to pay Income Tax ncome Tax this year for the first time; and every one's tax will be more than it ever was before. For hose who may find themselves short of ready cash. The Personal Finance Co. is offering loans up to \$300

Every credit-worthy man and woman, whether on a new job or an old one—whether single or married —can get a Tax-Loan at Personal. A Tax-Loan provides a lump sum of cash immediately, repayable moderate monthly instalments. For example 8.73 per month repays a \$40 loan in full in 5 equal monthly instalments. Or \$10.05 per month repays a \$100 loan (total cost \$20.60) in full in 12 equa

Arrangements are made quickly and simply These loans are made on signature alone without other security. Naturally, a few facts are required, but no embarrassing questions are asked and outsiders are not involved

Also available is a "Simplified Work Sheet for Income Tax Payers". This is a convenient form for accumulating and arranging the figures necessary in making out your Income Tax Return. Come in and get this Work Sheet-free, no obligation. We have this suggestion to make: don't postpone figuring out how much Income Tax you'll have to pay this year. The sooner you know the exact amount, the easier it will be to plan a way to pay it.

ne morning. A friend told me tha eing unable to get your breath is one of the main signs of heart Answer: Judging from your own description of your symptoms it is possible that the shortness of breath is due to the clogging ef-fect of the mucus. If such is the case, the difficulty in breathing would not be likely to bear any definite relationship to exertion. I is true that the patient with heart trouble sometimes suffers from ortness of breath, however is
