Develop New Features In Defense Plan Here

Local Air Raid Precautions Leaders Have Perfected Capable Protection System.

Several important new features have been developed recently for the local civilian defense.

Fourteen new air raid stations have been set up, five in the city and nine in the suburbs.

Three trained bomb reconnaissance squads have been organized.

One of the valuable new additions to the group is the 152 high school boys and girls trained by Mrs. Hitchcock.

By the use of new forms and a new technique at the Report Center, the time between reporting an incident and the dispatching of the services has been cut from the original three to five minutes to under two minutes.

Eight State Jobs Open

Number Applying Is So Small Residence Requirements Waived. Hartford, March 24.—(P)—The number of qualified candidates applying for positions in the state was so small that the residence requirements were waived.

Red Cross Notes

Production. Sewing reports more people responding and the garments are being made rapidly, so it is hoped that the quota will be reached. Mrs. Ralph C. Pierce, 39 Cambridge street, reports 10 completed garments made by her group in the Red Cross.

Road Program To Be Theme

To Discuss Recommendation for Commission To Study Plans. Hartford, March 24.—(P)—Chairmen of the Roads, Bridges and Highways Commission have today discussed the recommendation for the establishment of a commission to study a post-war highway program.

Values for Meat Rations Disclose 2-Pound Average

(Continued from Page One) fish. Meats are rationed whether fresh, frozen or cured. The following week, any left over in the red B stamp may be used, and in the third week the left over A and C stamps may be used. The same carryover is provided in the fourth week; but all four weeks must be used together on April 30.

Police Court

In a three-minute session of Police court this morning, a 10-cent bond was set for a man arrested on March 19 for intoxication who was fined by Deputy Judge George C. Lester. Plethron furnished the bond for the man's appearance in court last Monday but failed to make an appearance, and it was reported that he had left town.

Swedish Attitude Seen Pro-Axis

London, March 24.—(P)—Sir Alfred Knox, a member of the House of Commons, has revealed today that Sweden's attitude since the outbreak of the war has been "definitely pro-Axis" and suggested that the Swedish government should be brought into line by withholding foodstuffs sent from Sweden to Germany.

Churchill Reveals Main Axis Defense Line Is Restored

bridgehead which had been stormed, and that their main line of defense in that quarter has been largely restored. It takes occasion to wish that hopes of easy decision would be encouraged.

Guests of Honor At Reception

Lieutenant Gordon T. Wier and his bride, the former Miss Betty Ann Johnson of Memphis, Tenn., were the guests of honor at an informal reception at the home of Lieutenant Wier's parents, Mr. and Mrs. Thomas Wier of 111 Summer street, last evening. The party was arranged by Mrs. Anna of the bride, Edward Noren, Mrs. Max Kazulski and Mrs. Henry Wier and came as a surprise to the young couple on the buffet table. A pleasant social hour was enjoyed during the course of which the bride was presented with a handsome sterling silver dish from those present.

Hospital Notes

Believes Japanese Move More Likely

Edmonton, Alta., March 24.—(Canadian Press)—Alta. Gen. G. H. Peacock, chief of Canada's Pacific command, believes a Japanese attack on continental North America is more likely now than heretofore because war equipment is being sent westward through Alaska to the battlefronts of Asia and eastern Europe.

In a Rapidly Changing World It Is Surprising the Change in Valuation of the Things You Own.

Electric Appliances. Were numerous and reasonably priced. If something gave out in many cases the economical thing to do was buy a new one. NOW—every electrical appliance you own and in working order is invaluable. It must serve you for the duration.
