would rule speedily, perhaps before the end of the week, in the dispute as to whether the Advisory Personnel Committee has the legal right to submit to the governor a list of candidates for the position of director of its own choosing.

Decision Before Saturday: In view of the importance of the effective date of March 1, 1940, it is suggested that the personnel director should be called upon to make a list of candidates for the position of director of the merit system.

Not Questioned: Jackson did not question the committee's right to provide such a list, but argued that eligible persons as defined by the merit act should be determined through competitive examinations.

212 Die in Dance: Exit Blaze; Single Exit Proves Trap. Hartford, April 24.—(AP)—A fire broke out in the rear of the building at 212 North Main street, today, which resulted in the death of 212 persons.
