Hurricane Strikes Unexpected, Hard Blow at Houston

Three Die, Many Injured; Damage Ranges Into Millions of Dollars; Storm Moves Northeast, But Its Velocity Is Diminishing.

Houston, Tex., Sept. 24.—(AP)—A capricious hurricane raced toward northwestern Louisiana today after striking a full and unexpected blow at Houston, Texas' largest city. Three persons were dead, many injured. Damage ranged into millions of dollars after a surprise visitation to this metropolitan area of 500,000 persons, the storm moved toward a sector between Nacogdoches, Tex., and Shreveport, La., but its velocity was diminishing from that of 90 to 75 miles an hour which buffeted Houston.

The city, caught unaware after the Weather Bureau yesterday afternoon predicted it was safe, was without electric power in some sections and had a low water pressure. Only one steam-operated pumping plant was able to function. Other, electrically operated, shut down when the current cut off. They expected to resume service soon. Houses and buildings were unroofed. Slimy structures were blown down. Streets were flooded. Plate glass windows in downtown stores were shattered along Broad Main street, which was eight inches under water in some spots.

Eight hundred Texas defense guardsmen assisted the police in preventing looting. Shattered With Diamonds. F. Marx, a home defense trooper on patrol duty, was showered with diamonds from a shattered window in a jewelry store. "In a single man and I sure could have used one of those engagement rings," he said. Twenty trucks from Ellington Field, 17 miles from Houston, hauled frightened residents to the city Coliseum, which housed 5,000 persons.

Two hundred more refugees were at the city auditorium. Others took shelter in various public buildings. Scores of cars were stalled on flooded streets. Fifteen truckloads of shattered plate glass windows of downtown stores were picked up by city workers. Stadium Demolished. The Olympic athletic stadium, valued at \$10,000, was demolished. Chief of Police Ray Ashworth estimated the Houston damage would be about \$500,000, but he said there was no way of determining the exact amount.

By The Associated Press
Leaders of the AFL Seafarers International union moved today to release 25 strike-bound ships while an overwhelming strike vote in a California military aircraft factory posed a new and pressing problem for Federal conciliators. John Hawk, secretary of Seafarers, announced in New York that membership meetings were being held this morning to discuss releasing the vessels.

As long as the Maritime Commission has stepped out, Hawk told newsmen, "the sensible thing to do is to put the men back on the ships and release them, and then let the Mediation Board handle the dispute."

Referred to Mediators. The strike, over war bonus rates, was referred yesterday by Secretary of Labor Perkins to the Defense Mediation Board, after efforts of the Maritime Commission to compose differences between the union and the ship-owners failed. The union accused the Maritime Commission of anti-labor tactics.

The Mediation Board asked strikers to return to work, advising both union and ship owners. (Continued On Page Six)

Hurricane-Whipped Tides Pound Galveston

A tropical hurricane which swept the Texas coast brought with it high tides, the waters sweeping to the top of Galveston's seawalls, such as here, and littering the boulevard with debris.

Nazis Fail to Take Murmansk; Storm Villages Near Leningrad

German troops have stormed two villages just outside Leningrad and fought their way to within sight of part of the great fort city's dock section, dispatches from the front declared today. Red Army defenders of Leningrad were said to be keeping up counterattacks in swift succession, but these seemed to be losing battles.

Each freight car now in service is performing 60 per cent more transportation than a similar car in 1929, year of the first war. Through Sept. 8, this year's car loading was 18 per cent greater (Continued On Page Six)

Proposes Vast Pool Of Food Be Stored; Armed Ships Likely

United States Consulted On Proposal Before Britain Offers Plan at Council of Allied Governments; Resolution Adopted Without Dissent; Eight Point Atlantic Charter Favored.

London, Sept. 24.—(AP)—The creation of a vast pool of food reserves for supplying Europe in the emergency period after the war—a plan upon which the United States already has been consulted—was proposed by Great Britain today to the Council of Allied Governments. A resolution embodying the proposal was presented by Foreign Secretary Anthony Eden and was adopted without dissent.

Eden read a statement to the council from U. S. Ambassador John G. Winant declaring that the United States believes the undertaking to be of great prospective usefulness. The proposal was made after the council had approved the Roosevelt-Churchill eight-point Atlantic charter without dissent, pledging adherence to the "common principles of policy" and cooperation "to the best of our ability."

Regarding the food plan, Eden said that he had given Winant assurance that the United States government will be kept fully informed of the discussion both at today's meeting and later. "The United States," he said, "will be consulted before any concrete plans are decided upon."

"We have also previously had some contact with the United States government, in regard to treatment of surplus production, a coordination of stocks and marketing of some of the most important commodities, especially wheat and cotton."

Eden said that the statement which Winant had authorized him to present today, indicating that the United States was interested, "shows they will not be unwilling at the right time to join in framing plans for supply of food."

Wickard Calls for Production to Aid Meeting United States Demands
New York, Sept. 24.—Secretary of Agriculture Wickard today called upon American farmers to produce enough food to help England defeat Hitler, and at the same time, meet expanding demands in the United States.

"Now we are embarking on our own defensive waters. When we are ready and it becomes necessary to seek detour under the Selective Service act, even if this required an appeal from local Draft Board orders."

"I have an idea that most farmers' sons and hired men can serve their country best wearing overalls instead of a khaki uniform."

Wickard declared in a speech prepared for an "agricultural mobilization" conference of farmers and government farm officials called here from northeastern states.

British Sub Sinks Italian Mine Layer

Torpedoed in Central Mediterranean; Axis Supply Ship Also Target; Risk Fire of Forts.

London, Sept. 24.—(AP)—An Italian mine layer of the Crotona class has been torpedoed by a British submarine in the central Mediterranean and "probably destroyed," the Admiralty announced today.

The communiqué also reported the torpedoing of an Axis supply ship about 600 miles east of the British Isles. A British submarine, it said, braved the fire of enemy shore defenses to shell a large schooner which was certainly hit and damaged and probably sunk. The submarine was not damaged.

The Crotona is a ship of 350 tons, acquired from Germany. Bad Weather Beats Back Italian Navy. Bad weather over the continent last night prevented the Royal Air Force from offensive raids on German air bases.

German night raiders operating against Britain were few in number, reports, their activity to coastal districts of southwest England and South Wales.

A government announcement said bombs dropped at several points caused some damage and a small number of casualties.

Small Part Of Output On Defense

Less Than Tenth of Automobile Industry Being Tragic Paradox Now.

Washington, Sept. 24.—(AP)—The arming of American merchantmen today became the next probable move in the shoot-on-sight campaign to make the "defensive waters" of the United States an unhealthy hunting ground for any enemy sea raiders.

President Roosevelt, however, told his press conference yesterday that the statement that the neutrality act probably would be amended to permit the export of guns and gun crews for more than 1,000 ships—two problems that were receiving careful study at the White House.

Decision Next Week. President Roosevelt, however, told his press conference yesterday that the statement that the neutrality act probably would be amended to permit the export of guns and gun crews for more than 1,000 ships—two problems that were receiving careful study at the White House.

Mr. Roosevelt bracketed that with the statement that everything would be done to protect American shipping—an assurance that was quickly endorsed by Senator Austin of Vermont, the assistant Republican leader, who has consistently supported the administration's foreign policy.

It was widely assumed he went on, that the United States was neutral in the fight against Hitler.

"We have been conducting economic and political warfare, carried out under the pattern laid down by the legislative branch of the government," he said.

"Now we are embarking on our own defensive waters. When we are ready and it becomes necessary to seek detour under the Selective Service act, even if this required an appeal from local Draft Board orders."

"I have an idea that most farmers' sons and hired men can serve their country best wearing overalls instead of a khaki uniform."

Union Leaders Move to Free Tied-up Ships

Overwhelming Vote for Strike in California Military Plane Plant Poses New Problem.

By The Associated Press
Leaders of the AFL Seafarers International union moved today to release 25 strike-bound ships while an overwhelming strike vote in a California military aircraft factory posed a new and pressing problem for Federal conciliators.

John Hawk, secretary of Seafarers, announced in New York that membership meetings were being held this morning to discuss releasing the vessels.

As long as the Maritime Commission has stepped out, Hawk told newsmen, "the sensible thing to do is to put the men back on the ships and release them, and then let the Mediation Board handle the dispute."

Denies Federal Link to Movie

Film Company Head Asserts Manager Overzealous in His Claims.

Washington, Sept. 24.—(AP)—Nicholas Schenck, president of Low's, Inc., testified today that the Federal government had no part in producing or distributing the motion picture "Land of Liberty," which an Idaho theater owner declined to show because he charged it contained propaganda.

Schenck told a Senate Subcommittee that Maurice Saffie, Low's branch manager at Seattle, was mistaken and "over zealous" in writing Fulton Cook, theater owner at St. Marys, Idaho, that the government had requested the names of exhibitors who refused to show the picture and that the government was sharing in the profits from the film.

Receipts to Charity. The film was assembled by the movie industry, the witness testified, to be shown for patriotic purposes, with all receipts to go to charity. "Some of that money could go to the fund for Britain, then, couldn't it?" asked Chairman Clark (D., Idaho).

Schenck said an advance was made to that cause, anticipating a later accounting of profits. "Was any of the money sent to the starving people of occupied and unoccupied France?" Clark pressed.

Troops Move Into Airports

Argentine Aviation Officers Arrested as an Uprising Is Feared.

Buenos Aires, Sept. 24.—(AP)—Regular Army troops completed the occupation of all military airports in the country today after arresting a number of young aviation officers in a series of swift moves apparently inspired by fear of an uprising against the government.

Official quarters declined to comment on the sudden developments, which caused a flurry of excitement last night in the Chamber of Deputies, but some sources linked the government's action with the activities of Nazi agents in Argentina.

Laud Damonte Taborda, chairman of the committee conducting the inquiry, said he understood that the officers arrested "included some who have been plotting with the British."

Troops occupy Airports. Taborda made this assertion shortly after news reached the capital that troops had occupied military airfields at the inland cities of Cordoba and Parana, both of which have large German populations and were taking over airfields elsewhere.

Long-Sought Sheriff Held

Dowd, Former Massachusetts Official, Arrested in California.

Boston, Sept. 24.—(AP)—District Attorney William J. Foley said today he had been informed that John F. Dowd, former sheriff of Suffolk county sought for two years on bribery charges, had been arrested in Ventura county, California.

Foley said he had received a telegram from the Ventura county sheriff asserting that Dowd was picked up on a charge of operating an automobile under the influence of liquor.

No Question of Identity. The man's fingerprints were checked against those on circulars sent out in the Dowd search and those of Dowd were a perfect fit. Identity, Foley quoted the Boston police officers, would be established through the East Asiatic Company.

Dowd disappeared while complaints against him were pending in superior court and before indictments were issued, charging him with accepting bribes, and also extortion.

Intensive Search Started. An intensive search was started immediately after Dowd dropped from view but despite reports of his being seen in various sections of the country all leads proved fruitless.

Sheriff Murray C. Hathaway of Ventura county informed Boston police that Dowd was arrested last week ago Monday in San Luis Obispo, was freed, and released Thursday. (Continued On Page Twelve)

Flashes!

(Late Bulletin of the AP Wire)

Wing Formally Opened. Hartford, Sept. 24.—(AP)—Undersecretary of the Navy James V. Forrestal pushed a button this afternoon, formally placing in operation the second American wing of the Pratt & Whitney Aircraft Corp., adding 500,000 square feet of productive facilities to the huge East Hartford engine factory.

That we are threatened, that we are anxious to bring about a total war, that we must act vigorously to avert the threat of "Nazi fanaticism" who are fighting a total war for total domination of the world." (Continued On Page Twelve)

Japs Squelch Pro-Axis Fete. Tokyo, Sept. 24.—(AP)—The Japanese government today squelched the plans of the Hiryu Seigo Nakano and his pro-Axis Tokyo group for a series of rallies Saturday celebrating the first anniversary of Japan's alliance with Berlin and Rome.

They disappeared while complaints against him were pending in superior court and before indictments were issued, charging him with accepting bribes, and also extortion. Intensive Search Started. An intensive search was started immediately after Dowd dropped from view but despite reports of his being seen in various sections of the country all leads proved fruitless. Sheriff Murray C. Hathaway of Ventura county informed Boston police that Dowd was arrested last week ago Monday in San Luis Obispo, was freed, and released Thursday. (Continued On Page Twelve)

News From Manchester's Neighbors

Rockville

Lewis H. Chapman, 76, Rockville

Name Klotner As Alderman

Fills Third Ward Vacancy Caused by Resignation of Davies.

Rockville, Sept. 24.—Winifred A. Klotner, of 143 South street, was named alderman from the Third Ward by the City Council at its meeting Tuesday night. He will fill the vacancy caused by the resignation of former Alderman Robert Davies who resigned a month ago when he moved to Hartford.

The term expires at the end of the year. Of the 21 votes cast, Klotner received five, three were cast for Vincent Jordan, one ballot was marked for a teacher who was blank, Mr. Klotner is an insurance agent.

A communication was read from the Northern Branch of the Parent Teachers Association asking the survey of the streets which are used by the children in attending school, and that more protection be provided from the danger of automobiles. It was referred to the police committee.

For your convenience received and granted: Fred Hillwell to build dwelling 24 1/2 Franklin street; Lettie E. Feders to build ice house 642 Edward L. Weber, grand old one-car garage 123 1/2 on Bellevue avenue; Mrs. William Bowler to build two-story veranda 108 on premises at 94 Union street, recently purchased by the society.

Baiting Funds. The Rockville Branch of the British War Relief Society has sent out letters telling of their project for the baiting of rats, asking for contributions toward a cache of bait. Mrs. M. J. Engstrom, recently purchased by the society.

The local branch of the British War Relief Society is now preparing for its second year of activity. The reaction to the general public to past appeals has been quite warm, and it will interest you to know that already more than 1000 letters have been received for a mobile kitchen and \$250 for a mobile kitchen.

The committee after careful thought has selected a project which will be of great benefit to our citizens. Hostels for school children, erected in England, and the British War Relief Society of America has promised to equip these hostels with simple household furniture, beds, mattresses, kitchen utensils, glasses, etc.

Willington

Miss Jennie B. Church

Fills Third Ward Vacancy Caused by Resignation of Davies.

A town meeting will be held in the town hall October 6 to choose officers for the next two years, except assessors whose office is for four years. Poles open at 7 a. m. and close at 5 p. m. At 7 p. m. there will be a town meeting to act on the following: to choose a moderator to preside at said meeting; to hear and act on the report of the selectmen and the town treasurer; to hear and act on the report of the selectmen for the year 1941-1942; to do any other business lawfully and properly. Signed by the board of selectmen: Wilbert C. Roby, Tennant C. Bugbee and John S. Bunnell.

Honnie Vogel, son of Mr. and Mrs. Christopher Vogel of West Willington had a party Friday at the home of his parents. The party was given in honor of the birthday of Honnie Vogel, who is now a student at the Willington school. The party was given in honor of the birthday of Honnie Vogel, who is now a student at the Willington school.

Howard Pitts injured two fingers on the right hand while working at the Quarryville school. Mr. and Mrs. William Bowler attended the Eastern State Exposition in Springfield, Mass., last week.

Mrs. and Mrs. Louis Forrester have moved to the new home at 143 Union street. Mrs. Forrester works at the Pratt and Whitney Aircraft plant in East Hartford.

Samuel H. Woodard, Maud L. Woodard, Lida Anderson, Albert Woodard and the Toomey family held the meeting of election officials at Rockville on Monday evening. The meeting was held at the home of Mrs. Woodard.

Michael Joseph, of East street, has purchased a power shovel at the town clerk's office. The shovel has a capacity of 12 cubic yards.

Mrs. and Mrs. Charles Fava of the town of Willington are the parents of a daughter born early Tuesday morning. The child is named Marie Vera Fava.

About Town

A three-room house at 23 Edward street has been sold by Albert McCalland, of East Hartford, to Mr. and Mrs. Stanley Luman, of East Hartford. Mr. and Mrs. Luman plan to occupy their new home immediately. They are parents of triplet baby girls born eight months ago. The first triplets to become residents of the town. The sale of the property was made for Mr. McCalland by Robert H. Smith, of Robert J. Smith, Inc.

The drawing for the table and wood donated for British War Relief by John Hood took place Monday night. The first prize went to Fred H. Parker of this town, and the second prize to Shirley E. LeBaron, of West Hartford. The drawing raised approximately \$100 for the relief fund.

The Children of Mary Sodality will meet at seven o'clock this evening at St. James' church to proceed in a body to pay respects to the late Jules Magrout, grandfather of Blanche Herfman, a member of the Sodality.

Ward Cheney Camp U. S. W. V. will meet tomorrow evening in the State Armory. Nomination for officers for the ensuing year will take place and a good turnout is hoped for. A social time will follow with light refreshments.

Group A of Center church women, Mrs. Wallace Payne, leader, will hold its first meeting of the season tomorrow evening at 7:30 in the church parlor.

Mrs. Emma Carlson, of Gardner street, was pleasantly surprised Sunday afternoon when her son, Walfrid Carlson and family of Andover came to help her celebrate her 70th birthday. They brought lovely gifts and a beautifully decorated birthday cake. The family spent an enjoyable afternoon and evening together.

Norman F. Steel of RFD No. 1, Charter street, Bolton, has enlisted in the U. S. Navy and has been assigned to a training station.

Mary Bushnell Cheney auxiliary, U. S. W. V. will have a social meeting this evening at eight o'clock at the State Armory.

Mrs. Joseph Henry of 51 Flower street and her grandson, Kenneth Hammond are spending the week in Boston.

Mr. and Mrs. Thomas F. Conran, of 14 Hudson street, motored to Providence yesterday, where they left their daughter, Miss Lucile Conran, to begin her studies at the Katharine Gibbs Secretarial school in that city. Miss Conran was graduated from Mount St. Joseph's Academy in June.

A marriage license was issued yesterday at the Bureau of Vital Statistics, Hartford, to Thomas Cole of Adams street, and Miss Anne E. Parrott, of 134 Irving street, Hartford.

Mrs. Ralph Rockwell is chairman of the rummage sale which Second Congregational church will conduct tomorrow in the Bissell Building, 245 North Main street.

Enters Cornell

Miss E. Louise Flux

Miss E. Louise Flux, formerly of Manchester, and a graduate of Manchester high school in the Class of 1941, has entered Cornell University, Ithaca, N. Y. She is attending the College of Home Economics and is majoring in dietetics. She is the daughter of Lieut. Commander Paul A. E. Flux, of the U. S. Navy, and Mrs. Flux, now residents of Roseland, Mass.

Lawrence Converse, Jr. and George Griffin, builders, are spending a week's vacation in Maine on a fishing trip.

Accept Shea For the Navy

Local Officer Sworn in At Newport; To Report For Duty Tuesday.

Lieutenant John F. Shea, U.S.N., of 108 Main street, passed his physical examination and was sworn into Naval service yesterday at the Newport, R. I., Naval Training Station after a lapse of over a dozen years from active service.

Dr. Mortimer Moriarty is responding to emergency calls this afternoon instead of Dr. Zaglin, who has a medical meeting and other duties to attend to. Dr. Robert Keeney is also on call for emergency.

Children of the junior congregation of Temple Beth Shalom have been saving their pennies and sent two dollars for the British War Relief fund. The workers at the headquarters in the British-American clubhouse on Maple street are sewing on babies' outfits and are requesting any who have outgrown infant shirts and stockings to donate them in order to complete these sets.

The Women's Foreign Missionary society of the Church of the Nazarene will hold its monthly meeting this evening at 7:30 at the church, with Mrs. Ada Bogart presiding. The regular choir rehearsal will follow this meeting.

day to arrange his personal affairs in Manchester, where he plans to retain his residence, before reporting for duty at the Newport base.

The local officer has a long and excellent record of service in the Navy beginning as an apprentice seaman and advancing through the various grades of petty officer to the rank of Lieutenant, junior grade, acquired during his World War service on transport, mine sweeping and submarine duty. He is the holder of the Navy Cross, given him for meritorious conduct in North Sea mine sweeping operations.

Lieut. Shea has been assigned to duty as Executive Officer on the U. S. S. Constellation, an old Naval training ship docked at Newport and under command of Captain John Davis, a former shipmate of the local Naval officer.

Lieut. Shea has until next Tuesday to arrange his personal affairs in Manchester, where he plans to retain his residence, before reporting for duty at the Newport base.

Blaze in Mills At Talcottville Fire at the woolen mill in Talcottville at seven o'clock last night was attributed to two causes, friction and static electricity. Damage was estimated about \$500 covered by insurance. The Manchester Fire department under Chief Roy Griswold was called to the scene but the sprinkler system had brought the flames under control before the apparatus arrived.

Miss Betty Vendrillo of Maple street, was surprised yesterday afternoon when her office associates at the Connecticut General Insurance company, honored her with a luncheon and shower of beautiful personal gifts.
