Conference Designed to Speed Flow of 'Graveyard' Cars into Metal. Hartford, Feb. 18.—To speed the flow of metal scrap from automobile graveyards to furnaces turning out virtually needed armament and material for swift production of the war, all scrap dealers in Southern New England, auto wreckers, auto graveyard owners and operators have been invited to a War Production Board-steel industry meeting here.

Mr. Pape will represent the steel industry in which each of approximately 30 companies operating steel-making furnaces and foundries will be asked by the WPB to designate a man to be responsible for that company's participation in the graveyard program.
