Car Rams Tree Without Reason

West Haven, June 26—(P)— William Donegan, 38, of West Haven, was killed here Saturday night when a car he was driving rammed into a tree alongside Ocean avenue. Charles M. Sugrue, Jr., 39, of Milford, owner of the car Donegan was driving, was reported to be in critical condition at St. Raphael's hospital in New Haven. Police said skid marks showed that the car's brakes had been applied about 50 feet from the tree, but apparently no other car was involved and the cause of the accident was unexplained. Police said they had learned that Donegan had offered to drive Sugrue to his home after a wedding receptio he latter attended.
