Like Peril, Like Measures
The first conspicuous war profiteer to appear in the present emergency is the C. I. labor organization known as the Automobile Workers. On the very day following the wrecking of the ancient industrial city of Coventry, England, by an airplane, that body of men and women yesterday closed a high organization airplane factory in Southern California through brought nothing in the world but "more money."

Proletariat Kennedy
The complete improbability that Ambassador Joseph P. Kennedy will return to London is being discussed in the columns of the New York Times. The question of his successor is being openly discussed, with William C. Bullitt, recent U. S. ambassador to France, being mentioned as a possibility. It is interesting to note that Kennedy's name is mentioned as a possibility for the post of ambassador to the Soviet Union.

Washington Daybook
Athens is Most American City
Washington, D. C., is the most American city in the world, according to a study made by the American People's Party. The study is based on the fact that the city is the center of the American government and the American people's interests.

Congress Districts
Of the three redistricting plans proposed by the Election Laws Commission, one of the two for Connecticut is the one that is most favorable to the American people. It is the plan that would give the Connecticut people a fair representation in Congress.
