## This farm boy stopped bullets intended for you...

JOE MARTINEZ, Colorado farm boy, his battalion bogged down under withering fire from Jap positions on Atsu, arose alone and advanced into a hail of bullets to clean out trench after trench so his battalion could advance. He died with his rifle at his shoulder, pumping lead into the enemy, while his mates were able to move up behind him and successfully take the pass. For this, Joe Martinez has been posthumously awarded the Nation's highest military honor. Let every man who was once a farm boy himself buy an extra War Bond in Joe's honor... for Joe took the bullets aimed at the heart of America!

— Sense and Nonsense —

Hard To Please
When February came along, we'd had a lot of ice. The first snowfalls were beautiful, but later, they just cold...

Wife-Oh, John, I am so nervous. I can just feel there is a mouse under the bed...

Man—My oldest son doesn't want to marry.
Friend—Don't worry. Just wait till the wrong girl comes along.

First Milkman—How in the world do you make the milk serve so many customers?
Second Milkman—Well, there's a well, there's a well...

Modern Mary!
Mary had a little lamb. Given by a friend to keep 'n' it. It followed her around until it died from loss of sleep.

Funny Business
RED RYDER
ALICE, ESCAPED FROM THE INDIANS? CAN YOU TELL ME WHERE SHE'S HIDEING? CAN SHE PE...

Quotations
The Germans in this war are committing virtually all the atrocities the propagandists of last war committed in the last war...

Quotations
When we were crossing the English Channel, we were taken under heavy anti-aircraft fire...
