News From Manchester's Neighbors

To Spend Week-End At Camp Woodstock

More than sixty Tolland County youths, accompanied by adult leaders and also some of the fathers of the boys will spend the week-end at Camp Woodstock, according to the announcement made by Camp YMCA Secretary William Russell yesterday.

The boys will be in camp from Friday evening to Sunday morning. The week-end will be spent in camp activities, including sports, games, and social events. The camp is located in the town of Woodstock, Tolland County.

Ellington and Somers Increase Populations

The town of Ellington and Somers showed an increase in population during the first three months of this year.

Ellington's population increased by 150 people, while Somers gained 120. The increase is attributed to new families moving into the towns.

Wapping

The Ladies Aid Society of Wapping will hold a social at the home of Mrs. W. J. Smith on Saturday evening.

The social will feature refreshments and a program of songs and readings. The Ladies Aid Society is a charitable organization that provides for the needs of the community.

400 to Seek Funds In Hospital's Drive

Over 400 men and women workers in Manchester and neighboring communities will seek subscriptions to the \$175,000 building fund for the new hospital.

The drive is being led by the Manchester Hospital Association. The new hospital is a major project for the town, and the community is being encouraged to contribute to its construction.

Roosevelt Is Challenged To Renounce Third Term

Washington, May 23.—An Associated Press report states that President Roosevelt will be challenged to renounce a third term if he wants Republican aid for a coalition defense administration.

The challenge is seen as a significant political move, reflecting the growing concern over Roosevelt's potential for a third term. It is expected to have a major impact on the upcoming election.

How Delegates Consider Defense Plans in State

Harford, May 23.—State and municipal officials are considering defense plans for the state.

The discussion involves various aspects of state defense, including military readiness and civilian preparedness. Officials are working to coordinate these efforts for the state's benefit.

Bidding Brisk For Support

Indianapolis, May 23.—Bidding for support for the nomination of Indiana's 28 delegates to the Republican national convention.

The competition is intense as various political figures vie for the delegates' support. The outcome will significantly influence the state's position in the national party.

Efforts to Gain Convention Delegates Made by Three in Indiana

Indianapolis, May 23.—Efforts to gain convention delegates are being made by three individuals in Indiana.

The individuals are actively campaigning for support and are working to build a strong base of delegates. Their efforts are being closely watched by the political establishment.

Stafford Springs

The annual Camporee of the Eastern Connecticut Boy Scouts will be held at Stafford Springs.

The event is a major annual gathering for the Scouts in the region, featuring various outdoor activities and team competitions. It is expected to attract a large number of participants.

South Coventry

The annual picnic of the South Coventry Community Club will be held on Saturday.

The picnic is a popular community event that brings together residents for a day of social activities and games. It is a key part of the club's annual calendar.

Willington

The Democratic caucus in Willington will be held on Saturday evening.

The caucus is a significant political event where voters gather to select delegates for the upcoming election. It is a key moment in the local political process.

Power Tactics To Get Test

250 Airplane Fill Sheds To Cut Path Through 'Enemy' Country.

The plan is to use 250 airplanes to drop incendiary bombs on enemy territory, creating a path through the defenses.

Birth Control Statute Hit

Speaker Says-Saving Information to Women.

The speaker has criticized the birth control statute, arguing that it deprives women of essential information.

Growers Warned Of Blue Mold

Harford, May 23.—Growers of tobacco are being warned of the danger of blue mold.

The warning is based on recent reports of the disease in the field. Growers are advised to take preventive measures to protect their crops.

Named Commissar Of Dutch Banking

Harford, May 23.—A new commissar has been named for Dutch banking.

The appointment is seen as a significant move in the financial sector, reflecting the ongoing efforts to stabilize the economy.

Legionnaires Offer Use of Their Home

The American Legion in Stafford Springs offers the use of its home for various community events.

The Legion is a well-known community organization that provides a variety of services and facilities for its members and the public.

Canadain Held as Suspicious Alien

A Canadian citizen has been held as a suspicious alien in Stafford Springs.

The individual is being held pending further investigation into their activities and potential threats to national security.

To Confirm 400 At St. James's

The annual confirmation class at St. James's church will be held on Saturday.

The church is holding a special service for the confirmation of 400 young people, marking a significant milestone in their religious education.

Guarding Against Invasion Danger

London, May 23.—The government is taking steps to guard against the danger of invasion.

Measures include the construction of air raid shelters and the mobilization of the armed forces to defend the country.

Urges Bombers Also Dump Water

London, May 23.—A speaker has urged bombers to dump water to reduce the damage caused by incendiary bombs.

The speaker argued that dropping water would help to extinguish fires and save lives and property in the event of an attack.

Typoid Fever Deaths Drop

Chicago, May 23.—Deaths from typhoid fever in the nation's largest cities dropped 29th year.

The decline is attributed to improved sanitation and public health measures that have been implemented over the years.

Baby Puffins, Birds of the North

Small birds of the North are nesting in the area, including baby puffins.

The birds are being protected by local conservation groups, and the area is becoming a popular destination for birdwatchers.

Americans are the heaviest cigarette smokers in the world.

According to a report, Americans consume more cigarettes per capita than any other nation. The report highlights the health risks associated with heavy smoking.

French will sell, says agency.

The French government is expected to sell a large quantity of goods to the United States. The sale is part of an effort to secure economic support during these difficult times.

Heavy Gunfire Heard

London, May 23.—Heavy gunfire was heard in the area, raising concerns about the possibility of an attack.

Report German Captured

A report has been received that a German soldier has been captured. The capture provides valuable intelligence into the enemy's movements.

Legion of Honor

Reveals Skill

Unhappily by the majority of female attendees, Donald Dewey, a youngster of five, modeled a suit suit at the Sewing Classes Fashion Show Tuesday morning in the Barnard School auditorium. The models presented the work which has been done in the classes during the year. Miss Veronica Adams who acted as chairman, explained that due to last minute circumstances, the "seamstress" demonstrators had to model without rehearsal.
