Report Tells Royal Stand

Cook Reveals Company Position on Deadlock Of Negotiations

B. Cook, factory manager of Royal Typewriter Company, where 3,500 union employees meet Monday to vote on whether to strike, today stated the firm's position on the deadlock of contract negotiations. The company's position, outlined in a report to all employees, is stated in regards to hospitalization

Points of Contention Points of contention concern security, adjustment of short run jobs, arbitration, wages, and vaca-

Regarding insurance, Mr. Cook says that, "the company is making to the extent of making deductions season will be held Monday evedirectly from payroll and forward-
