### Keller's Shop Popular Spot

Most Complete Line of Men's Wear Is Now Being Displayed.

That old one about packages things coming in small packages certainly holds true in the case of Keller's Men's Wear. This popular shop has about the best floor space of any in town and yet every day more and more shoppers are finding their way to the men folk who are in mind for the men folk on their gift lists.

Although Keller's Men's Wear is small in point of floor space, it is by no means small when it comes to pleasing varieties. The more fact that space is limited helps to keep Keller's stock always fresh and new, there not being room to hang out old, uninteresting items. Every item presented has already been accepted by leading fashion authorities before it gets Keller's O. K.

Some leading lines in the country's larger cities in Wilson Brothers' haberdashery. In Manchester that line is sold exclusively by Keller's Men's Wear. This time-honored brand includes men's shirts, neckties, sweaters, and more.
