He 't have to re-hire the strik- mionists. <b>Inceral Counsel</b> Holds Key Post is decision is final. There's peal. fields in which he'll operate writty much wide open and rited. Is witself makes hardiy	One of the most important parts of the government's big Labor department was its Conciliation service. This service, made up of experts in labor-management relations, had the job of trying to help putons and employers settle dis- putes. It couldn't compel them to settle anything. It could send in its experts to try to get both ides to reach agreements in their quarrels. Wipes Out Conciliation Service But the new law wipes out this conciliation service and, in its place creates a new agency called the Federal Mediation and Concil- iation service, is set up outside the Labor department. So Secretary of Labor Schwellenbach, member of President Truman's cabinet and head of the labor depart- ment, is left with a skeleton department. The new law says the new Mediation and Conciliation service is not to start working until Aug. 22, 60 days after the law was passed June 23. And the law says the new NLRB won't start working until Aug. 22, either. So the old board has to clean up its work before then. The old board has on hand about 5,500 labor disputes still un- settled. At the rate the old NLRB has been going, it can't clean them will be dropped by unions and employers. <b>Court Upholds</b> Jewett Choice (Continued from Page One) and Dr. Satti was remaned for another term. Jewett brought suit for the of- fice and was upheld by a Superior court decision, Satti's appread from	ceived two French awards which were received by all men in his di- vision. Captain Larson is employed at the Manchester Plumbing and Sup- ply Company. NO Withdrawal Program Seen (Continued from Page One) (Continued from Page One) forces are split between Mukden and Changchun (Manchuria's capi- tal), with long-besieged Szeping- kai the dividing line. Although the Reds are reported pulling in their horns after selting Szepingkai aflame, their control of points along the key rail line makes the joining of the govern- ment's north and south profigs technically difficult. The Communists are following their usual tautics of occupying an objective, doing the maximum damage and then withdrawing. Thus they could consider the Szepingkai dampaign a succeas. Give Out "Milk and Honey" Line The Communists in this their fifth Manchurian offensive have been giving out a "milk and honey" line 40 win over dissatis- fied elements of the local peasan- try with an eye to a future ahow- dow. Must ong Manchuria can stand up economically under the pres- sure of civil war is difficult to say, but observers expect that the par- tional forces with larger bore guns, superior materiel and more arsenals, can hold the Manchurian battle line in about the same gen- eral condition for a long time yet.
