Brother Put Fighting Blood in Zivic's Veins to Beat Pneumonia

Youngest of Fistic Family Red Champ After Slow Start

By Harry Grayson
New York, Oct. 15.—Most fight followers were astounded when Ferdinand Zivic, a depleted short-coder, had Henry Armstrong flat on the floor at the end of 15 rounds in lifting the world welterweight championship at Madison Square Garden the other night...

They remembered too many of the Pittsburgh lady's early struggles as a professional. Practically everybody best Ferdinand, who took the name Fritz when he joined the money ranks...

Northwestern At Top Again On Team Work

Bauman and De Corvo, Co-Stars Once More, Lead Wildcats Out of Grid Doldrums.

Evanson, Ill., Oct. 15.—(AP)—Northwestern's return to football power is the story of a group of bewildered, dejected sophomores who refused to lose faith in their physical talent...

The Wildcats surprise victors over Ohio State Saturday are riding high with wonderful possibilities for the season because the players found a new secret—how to play ball and all for one—no one for all and all for one—to match their physical talent.

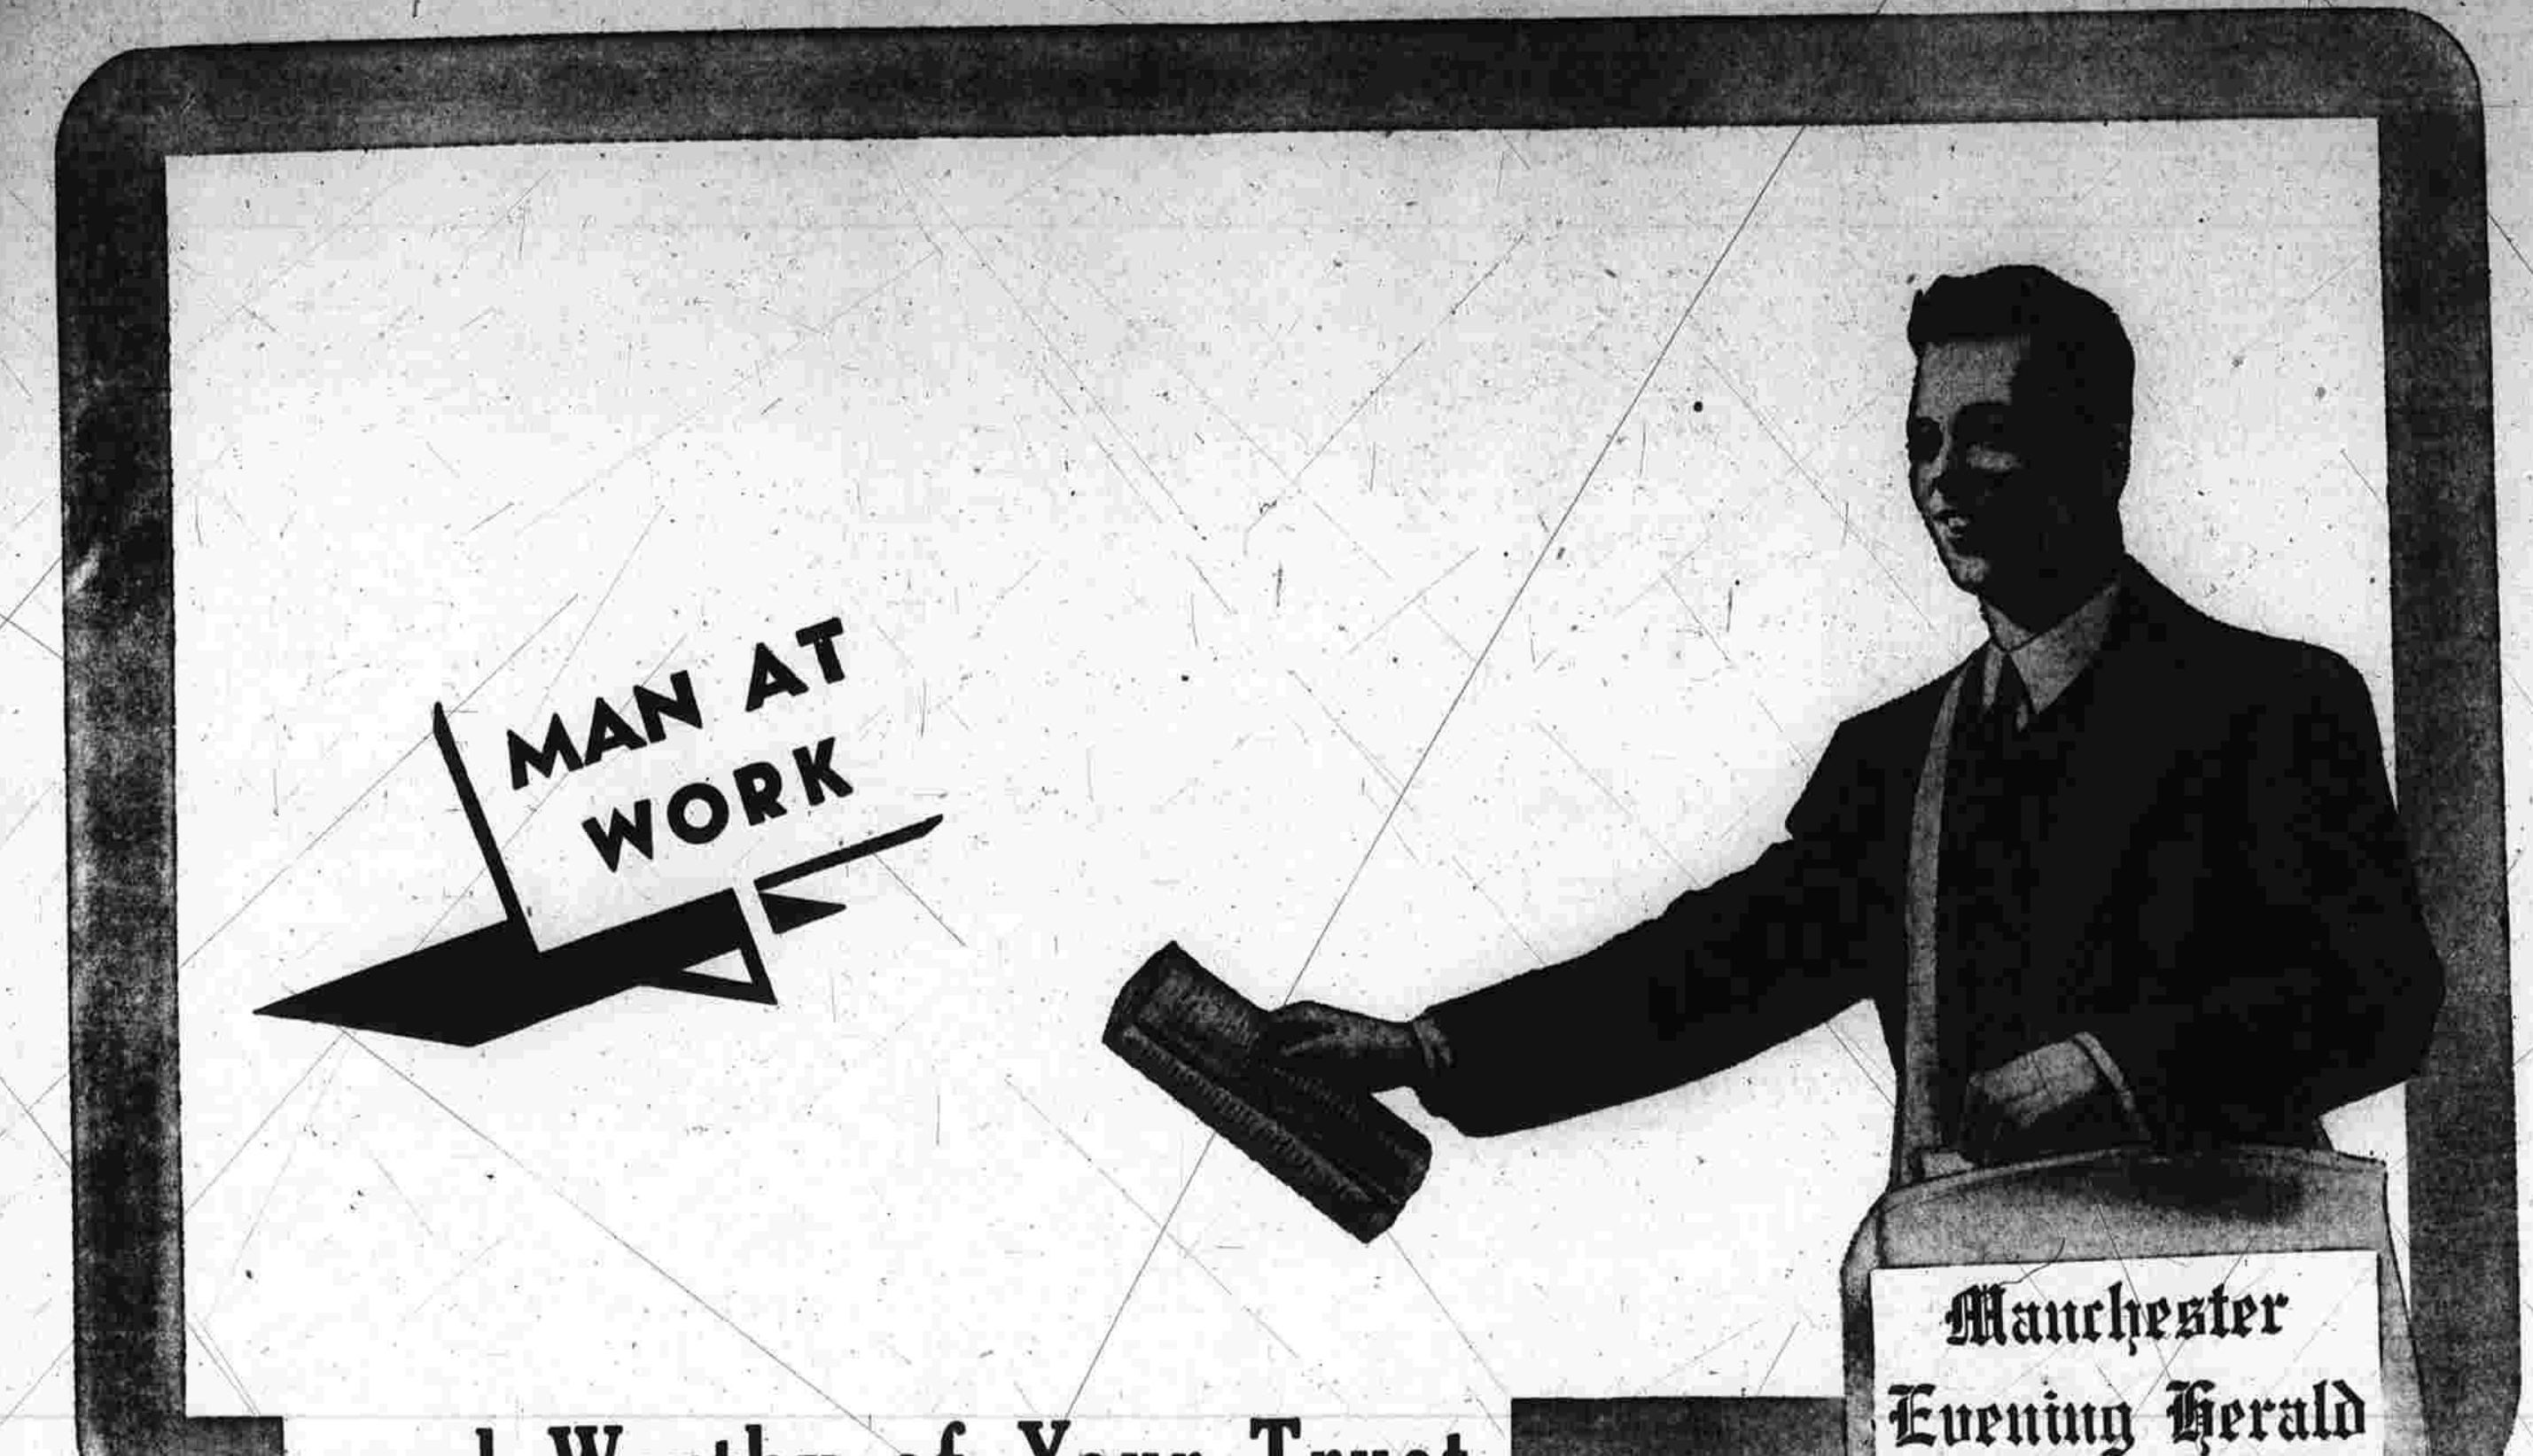

Big Alf Bauman, 215-pound junior tackle, and Bill De Corvo, ace halfback, are leading this team back to the top, just as this year's sparks "Chicago's Austin High to dazzling deeds three seasons ago.

Contrast Northwestern's present grid situation with that of just a year ago and you know that Northwestern's return to the top is a matter of time...

Now the Wildcats have swished Syracuse and Ohio State, scoring only one less point than they tallied last fall season, when a highly-rated, well-equipped squad won only three games.
