

Over 1,200 at Station To See Inductees Off

Largest crowd yet to be present at railroad depot as men leave for Fort Devens. A class of sixty-two inductees left Manchester this morning at ten o'clock bound for the first station stop on the way to Fort Devens. The train was packed with soldiers and their families. A crowd estimated to be the largest yet to attend the going away ceremonies, were down the main passenger station platform long before the train was due. Sixty-one men passed the examination as new recruits for the army. A crowd estimated to be the largest yet to attend the going away ceremonies, were down the main passenger station platform long before the train was due. Sixty-one men passed the examination as new recruits for the army.

Simpson Off Of His Game

Former Golf Pro Here Not Up to Standard in Yesterday's Contest. Simpson disappointed his local friends in the special golf match at the Manchester Country Club yesterday afternoon when he failed to show anything like his usual brand of golf. The former local pro turned in a last 82 for the 18 holes. Henry Nettleton, who was paired with Simpson, while Ricker Anderson, local pro, and George Schmitt with 76 each. The visiting professionals won the match 2-1.

Just a Safety Valve But It Calls Out Firemen

The Manchester Fire Department answered a call this morning at the home of Frank Chermanski of 124 Hillside street. Of all the calls made by the fire department is called out right, this one was the prize. The safety valve in the furnace located in the basement blew out the exhaust steam and the firemen feared the family in the upper part of the house. The firemen did not discover where the furnace was in the furnace.

Few Observe Holiday Here

Most of Manchester is Too Busy on War Work to Notice Day. Manchester was too busy in war work to observe Columbus day today. The local banks were closed as were the offices. The Manchester Fire Department answered a call this morning at the home of Frank Chermanski of 124 Hillside street. Of all the calls made by the fire department is called out right, this one was the prize. The safety valve in the furnace located in the basement blew out the exhaust steam and the firemen feared the family in the upper part of the house. The firemen did not discover where the furnace was in the furnace.
