THIS SUMMER KEEP THE TEMPERATURE WHERE YOU WANT IT!

No matter what the weather may be like this year, you can keep cool all Summer long with clean, fresh breezes right in your home.

For, electric fans constantly replace the hot, stagnant air in your home with fresh outdoor air . . . and let you relax in luxury comfort day and night.

Window fans need no installation. Just set them in your open window, pull the sash down on them, and plug them in. And they're all set to suck cool breezes through your rooms—for just a few pennies a day.
