### Propose Voting Machines For All Towns in State

Should a law, as proposed to be passed at the next session of the legislature be enacted, making it compulsory to use voting machines in every town and city in the state, it would mean the purchase of many machines.

On No. 26 machine, used in the Manchester election, there was recorded 760 votes. At the same time there were 11,000 votes in the state. Over 31,000 votes were checked in the 12 hours of voting.

### Germans Told Leave Greece
