Need Charity In These Days

Rev. Ward in His Sermon Calls for Little **Christian** Goodwill

In his sermon at South Metholist church yesterday morning, W. Ralph Ward, Jr., called for a little Christian goodwill, confidence in the other fellow and charity as a way out of the shortages which face everyone in shopping today. Declaring that if it is greed on the part of the big people thus holding up normal processes of production

the details of that par- feeding of the troops. our situation today we could April 29.

we have. To keep one's sense of God one must share with others his experience of God, and to add Savs British share the gifts he has to meet the needs of others. Wisdom for our day is found in the words of the Master, "lay not up for yourselves treasures upon earth, where moth and rust doth corrupt; and where thieves break through and steal. But lay up for yourselves treasures in heaven."

school, and have the physical and mental qualifications for enlistment in the Regular Army, no career in the world offers you a greater opportunity. You can have the finest technical training.

and be well paid while you learn! Army pay compares favorably with that in almost any civilian job-for you get food, clothes, housing, medical care, low cost insurance and a host of other advantages. You will have every chance, too, for promotion and higher pay. You'll be working with other keen young men of your own age, using the most modern equipment, doing an interesting, contructive job. What's more, you'll have an

opportunity to fulfil your personal responibility-by helping your country keep its commitments in the post-war years. COLLEGE, TRADE OR BUSINESS SCHOOL WITH EXPENSES PAID!

If you enlise on or before Oct. 5, 1946, you'll have educational benefits under the GI Bill of Rights. At the end of a 3-year enlistment, ou'll be entitled to a full 4-year course in any college, business or trade school you choose and for which you are qualified for admission. The Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, plus \$65 a month living allowance (\$90 if you have dependents).

AP Newsfeatures Rome-More than ever before Italy today looks upon its abundant manpower-the only exportable surplus it has-to dig the country out of the morass into which the war and 20 years of Fascism have plunged it. Shipping and the tourist trade

which once helped balance Italy's budget are gone. The number of unemployed is estimated at 3,000,000. More than half are unakilled laborers. Agriculture's ability to absorb them has been lessened because many fields still are mined or covered

The ministry of labor is looking for outside help to draw off manpower. This can come briefly in two forms; 1-Emigration, about which the
