\$10,000 Tide In Dimes Flow

Returns Are Swelling Fund to Fight Polio; Still Can Donate

Dimes and dollars marched merrily into the coffers of the March of Dimes today and boosted the total to the \$10,000 mark, a new high in the 14-year history of the polio drive in Manchester. The previous high of \$8,200 was recorded in 1947.

Today marked the third day in succession that the contributions received totaled nearly \$1,000, and the drive treasurer, George Frost, has been hard pressed to keep up with the swelling tide of returning coin folders.

Included in the contributions totaled today was \$200 collected by young Billy Hansen, a former polio victim and the only child authorized by the committee to solicit locally for the fund. Billy's collection was made in his school street neighborhood. Lawrence Vachon, in charge of the dimes booth located on Main street, brought in a total of \$154.47.

A collection taken at the Veterans of Foreign Wars set-back party added \$43 to the fund. Robert F. Smith, chairman of the Special Gifts committee, brought in \$50 more to bring his committee's collections well over the \$500 mark, and Mrs. Arthur McCann, chairman of the letter solicitations, brought in an additional sum of \$27.75.

Charles H. Donahue, chairman of restaurant solicitations, brought in 40 coin folders from local restaurants which yielded \$206.71. This amount is additional to the \$448 donated by the restaurant owners from "Coffee Day" held during the first week of the campaign.

General Chairman Philip Bayer urged all persons to send their donations as soon as possible to campaign headquarters at the Manchester Trust Company so that the final total may be quickly achieved.

Suffers Shock As Home Burns

Westport, Feb. 2.—John C. Hopkins, about 70, was rushed to Newark hospital in an ambulance while firemen battled a fire in his home here. A doctor said his apparently was suffering from shock resulting from excitement. Hopkins and his wife were sitting in the living room when they heard a noise in the basement. As the elderly man opened the basement door, smoke and flames flew. Hopkins and his wife fled the house.

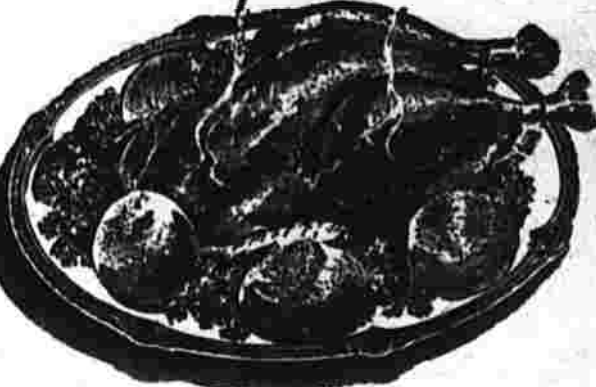

Chief Harold Shippey estimated the damage at \$5,000. "What's in a Letter?" Greeley, Colo.—(AP)—A Greeley girl added just one letter to her name when she was married. Mary Lee became Mrs. Robert Wise at a ceremony at Taloo, Calif.

A friend of mine has just told me of a tire salesman who came in the office, and said, "Mr. Blank, I have just noticed your car, license No. 30 and so, parked up on St. Paul Place. Your two tires are flat. I have a spare tire, and would like to sell you a new one. I'll give you a credit for the old one, right now, and save you a possible embarrassing situation."
