Brighten the Holiday with "FLOWERS by PENTLAND"

WELCOME NEWCOMERS to town!

PENTLAND's business of supplying you with flowers for Thanksgiving involves more than merely ordering so many dozens of roses, chrysanthemums, and other flowers. For over a month we've been planning for your Thanksgiving needs. And that meant shopping trips to leading greenhouses in three states . . . practically each grower a specialist in a certain group of blooms! We've traveled here . . . and there choosing only the best . . . and choosing early so as to assure you the usual complete stock of Pentland Superior Flowers.

This policy of being fussy about the flowers we offer you is just one of the "extra" services you receive at Pentland's . . . services which cost you nothing extra!

That's why we feel that "Flowers by Pentland" will truly make your Thanksgiving a brighter and gay holiday. Come in tomorrow (store open until 9 p. m.) and see for yourself!
