### Legion Starts Member Drive

Seek 35,000 Veterans in State to Carry Out Big Program  
Hartford, Sept. 28.—The American Legion in Connecticut today launched a state-wide drive to enroll 35,000 veterans as members. "The year 1948 will be the most active in Legion history, and 35,000 Legionnaires will be needed to carry out our many activities," according to Howard L. Jacobs, State Senior Vice Commander. Commander Jacobs reported that the 35,000 members in 1948 will mean an expanded program of community service. "The high school contest sponsored by the Legion will be bigger this year, and the Junior Baseball program will be opened to more boys throughout Connecticut. A strong Legion—with the largest membership it has ever had—will be working harder for better housing and more housing for veterans."

### Trying to Break Royal Deadlock

Hartford, Sept. 28.—An attempt was being made this afternoon to break the deadlock in congressional negotiations at the Royal Typewriter company. At the conference were representatives of the Royal Typewriter company, and Frank Harris of the United States Congress, and Perley M. Hovey, agent of the State Board of Mediation and Arbitration.

### Plane Wrecked By Flash Fire

New York, Sept. 28.—A flash fire wrecked a transatlantic plane yesterday as a service crew readied it for flight at La Guardia field. The fire broke out suddenly and servicemen fled the oxygen tank inside the DC-4. Flames shot through the interior of the ship and huge clouds of smoke rolled over the field. Two flight attendants were killed and one was injured. The plane, belonging to Trans World Airlines, was scheduled for a flight to Egypt. A TWA spokesman said the craft was valued at over \$400,000 and that it was three-quarters destroyed. Cause of the fire was not immediately determined.

### Directors Act On Resignation

Vote to Accept Its Withdrawal by Planning Board's Head  
The Board of Directors' meeting last night voted to accept the withdrawal of the resignation of Charles W. Holman, chairman of the Town Planning Commission. The resignation, originally submitted in protest at a move on the part of the Board to oust Hayden Griswold from the planning commission, was reconsidered by Mr. Holman at the request of the directors. In his letter withdrawing his resignation, Holman advised against action by the Board which might be designed to bring further pressure against Griswold, noting that such a move might be construed as "judicial" in view of the failure of the directors to find legal grounds for Griswold's removal. The Board, in accepting the withdrawal of Holman's resignation did not comment on the paragraphs which followed the notice of withdrawal. It was noted that discussion of a statement of policy in regard to the holding of town office and the carrying on of private business by

Sense and Nonsense
Father had company for dinner that night and everything was going along fine until his daughter, Virginia said: "Isn't this meat roast beef?"

Wife: "Then your tongue clove to the roof of your mouth."
Husband: "Yes, that's what it was. I was so excited."

Wife: "How did you happen to get teaching school to join the church?"
Husband: "Because there's more money in showing figures to the big boys."

Wife: "Is Mr. Smith in?"
Office Boy: "No, ma'am, he's gone to lunch with his wife."
