Cleveland's 14 runs were the most ever made in the first inning. The previous high was 13 made by the Braves in 1900 and the Giants in 1911. The A's held the American League mark of 12, set in 1937. Three other clubs since in 1900 tallied 14 runs in an inning.

Feller won his sixth game in the opener. A single by Wally Moses in the first and another one-bagger by Mike Guerria in the eighth were the only hits off the former strikeout king, Mike Garcia won his fifth in the finale.
