Grusha Handcuffs Totals Hartford Rivals

The Manchester Trust Company's softball nine scored its initial victory of the season over the Hartford Connecticut Trust Company of the Hartford Banking Lesgue at the Buckland school diamond, 11-8. The local banking nine broke the game wide open with a five-run rally on a five hit spree in the fifth. In the top half of the seventh inning, with two out, Van Gasbeck, visiting third sacker, clouted a long drive to deep left field for a "grand slam" home run, but Grusha fanned the next batter to wind up the ball game.

Grusha, while walking a dozen men, proved extremely effective in the clutches, and struck out ten. Frier, with four for four, and Murray, with three for three, were the heavy stickers for the Manchester Trust, and Van Gasbeck was a standout for the Hartford team.
