### Decision We Must Make

When the conference at Dumbarton Oaks adjourned, they left unsettled two main questions. One was the question whether to proceed to voting procedure in the United Nations Security Council when a dispute happened to involve one of the members of the Council. That question can only be settled through further discussion among the founding nations...

### Hooton For Eleanor?

Dr. Ernest A. Hooton, the Harvard anthropologist, should easily be rated the greatest practical joker of our times. He has been making fun of the United Nations security conference in a most amusing way...

### Local War Fund Drive Nearing \$7,000 Mark

Contributions Are Beginning to Come In Placed at \$33,000 Mark

Manchester's War Fund drive is close to the \$7,000 mark today— to be exact \$6,830.20. Contributions are beginning to come in quite consistently now. The committee reported today.

A bang-up good job is being done among employee groups in practically all business concerns. Total figures for these groups will not be known for a few days.

Chairman MacArthur said that he did wish to emphasize the importance of individual gifts—their need and how much more help they can give. Contributors will mail them to the Manchester Trust Company.

### Yanks Overrun Jap Positions

(Continued from Page One)

roadside town of San Pablo, seven miles inland from the coast, and the provincial road. There it was that the Japanese high-way junction.

(Supposedly the Japanese on the front were retreating northward up the open valley. They had been ordered to positions on the southwest of the valley.)

Seemingly Temporary Capital

Meanwhile Tacloban, the new temporary capital of the Philippines is being built on a hillside. As his troops pressed forward, Gen. Douglas MacArthur announced preparations already are under way for construction of a new city for future operations.

### British Advance

Southeast Asia Command Headquarters, Kandy, Ceylon, today announced that the 13th division which captured Mohonjin in north Burma, has advanced to the Myittha on the railway 200 miles north of Mandalay, Burma. The advance was made in the face of a Japanese offensive in the heart of the Philippines, which was undertaken by the army and navy on the two captured airfields. The advance was made in the face of a Japanese offensive in the heart of the Philippines, which was undertaken by the army and navy on the two captured airfields.

### Japs Admit Being On Defensive Now

The Japanese Defense Agency asserted today that four more American ships had been damaged by Japanese bombers in Leyte Gulf of the Philippines.

The wireless dispatch headed by the United States Navy, announced that the Japanese communications were being cut off by the American destroyers, a transport and an oiler carrier. Previous Tokyo reports had stated that the Japanese had been repulsed by the American destroyers and a transport and an oiler carrier.

### Heart Attack

Mayhew Naval Reserve The committee did not specify the preparations which have been made to receive the great striking base within enemy-controlled territory. It is probably the largest of its kind in the world.

### On Train Fatal

New London, Oct. 23.—(AP)—Charles McCarthy, 75, of New Britain, died of a heart attack while riding on a train.

### Improves Wood

A chemical for treating wood by a new process makes softwoods hard, durable, fire-resistant, and resistant to insect attack.

### Surgical Lifesaver

Scientists have developed a new method for treating blood clots by the use of a substance known as streptokinase.
