### OPA Head Explains Why the Government Is Giving FREE RED POINTS for Used Cooking Fats

"Behind this plan, effective December 13th, is one of our country's most urgent wartime needs," says Mr. Boules. "Every patriotic American wife and mother is asked to read this statement."

### WARS are fought with gunpowder.

"Behind those few words lies one of your country's most serious needs. Fats used to be imported in huge quantities from islands of the Far East. Those islands are now in enemy hands. And the government wants the used fats you can save in your kitchen to make mountains of ammunition, medicines, and other battlefield needs.

### Not a Premium on Patriotism!

"These are the facts as they have been pointed out to OPA by the War Food Administration. And they have led to this new plan: Two red ration points free when you turn in a pound of used fat to your butcher."

### How the Plan Will Work

It's as simple as it sounds: All you have to do is fill up a tin can with used cooking fat and take it to your butcher. You don't need to use

### Asks to Name Fire Marshals

New Law Requires That They Be Appointed; Three Needed Here.

Robert J. Smith, president of the South Manchester Fire District, has written a letter to David H. Chamberlain, secretary of the Fire Marshals Association, asking attention to the new law which makes necessary the naming of a fire marshal for each district. Mr. Smith calls attention to the need of at least three marshals in this territory.

In the South Manchester Fire District, and the Eighth Street and Utilities District, which are two incorporated districts, it is the law that it will be necessary to name some one. There is also need for a marshal in the other parts of the town, outside the districts.

The letter points out that this is a law that is being enforced by the state marshal, W. W. Hickey. It also asks that a date be set when the marshals for the South Manchester Fire District may meet with the marshals in the past Chief Fay has looked after the marshals for the remainder of the year.

Following a small fire in the building owned by Mrs. J. M. Burns on Burnell place a couple of weeks ago, the chief ordered the owner of the building to erect a new chimney. This was checked by Mr. Chamberlain. He also checked the change that has been made in the doorway to the Carlo Restaurant. It was found that the door swings out onto the sidewalk.
