But it is still what other hand but it is still what In the early spring the heauty of a surprise telephone call from Mrs. The wild azales, which he has cultivated in its natural haunt, is admired by all who pass. Later the easary, and that it should do this is sound. No other kind of solution same is true of the laurel. In admired, by Mrs. Maurice, Leonard, enterprise telephone call from Mrs. Reinalter which resulted in a visit which ended in their buying this mired by all who pass. Later the lis sound. No other kind of solution same is true of the laurel. In admired the neighbors. in order to preserve, artificially, can be regarded as lasting.

existing jobs and industrial establishments.

The railroad unions don't like diesels because they threaten to The testimony of Ex-Commu-

forced to pay as much as ever for railroad service. So they want an artificial requirement that men be employed on diesels whether they are needed or not.

Management, and common have to be tracked down and evaluations and the support of the supp

management, and common sense, have the answer for that it is that future excess firemen and enginemen should seek some other form of employment, where they can be truly productive.

Tariff reductions are the desers in the Manufacturers Association scheme of things. The association doesn't like tariff reductions because they threaten existing enterprises and existing jobs. The reason tariff reductions do this is because they would offer the American public the economies available in foreign trade.

Some matches in an unexplained manner. Chief Davis says matches in his home are carefully kept in a firepriof container and out of the reach of children. These must have been found by the little boys who apparently knew they shouldn't have them. Mr. and Mrs. Davis were both away at the will stick.

Meanwhile, Senator McCarthy who never actually intends to stand or fall on any question of fact.

Yesterday, his supposed big gun against Lattimore seemed rather.

One of the outstanding meetings of its 1949-1950 season was held on Monday evening. April 17, by the Rural Vernon School Association. Dr. Hilds Crosby Standish, mother of five, physician and lecturer, was the speaker of the svening, and her talk, entitled "Answering Children's Questions About Sex" was most instructive. As a part of her talk she showed Two Arrested the film, "Human Growth," which was made by school children of Portland, Oregon, to illustrate what can be done about the teaching of this subject matter in the schools. She also showed many last night according to a report books which would help parents to handle their children's questions!

Guests were present from the Maple Street. East and Northeast P. T. A.s and many expressed their gratitude to Dr. Standish for a Joseph Karosi, 51. of Mansfield

Both Roth and Keating long have been at odds with the regular Republican organization here which to date has made no committments as to its position in the gubernatorial nomination race. Keating for many years was member of the Republican town committee here as chairman in the Fourth District, a post from which he was ousted several years ago in an intra-party dispute with present leaders of the local regular Republican organization. He was opposed at that time by Henry . Gebert. Jr., member of the G.O.P State Central committee from the 24th Senatorial District and present chairman of Danbury's Second Roth, who served as Danbury's chosen chairman of the new organization. Miantonomoh Tribe No. 58, Improved Order of Red Men, will observe Past Sachems' Night at its regular meeting in Tinker hall Monday night. The great chiefs of the Nathan Hale school, is a Monday night. The great chiefs of the reservation will make their annual visit at this meeting. It is hoped that all past chiefs and members will make a special effort to attend. Chef Frank Diana and his committee will serve a spaghetti dinner at the conclusion of the meeting.

All members of Manchester Juvenile Grange who plan to attend the roundup in Simsbury tomorrow morning, should meet in front of Tinker hall between 8:30 and 9:30 o'clock. The boys and girls should bring their own lunches and ten cents for milk. They will make the cents for milk. They will make the Jones, Girl Scout com trip to Simebury by bus. | Will give a brief talk.

35 Believed Lost One of MacArthur's Students Hold
Key Officials Among Those on Board Big Parades Over Trieste Issue Seven Italian Cities:

Toya, Japan, April 22 .- (AP) Parliamentary Debates crashed last night with 35 persons, including one of

A wet fog settled thickly tonight shrouding from searchers
the fate of the 27 passengers and
eight crewmen. A daylong air and
ground hunt failed to spot the
four-engined C-54 which was fiying to Japan from the Philippines.
Bad weather forced six search
planes and two helicopters to
earth this afternoon. Ground
searchers kept slogging over the
designated search area of 14 miles
square that ranges upward unto
the Tanzawa mountains.

territory of the Trieste yesterday.

Thousands of students paraded with songs and shouts in seven
Italian cities, demanding the territory's return to Italy. In at least
three cities they clashed with police. In Bologna they were attacked by Communists before police broke up the demonstration.
Several students were reported
injured at various points and a
number were arrested.
Meanwhile the prestige of Premier Alcide de Gasperi's Christian
