Overplus Seen Nearly \$30,000

Town balances books for its fiscal year today; Collections Good.

Excellent collection of delinquent tax accounts plus several substantial but unexpected payments of sums due the town on other outstanding accounts are figuring in the expected surplus which will accrue as the town balances its books for the fiscal year which ends today.

C. C. Outing Smashes Attendance Records

250 Present at Annual Event; Sixty-two Automobiles in Motorcade; Enjoyed Day at Lake.

With a crowd that was close enough to 250 persons to be on friendly terms with that figure, the Chamber of Commerce outing at Lake Comstock in Bristol yesterday smashed all attendance records for the annual affair, and it also set a new high mark for keen enjoyment with the afternoon and evening devoted to an informal and spontaneous program of fun and frolic in which virtually everyone participated.

Probably the most thrilling and exciting part of the whole affair was the motorcade which started in front of the Hotel Sheridan at 1:40 o'clock, forty minutes late. The House of Representatives and the Chamber of Commerce, headed by Mayor Frank Beley of the Hartford barracks led the procession as it swung down Main street to the terminus, then back to the center and off to East Hartford.

With screaming sirens and blaring horns, the cavalcade sped a 100-mile clip toward its destination, taking a round-about way in order to hit the main thoroughfares of Hartford, New Britain and Bristol as well as the smaller communities of East Hartford, Newington and Plainville. The ride through Hartford was accomplished in a few minutes as Hartford police joined the escort and cleared the way down Main street. The entire trip took about an hour.

Probably the most thrilling and exciting part of the whole affair was the motorcade which started in front of the Hotel Sheridan at 1:40 o'clock, forty minutes late.
