Hoarding Hit Pilots Needed to Replace Oldsters on River Boats

By Henry B. Jameson plus board and room, as a deck St. Louis, March 12.—(A)—Boys, hand while training to become if you're casting about for a pilot. Angell Asserts.

Hartford, March 12—(#)—"Most hoarding is silly, a lot of it is going to be wasted, and all of it is unpatriotic." Mrs. James Rowland Argell, of New Haven, director of And the swarming lines of roust-

Argell, of New Haven, director of organization for the Consumer Committee of the State Defense Council, declared in an address here today.

Set up recently by Prof. Wesley A. Sturges, of the Yale Law School, at the request of Col. Samuel H. Fisher, the committee is "out to fight hoarding and kill harmful rumors," Mrs. Angell said "Housekeeping is becoming a big headache, and an important questions and the swarming lines of roust abouts, the wood and coaling station along the river banks have vanished, never to be seen again.

But in their place is the thriving barge lines transportation system on the nation's inland waterways which rapidly is exhausting the thinning ranks of pilots and other experienced river boat crewmen.

New boats are being launched the proposed of the securing a license is 21, but apprenticeship may be served prior to that.

Pilot's pay ranges from \$250 a month, plus subsistance, for a beginner, up to \$400 or more for masters. Some of the top ranking waterways which rapidly is exhausting the thinning ranks of pilots and other experienced river boat crewmen.

New boats are being launched year, reportedly received by a few New boats are being launched on the rivers today is \$8,000 headache, and an important question today is: 'Where does good housekeeping end and hoarding begin?' Mother Chief Concern Of Famous Player as He Decides to Face Hostile Ball Fans. By Gayle Talbot

Boston's Slugger

Tells His Version

Sarasota, Fla., March 12-(P)-Everybody around the Boston Red Sox camp is vastly relieved that Ted Williams' case has reached a temporary breathing spell so they an get on with the main business of preparing for the American League baseball race. For a couple of days the hotel lobby looked like a convention professional nallbearers, with

whispering group beside every pi lar and all eyes glued on the front door, waiting for the remains to be hauled 'n. Everybody was wondering how the lone, unhappy kie whose draft status was deferi by the president's board would conduct himself. There was little talk of anything else. Now, happily, the tension has snapped and Manager Joe Cronin is going about the business of training his team with new pur pose and pep. Williams, one of the game's greatest batters, has thrown himself into the conditioning program and his teammates are making a point of showing him they are on his side. Williams, object of a contro versy that had been nation-wide for a week, made a dramatically good impression upon the crowd of newspapermen that surrounded him and peppered him with ques-tions after he drove in from Minneapolis. Several who frankly had been critical of Ted's apparent re luctance to rush into the Army said they had changed their opi on after hearing him give his side The one that got them was

It is probably true B. R. doesn't ble turned in by Keith Brown in didn't feel I was right. It's t deferment in the draft. He bogget down somewhat trying to explain

Sports Roundup New York. March 12.—End "All I want to do is play this of the first war-time hockey sea- season," he explained. "Then my son is beginning a lot of rumors mother will be provided for and about what may happen to the I'll do anything they say. Right game ... latest story from Buf-Blackhawks is quoted as saying his Hed found 62 letters waiting for Campbell's Service took a 3 to 1 club won't even approach the him here. Seven of them were of Campbell's Service took a 3 to 1 decision from the Armory Lunch team last night in the Middle Turnpike league and the New Model Laundry won a similar victory over the Gorman Buick's.

Club won't even approach the him here. Seven of them were of a business variety. Of the remaining 55, there were 30 giving him they have been doing this year.

Anyway, it's a cinch that players will be joining up in whosesale lots will be joining up in whosesale lots and large him too.

Firm Gives Up Supplies Division Bridgeport, March 12-(P)-

Here is a cheering daytime dress with that new softness so important in fashion right flow. Gathered fulness through the bodice and again in the skirt contribute the "easy" lines which give this frock graceful femininty. An excellent model for your Easter wardrobe, it is so advanced that you'll find it smart to wear for many moths to come. In making it, you may follow a high round neckline or a low cut shape-whichever you find more flattering!

Pattern No. 8128 is in sizes 10 to 20. Size 12, short sleeves, high neck and bias skirt, 4½ yards 35-linch material.

For this attractive pattern, send 15c in coln, your name, address.

Bridgeport, March 12—(F)—R. R. R. Wason, president of the nationally known firm of Manning, Manning of Manning, Manning and More, Inc., manufacturing end of the manufacturing end of the strengthen the manufacturing end of the Manning, Maxwell and Muskegon, Mich., annonuces the liquidation of its railway and mill supplies disvion at Jersey City, N. J.

The object of this change is to strengthen the manufacturing end of the Manning, Maxwell and More business and thereby greatly increase it scontribution to national defense.

The railway mill and supplies division was conducted as a jebbing agency for the selling of supplies division was conducted as a jebbing agency for the selling of supplies division was conducted as a jebbing agency for the selling of supplies throughout the country.

business will be transacted and officers elected for the coming term.

Arthur H. Illing, superintendent
of schools in Manchester, was a
speaker at the educational conference held at Storrs yesterday and
also read a paper that had been
prepared by Edson M. Bailey,
was unable to attend as he was
called to New Hampshire yesterday morning by the death of his
brother. The paper prepared by
Mr. Balley was on service renderday morning by the death of his
brother. The paper prepared by
Mr. Balley was on service rendered by secondary schools and in
the paper he told of what was beling done and said that the schools

he purposely put various test cars
who qualify will be given full messout of commission, and told the
student to find the faults. And
they did just that.

Mostly Womes

The most unusual thing about
all of the mechanic courses, is the
fact that the majority of the students are women. When the courswas first started, it was expected that it would be men who

RED TRADEMARKED COAL

RED ROSES

TO MAKE HER HAPPY

TO KEEP HER COZY

And why RED trademarked coal instead of some other? Because those RED trademark spots identify genuine Famous Reading Anthracite-the low ash, laundered hard coal-noted for its long-burning, non-clinkering qualities. Famous Reading Anthracite in the cellar means a cozier home, and far less work for the lady of the house who is daytime furnace tender. May we send you a few tons?
