Manchester Evening Herald... Fighting Progress... What is life in America doing to like after the war?

Connecticut Yankee... The gentlemen at Hartford deserve a trophy. Complicity. They have it.

Ration News... Throughout the week, meat sort went uncut. Now kept the center of the stage in Connecticut.

Japs Butcher Industry Gives Small All in Sector Aiding Fliers... Sweden's Plants Operating at Full Blast Limited Bomb Damage Trade Cut.

Rations Board Explains Rules... The Local Rationing Board wishes to make clear several points that seem to be constantly asked.

Death Claims Cleveland Bus Operators Go Not in Session... The zoning board of appeals will have a vacation tonight as no hearing will be held.

Leaders Pick Path to Heal Shy at Office... The Nazi success in having driven a wedge between Russia and Poland, now was pointing out the thousands of words in an attempt to open a fissure between Russia and the United States.

New Club Holds Its First Meet... The newly formed "Travel Club" held its first meeting last night at the home of Mrs. G. A. Stonebury.

Only bubbling, boiling water extracts the full flavor... DEAFENED? HEAR AGAIN! Do Your Hearing!

Elks to Observe Lodge's Birthday... Bridgeport, April 28.—(P)—Two New York men said by State's Attorney Lorin W. Willis to have been leaders of a racket.

Roosevelt Sets Strike Deadline... The strikes and stoppages in the coal industry are being investigated by the Federal Bureau of Investigation.

Proves Wonderful For Itching Skin... The treatment for itchy skin is simple and effective. It is a matter of a few minutes.

Baldwin Signs Court Study Bill... Hartford, April 28.—(P)—Specially appointed committee of the Connecticut State Bar Association.

Do Away with Things That Keep You Awake... Insomnia is not a disease. It is a symptom of a nervous system that is overworked.

Swan... RINSO... DUFF'S WAFFLE MIX... WE ASK YOU TO TRY IT!

Swan... RINSO... DUFF'S WAFFLE MIX... WE ASK YOU TO TRY IT!

Swan... RINSO... DUFF'S WAFFLE MIX... WE ASK YOU TO TRY IT!

The Growth of the Monster... It is easy in these critical hours when the stoppage of coal production may halt within an hour a time as two weeks ago.

Some times it is big business which operates on credit, or deliberately limiting production in order to maintain a certain price and profit level.

Asked to Probe Legal Profession... Hartford, April 28.—(P)—The General Assembly's Judiciary Committee was asked yesterday by this assembly to investigate the legal profession.

Sells War Bonds During Blackout... Newark, N. J., April 28.—(P)—Alfred E. Dracoli, New York manager, stated yesterday that he had sold \$75,000 worth of war bonds during a state black-out.

Health Column... Do Away with Things That Keep You Awake... Insomnia is not a disease. It is a symptom of a nervous system that is overworked.

Deferred Lists... Manchester Defense Council Volunteer Enrollment of Women for War Work... The names of registrants with Selective Training and Service numbers are being published.

John E. Douglas Receives Degree... Mr. and Mrs. John J. Douglas of 49 Elwood street have returned from a recent trip to New York.

Notice... Friday and Saturday are the last two days to obtain dog licenses without paying penalty of one dollar.

Notice... The town clerk's office will be open Friday from 9 a. m. to 5 p. m. and Saturday from 9 a. m. to 5 p. m.

Notice... The town clerk's office will be open Friday from 9 a. m. to 5 p. m. and Saturday from 9 a. m. to 5 p. m.
