Board Meets This Evening

Directors May Drop Hayden Griswold Subject, It Is Reported

It was learned today that it is possible the Board of Directors, meeting tonight, will not press the matter of removing Hayden L. Griswold from his office as a member of the Town Planning Commission.

Formal hearing on the Griswold removal question is slated for tonight's session of the Board of Directors.

The case regarding Griswold arose when Director Richard Martin, backed by other members of the Board, asked for Griswold's resignation after it was brought forward that he was engaged in engineering plans as a civil engineer.

Some Board members protested against the action taken to ask for Griswold's resignation, holding that he had to resign only if there was no evidence he had used his position for any personal purpose.

The Board also will be asked to authorize the borrowing of \$1,000,000 in anticipation of the town's operation of the town.

Admitted Saturday: Grace Brown, South Coventry; Mrs. Mary Lynn Weston, Talbotville; Mrs. Elizabeth Hyde, 450 Garden street; Thomas Beattie, 117 Birch street.

Light Set Up At Crossing

The New York, New Haven and Hartford railroad, acting to improve the safety facilities at nearby grade crossings, announced today that on Saturday it placed in operation a set of flashing red lights at the Church street crossing just west of the Talcottville station.

The new automatic signals consist of flashing lights and warning bells. There are two high-powered red lights, placed horizontally about 30 inches apart on a steel post six feet from the ground.

Operation of the signals is entirely automatic. The crossing is protected by a barrier commencing at least 20 seconds prior to the time a train reaches the crossing.

The double ceremony was performed at 2 o'clock by the Rev. Dr. Watson Woodruff of Avon, former pastor of the church. Fairly and white gladioli composed the decorations.
